Party Ain't Over Yet:

Life Ain't over Yet Lee Heide, 2004-03-02 Life Ain't Over Yet is Lee Heide's 20 piece collection of short stories about seniors. Dramatic, humorous, and always well written. Heide's stories are at once touching, powerful, and meaningful.

Personnel Literature, 1993 **I Ain't Done Yet** Mary B. Allberry, 2011-10 In this work you will see and hear tales of all over the globe with over a year's stay in Poland, many learning sessions in countries where Spanish is spoken, train trips in two continents, and so many personal quips about raising a family of seven very close in age children. Live with Mary through many years of fun and always learning. Another motto of Mary is You're Never Too Old To Learn. **Diary of a Nappy Head** Theresa Anne, 2010-03-18 To those around Jergen, Black beauty equaled having straight hair; it was an equation that she never quite understood. All her young life Jergen watched her now thin-haired mother, Mamma Dee, constantly smoke up the kitchen with a hot comb while straightening people's hair and bragging about how beautiful they were going to look when she finished. Jergen's choice to wear her hair natural is constantly critiqued by those around her, as well as by her ghetto grandmother who dates Stockton, the town drug lord who is half her age. Not only does Jergen have to worry about her mother becoming bald from burning out her own hair, she also has to worry about her grandmother's dangerous lifestyle. Getting the best of her, jotting down the events of the day in the new diary that her ex-boyfriend's mother gave her provides Jergen with an outlet for her to express her thoughts freely. Jergen is able to make it through with the help of her three best friends who call themselves La Natural, four very smart black beauties who happily wear their hair natural and show it off despite the reaction they receive from the outside world. **The Party Ain't Over Yet** Status Quo, 2005 *Death Vigil Vol. 1* Stjepan Sejic, 2015-10-14 Gifted. Join the Death Vigil in their ongoing war against the ever-growing power of the Primordial Enemy. The only catch is you have to die first. Become a corporeal immortal Death Knight and obtain reality-altering weaponry in the never-ending battle between Good and Evil. Collects DEATH VIGIL 1-8. **Birthday Party** Gerard Valentine, 2010-11-03 Birthday party is a suspense thriller about the threat and incursion into our country's ideologies by an extremist group intent on inflicting maximum casualties and damage to our nation's icons of liberty and freedoms during our Fourth of July celebrations. In Seattle, the threat is met by a coalition of the Seattle police department, numerous other government agencies, and citizen involvement. Captain Harry Snyder, S.P.D. and his cadre of police officers unite with the government lawmen, the United States military, and together with many brave citizens, clash head to head with those ruthless hostile forces. It is a classic tale of terror and mayhem versus law and order, good versus evil. With many subplots, twists, and turns, the characters in the book become heroic individuals who meet and defeat this impending danger. It reaches an exciting dramatic conclusion in an epic battle on the top of the space needle. Only one survives. *"A Look Through Granny's Window 1"* Marylee Smithwick, 2009-11-15 When Granny comes to live with the Thaxtons, her stories and total truths help her family and friends to unite and grow through laughter and pathos of getting old. There is nothing like grandma hands and wisdom.
