Partners In Passion The Mating Place:

Mating in Captivity Esther Perel, 2012-02-16 When you love someone how does it feel And when you desire someone how is it different In *Mating in Captivity* Esther Perel looks at the story of sex in committed couples Modern romance promises it all a lifetime of togetherness intimacy and erotic desire In reality it s hard to want what you already have Our quest for secure love conflicts with our pursuit of passion And often the very thing that got us to into our relationships lust is the one thing that goes missing from them Determined to reconcile the erotic and the domestic Perel explains why democracy is a passion killer in the bedroom Argues for playfulness distance and uncertainty And shows what it takes to bring lust home Smart sexy and explosively original *Mating in Captivity* is the monogamist s essential bedside read *The Mating Place* Sahara Kelly, 2004

The Dangerous Passion David M. Buss, 2000-02-14 Why do men and women cheat on each other How do men really feel when their partners have sex with other men What worries women more men who turn to other women for love or men who simply want sexual variety in their lives Can the jealousy husbands and wives experience over real or imagined infidelities be cured Should it be In this surprising and engaging exploration of men s and women s darker passions David Buss acclaimed author of *The Evolution of Desire* reveals that both men and women are actually designed for jealousy Drawing on experiments surveys and interviews conducted in thirty seven countries on six continents as well as insights from recent discoveries in biology anthropology and psychology Buss discovers that the evolutionary origins of our sexual desires still shape our passions today According to Buss more men than women want to have sex with multiple partners Furthermore women who cheat on their husbands do so when they are most likely to conceive but have sex with their spouses when they are least likely to conceive These findings show that evolutionary tendencies to acquire better genes through different partners still lurk beneath modern sexual behavior To counteract these desires to stray and to strengthen the bonds between partners jealousy evolved as an early detection system of infidelity in the ancient and mysterious ritual of mating Buss takes us on a fascinating journey through many cultures from pre historic to the present to show the profound evolutionary effect jealousy has had on all of us Only with a healthy balance of jealousy and trust can we be certain of a mate s commitment devotion and true love *The Mating Game* Pamela C. Regan, 2016-01-12 The Third Edition of *The Mating Game* A Primer on Love Sex and Marriage is the only introductory text about human mating relationships aimed specifically at a university audience Encompassing a wide array of disciplines this comprehensive review of theory and empirical research takes an integrated perspective on the fundamental human experiences of attraction and courtship mate selection and marriage and love and sex Strongly grounded in methodology and research design the book offers relevant examples and anecdotes along with ample pedagogy that will spark debate and discussion on provocative and complex topics *Intimacy and Desire* Dr David Schnarch, 2009-10-21 In this groundbreaking book Dr David Schnarch one of the foremost experts on sexuality and relationships explains why normal healthy couples in long term relationships have sexual desire problems

regardless of how much they love each other or how well they communicate In depth examples of couples he has counselled reveal his unique understanding of common but difficult sexual desire problems that affect couples of all ages Combining compassion and clinical wisdom Dr Schnarch explains how to use his revolutionary Four Points of Balance approach to resolve low desire mismatched desire sexual boredom and the emotional gridlock that accompanies these problems Intimacy Desire provides a roadmap for how couples can transform common sexual desire problems into self exploration and personal development that leads to psychological and spiritual growth stronger relationships and more powerful and meaningful desire for each other It provides time proven comprehensive solutions that help couples reconnect with each other sexually and take their intimacy and passion to new previously unexplored heights

Mating Intelligence Unleashed Glenn Geher, PhD, Scott Barry Kaufman, PhD, 2013-02-14 Until recently evolutionary psychologists have considered human mating behavior to be universal and similar to other animals painting a picture of human mating as visceral animalistic and instinctual But that's not the whole story In courtship and display sexual competition and rivalry we are guided by Mating Intelligence or the range of psychological abilities designed for sexual reproduction In this book psychologists Glenn Geher and Scott Barry Kaufman take a fascinating tour of the intersection of reason and intelligence by drawing on cutting edge research on evolutionary psychology intelligence creativity personality social psychology developmental psychology neuroscience epigenetics and more This book will change the way you think about sex dating love and the human mind

The Politics of Passion Gloria Wekker,2006-04-25 Gloria Wekker analyzes the phenomenon of mati work an old practice among Afro Surinamese working class women in which marriage is rejected in favor of male and female sexual partners Wekker vividly describes the lives of these women who prefer to create alternative families of kin lovers and children and gives a fascinating account of women s sexuality that is not limited to either heterosexuality or same sex sexuality She offers new perspectives on the lives of Caribbean women transnational gay and lesbian movements and an Afro Surinamese tradition that challenges conventional Western notions of marriage gender identity and desire Bringing these women s voices to the forefront she offers an extensive and groundbreaking analysis of the unique historical religious psychological economic linguistic cultural and political forces that have shaped their lives

The Mating Trade Robert Mullan,2022-02-23 Are marriages made in heaven In reality many people need a little help in the arrangement of such matters whether from Jewish shadkhans matchmakers go betweens computer or video dating agencies marriage bureaux Asian arranged marriages gay dating agencies or personal ads Originally published in 1984 the author s clear sighted look at the mating trade takes some of the mystique away from the subject and is the first serious and detailed account of the third party in marriage Dr Mullan looks at the singles scene and the arranged marriage historically and cross culturally and makes it clear that there is nothing necessarily odd or deviant about the mating trade It is a business like any other and as long as people continue to want perfect partners marriage permanent relationships dates and sex and while evolving social structures make such demands ever more difficult to meet the business will thrive It could even expand and grow but the author believes that first it will have to clean up its act

Breaking the Adolescent Parent Cycle Jack C. Westman,2009-06-16 This book addresses the dilemma created by the discrepancy between our efforts to prevent adolescent pregnancy and our support of adolescent parenthood which the author argues is America s greatest unrecognized public health crisis It is the most preventable cause of crime and welfare dependency and because we hold no expectations for parents who conceive and give birth to children rates of child neglect and abuse in the United States far exceed those of other developed nations Westman explores the circumstances and values that make motherhood seem to be girls best option and that induce males to conceive without the ability to support their children It proposes a feasible legal procedure as the basis for ensuring that adolescents babies have competent parents with the resources and environments they need

Preventing Child Sexual Abuse Stephen Smallbone, William L. Marshall, Richard Wortley, 2013-05-13 Public policy responses to child sexual abuse are dominated by interventions designed to take effect only after offenders have already begun offending and after children have already been sexually abused Comparatively little attention has been given to alternative prevention strategies particularly to those aimed at preventing sexual abuse before it might otherwise occur Considerable knowledge has been accumulated on the characteristics modus operandi and persistence of offenders the characteristics circumstances and outcomes for victims and the physical and social settings in which sexual abuse occurs but little work has been done to systematically apply this knowledge to prevention This book aims to fulfill this objective through integrating clinical and criminological concepts and knowledge to inform a more comprehensive and effective public policy approach to preventing child sexual abuse Empirical and theoretical knowledge concerning child sexual abuse is integrated with broader developments in evidence based crime and child maltreatment prevention leading to new ideas about understanding and preventing child sexual abuse This book will be essential reading for anybody with interests in this field
