When You Reach Me Rebecca Stead, 2009-07-14
Like *A Wrinkle in Time*, Miranda's favorite book, *When You Reach Me* far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of life, death, and the beauty of it all. The Washington Post This Newbery Medal winner that has been called smart and mesmerizing. The New York Times and superb. The Wall Street Journal will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist.

Shortly after a fall out with her best friend sixth grader Miranda starts receiving mysterious notes and she doesn't know what to do. The notes tell her that she must write a letter a true story and that she can't share her mission with anyone. It would be easy to ignore the strange messages except that whoever is leaving them has an uncanny ability to predict the future. If that is the case then Miranda has a big problem because the notes tell her that someone is going to die and she might be too late to stop it. Winner of the Boston Globe Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection A PARADE Best Kids Book of All Time A Kirkus Reviews Best Middle Grade Book of the Century Absorbing People Readers are likely to find themselves chewing over the details of this superb and intricate tale long afterward. Engle's and spending hours pondering the provocative questions it raises. Publishers Weekly Starred review

And yet their chemistry is undeniable. While her ultra wealthy parents want her to carry on the family legacy of world renowned surgeons, Alexis doesn't need glory or fame. She's fine with being a mere ER doctor. And every minute she spends with Daniel and the tight knit town where he lives, she's discovering just what's really important. Yet letting their relationship become anything more than a short term fling would mean turning her back on her family and giving up the opportunity to help thousands of people. Bringing Daniel into her world is impossible and yet she can't just give up the joy she's found with him either. With so many differences between them, how can Alexis possibly choose between her world and his? DISCOVER WHY READERS LOVE ABBY JIMENEZ Sweet and achingly romantic, a truly wonderful love story.
