Partners In Service Toward A Biblical Theology Of Christian Marriage:

Partners in Service Elisabeth Meier Tetlow, Louis Mulry Tetlow, 1983-01-01 Not Yet Married Marshall Segal, 2017-06-20 Life Is Never Mainly About Love and Marriage So Learn to Live and Date for More Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you But God has far more planned for you than your future marriage Not Yet Married is not about waiting quietly in the corner of the world for God to bring you the one but about inspiring you to live and date for more now If you follow Jesus the search for a spouse is no longer a pursuit of the perfect person but a pursuit of more of God He will likely write a love story for you different than the one you would write for yourself but that's because he loves you and knows how to write a better story This book was written to help you find real hope happiness and purpose in your not yet married life **Married for God** Christopher Ash, 2016-08-15 A Good Marriage Begins with God It is our natural tendency to seek personal happiness and satisfaction in marriage We often give our own needs wants and goals first priority But what is God's design for our marriages With clarity and conviction Christopher Ash turns us away from marriage for ourselves and toward marriage in the service of God With practical applications for everyday life Ash shows us God's purposes and patterns for every part of the marriage relationship By realigning our hopes expectations and goals for marriage according to the Bible we will discover the deep joy and lasting fulfillment that comes from a God centered marriage **Toward a Biblical Theology of Marriage** Ernest D. Martin, 2010-03-01 Does the Bible provide a construct for marriage that is relevant for a confused world This book reflects a pastor's conviction that biblical revelation culminating in Christ does speak to the issues and potentials for marriage in such a world By focusing on what the biblical vocabulary of marriage from Genesis to Revelation may reveal of the Creator Redeemer's intent for marriage Ernest D Martin develops a Christological paradigm for marriage that is consistent and applicable Pastors teachers and counselors will find biblical faith perspectives useful in responding to the challenges and opportunities they face in the several phases of marital relationships This short book will greatly benefit anyone seriously concerned with what the Bible says about marriage **The Ways of Our God** Charles H. H. Scobie, 2003 At a time when Old Testament and New Testament studies are considered to be two very different tasks this major new work by Charles Scobie offers an approach to biblical theology meant to take in the entire sweep of divine revelation Comprehensive in scope this book covers every aspect of biblical theology Chapters are devoted first to the nature and task of biblical theology and then to major themes within the biblical message God's order God's servant God's people and God's way Each section of the book also features an extensive system of helpful cross references Not only is Scobie's attempt to bridge the biblical testaments admirable but he also takes great care to present scholarship that is at the same time informed by and relevant to the daily life and work of the church The result is a book that is relevant to readers everywhere Accessible to teachers clergy students and general readers alike this book will reinvigorate the study of the Bible as the unified word of God **Sex,**

Dating, and Relationships Gerald Hiestand, Jay S. Thomas, 2012-02-29 Considering the pervasive immorality and high divorce rate of our contemporary Christian culture we evidently need a biblically based theologically compelling practical understanding of sex dating and relationships Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm shifting view of purity and relationships a view that challenges even the basic assumptions of evangelical subculture Unlike most books on dating this one cuts straight to the heart of dating relationships asserting with confidence that the line must be drawn at no sexual activity whatever Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree but Hiestand and Thomas have done it Furthermore both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner Sex Dating and Relationships adds a new almost provocative voice to the conversation that with straightforward theological insight pleads with Christians to get serious about honoring Christ with their sexuality

Committed Worship Donald L. Gelpi, 1993 Volume II develops a sacramental theology that addresses the needs of all adult Christians The chapters on Marriage show how conversion both humanizes and Christianizes human sexuality providing the context for a foundational rethinking of the meaning of the context for a foundational rethinking of the meaning of Christian Marriage The discussion of Orders examines the responsibilities of ordained leaders and throws light on the rise of clericalism and on the meaning of priestly identity and ministry in addition to clarifying the relationship between the priesthood of the laity and that of the ordained A discussion of Christian nurture explains the practical and theoretical meaning of infant Baptism This volume also examines the three sacraments that most foster ongoing conversion Reconciliation Anointing and Eucharist After situating each of these rituals in its Biblical and historical setting the author shows how each contributes to ongoing Christian conversion

God and the Gay Christian Matthew Vines, 2014-04-22 The landmark book exploring what the Bible actually says and doesn't say about same sex relationships Revised and expanded ebook coming May 6 This book is a game changer Every page is brought to life by the author's clear love for Scripture and deep persistent faith Matthew Vines emerges as one of my generation's most important Christian leaders Rachel Held Evans As a young Christian man Matthew Vines harbored the same basic hopes of many young people to one day share his life with someone to build a family of his own to give and receive love But when Vines realized he was gay those hopes were called into question The Bible he'd been taught condemned gay relationships Feeling the tension between his understanding of the Bible and the reality of his same sex orientation Vines devoted years to intensive research into what the Bible says about homosexuality He asked questions such as What was the real sin of Sodom What did Paul have in mind when he wrote about same sex relations Is mandatory celibacy biblical Can same sex marriage fulfill Scripture's vision for marriage Accessibly written and carefully argued *God and the Gay Christian* shows readers how affirming same sex relationships can go hand in hand with maintaining moral boundaries and upholding an orthodox Christian faith

Marriage and Sacrament

Michael G. Lawler,2017-06-15 At a time in human history when women and men are more concerned about interpersonal relationships and when there is an extensive questioning of the specific relationship between a woman and a man in marriage Marriage and Sacrament offers an understanding of how to live out the Christ meaning and Church meaning of that relationship so that by living martially and sacramentally couples can reveal to the world and to the Church the deeper meaning of all human love The book examines the relationship among love marriage and sacrament it examines the meanings of the sacrament of marriage its biblical basis its history and what happens when it comes to an end it examines sexual love indissoluble love fruitful love and ecumenical love in relationship to both marriage and sacrament Marriage and Sacrament is an indispensable resource for pastoral ministers and ministry students as well as all who contemplate or are now partners in marriage

What Did You Expect? Paul Tripp,2013-04-23 More couples than I can number have been surprised that their marriage needs the regular rescue of grace And because they did not take their Bible seriously they were caught short in that moment when the rubber meets the road in daily live where grace was their only hope So when you are sinned against or when the fallen world breaks your door down don t lash out or run away Stand in all your weakness and confusion and say I am not alone God is with me and he is faithful powerful and willing You can be realistic and hopeful at the very same time Realistic expectations are not about hope without honesty and they are not about honesty without hope Realism is found at the junction of unabashed honesty and uncompromising hope God s Word and God s grace make both possible in your marriage

Christian Marriage David Ayers,2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist Christian Marriage is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society
