

A photograph of a forest path. Two children, one in a blue jacket and one in a red jacket, are walking away from the camera down a grassy path. The path is lined with tall, thin trees, and sunlight filters through the leaves, creating a dappled light effect on the ground.

**With** Skye Jethani, 2011-08-22 **With** explores the narrative of the Bible to show that we were created to be with God and that restoring this connection is his mission Instead of life over under from or even for God what leads us into freedom and restoration is life with God Why are American Christians who have more access to biblical teaching than any other people in history failing to experience the freedom of the Christian life Why are pastors those closest to the work and ministry burning out at an alarming rate Why do many church members who give large amounts of their time and wealth to Christ and his kingdom secretly question the legitimacy of their efforts And why are spiritual seekers dismissing the validity of the Christian message Is it possible we've misunderstood the call of the Christian life A life lived in rich communion with God cultivates faith hope and love in a way that transforms both us and the broken world we inhabit In **With** you'll find illustrations of concepts in the book to aid understanding recommendations for how to practice communion with God including three helpful practices and a discussion guide for use when continuing the conversation with others in small groups Endorsements If we've grown weary of Christianity if we find most any local church uninspiring maybe the problem lies not in the Christian faith or these faithful bodies but in our own disgruntled hearts In **With** Skye Jethani tenderly unmasks the clichéd posturing that too often masquerades as genuine communion with Christ More importantly he takes readers to the humble place they must occupy in prayer studying Scripture with the Church if faith hope and love are to truly mark our lives James H. Gilmore author **The Experience Economy** It doesn't matter as old theologians were rumored to argue how many angels can dance on a pinhead But it does matter which preposition governs your faith over after against for from under with Who knew what huge worlds turn on such tiny words Who knew what theological riches were laced into the bones of grammar Skye has done a great service to the church In prose elegant and clear with insights keen and deep he shows how everything changes with just one word **With** It's a book I want my whole church to read Mark Buchanan author of **Spiritual Rhythm** Who knew that a preposition had so much influence Skye's book will challenge the way that you think about God and faith digging deep into our motivations and heart issues You can't read this book and not see yourself and others differently Margaret Feinberg author of **Scouting the Divine** and **Hungry for God**
