Party People:

We Are Party People Leslie Margolis, 2017-10-03 The author of If I Were You delivers a sweet brave and laugh out loud funny new novel in which shy 12 year old Pixie Jones learns that stepping out of her comfort zone might not be so scary after all

The Party and the People Bruce J. Dickson, 2021-05-25 What keeps the party in power How are leaders chosen How are policies made Does China have a civil society Do political protests threaten political stability Why does the party fear religion How nationalistic is China Will China become democratic

Very Important People Ashley Mears, 2021-08-31 A sociologist and former fashion model takes readers inside the elite global party circuit of models and bottles to reveal how beautiful young women are used to boost the status of men Million dollar birthday parties megayachts on the French Riviera and 40 000 bottles of champagne In today's New Gilded Age the world's moneyed classes have taken conspicuous consumption to new extremes In Very Important People sociologist author and former fashion model Ashley Mears takes readers inside the exclusive global nightclub and party circuit from New York City and the Hamptons to Miami and Saint Tropez to reveal the intricate economy of beauty status and money that lies behind these spectacular displays of wealth and leisure Mears spent eighteen months in this world of models and bottles to write this captivating sometimes funny sometimes heartbreaking narrative She describes how clubs and restaurants pay promoters to recruit beautiful young women to their venues in order to attract men and get them to spend huge sums in the ritual of bottle service These girls enhance the status of the men and enrich club owners exchanging their bodily capital for as little as free drinks and a chance to party with men who are rich or aspire to be Though they are priceless assets in the party circuit these women are regarded as worthless as long term relationship prospects and their bodies are constantly assessed against men's money A story of extreme gender inequality in a seductive world Very Important People unveils troubling realities behind moneyed leisure in an age of record economic disparity

My People Are Rising Aaron Dixon, 2012-10-09 The founder of the Black Panther Party's Seattle chapter recounts his life on the frontlines of the Black Power Revolution Growing up in Seattle in the 1960s Aaron Dixon dedicated himself to the Civil Rights movement at an early age As a teenager he joined Martin Luther King on marches to end housing discrimination and volunteered to help integrate schools After King's assassination in 1968 Dixon continued his activism by starting the Seattle chapter of the Black Panther Party at the age of nineteen In My People Are Rising Dixon offers a candid account of life in the Black Panther Party Through his eyes we see the courage of a generation that stood up to injustice their political triumphs and tragedies and the unforgettable legacy of Black Power This book is a moving memoir experience a must read The dramatic life cycle rise of a youthful sixties political revolutionary my friend Aaron Dixon Bobby Seale founding chairman and national organizer of the Black Panther Party 1966 to 1974

Listen, Liberal Thomas Frank, 2016-03-15 From the bestselling author of What's the Matter With Kansas a scathing look at the standard bearers of liberal politics a book that asks what's the matter with Democrats It is a widespread belief among liberals that if only

Democrats can continue to dominate national elections if only those awful Republicans are beaten into submission the country will be on the right course But this is to fundamentally misunderstand the modern Democratic Party Drawing on years of research and first hand reporting Frank points out that the Democrats have done little to advance traditional liberal goals expanding opportunity fighting for social justice and ensuring that workers get a fair deal Indeed they have scarcely dented the free market consensus at all This is not for lack of opportunity Democrats have occupied the White House for sixteen of the last twenty four years and yet the decline of the middle class has only accelerated Wall Street gets its bailouts wages keep falling and the free trade deals keep coming With his trademark sardonic wit and lacerating logic Frank s Listen Liberal lays bare the essence of the Democratic Party s philosophy and how it has changed over the years A form of corporate and cultural elitism has largely eclipsed the party s old working class commitment he finds For certain favored groups this has meant prosperity But for the nation as a whole it is a one way ticket into the abyss of inequality In this critical election year Frank recalls the Democrats to their historic goals the only way to reverse the ever deepening rift between the rich and the poor in America

The Totalitarian Party Aryeh L. Unger, 1974-12-05 Originally published in 1974 this book deals with the role of the totalitarian party in relation to the people under its rule Drawing upon a wide range of published and unpublished sources from the two foremost examples of totalitarian government in the twentieth century the book examines the specific contribution of the party to the control and mobilization of people under totalitarianism of the Right and Left Dr Unger begins by setting out the doctrinal assumptions that shaped and legitimated the attitudes of the Nazi and Soviet parties to the broad mass of the people Against this background he then traces the Nazi and Soviet approaches to propaganda and organization and describes and analyses the interaction of these two primary ingredients of totalitarian voluntary compulsion in the realms of political agitation leisure and ritual and social welfare Although the importance of the party as a principal instrument of totalitarian government was widely recognized this was the first comparative study of the functions of such parties in an area in which totalitarian regimes impinge directly upon the lives of their subjects

Revolution in Our Time: The Black Panther Party's Promise to the People Kekla Magoon, 2021-11-08 The Panthers march on the California capitol on May 2 1967 marked a significant turning point the moment when the Black Panthers posture of armed self defense became a matter of national awareness This new militancy rolled across the American landscape like an earthquake trembling the foundation of the republic On the surface such an earthquake seems quite sudden It catches people off guard The ground begins to roll and it is all too easy to lose footing Solid things things designed to be immovable tilt suddenly casting all confidence askew In moments of nervousness and fear when the ground is shaking and it feels as if the world might come crashing down sometimes people forget that earthquakes are in fact not sudden Nor do serious political movements arise in one fell swoop Nothing happens overnight The major turning points of history are seismic born of eons of slightly shifting geologic plates They do not emerge from nowhere They are born of deep unrest Book jacket **The People**

V. the Democratic Party Michael Walsh, 2012 Since the day Aaron Burr the sitting vice president of the United States shot and killed Alexander Hamilton one of the Founding Fathers the Democratic Party has been at war with America With a history that includes murder treason slavery segregation sedition bribery and systemic vote theft it can be argued that the Democrats are at root the anti American party In this incendiary Broadside a heartfeltj accuse Michael Walsh traces the illicit and immoral history of the Democrats from Burr and the founding of the quintessential big city political machine Tammany Hall to the by any means necessary Saul Alinsky inspired presidency of Barack Obama and his Windy City cronies The prosecutorial argument The Democrats in essence are nothing less than a criminal organization masquerading as a political party

The Black Panther Party The Dr. Huey P. Newton Foundation, 2010-03-28 The Black Panther Party represents Black Panther Party members coordinated responses over the last four decades to the failure of city state and federal bureaucrats to address the basic needs of their respective communities The Party pioneered free social service programs that are now in the mainstream of American life The Party s Sickle Cell Anemia Research Foundation operated with Oakland s Children s Hospital was among the nation s first such testing programs Its Free Breakfast Program served as a model for national programs Other initiatives included free clinics grocery giveaways school and education programs senior programs and legal aid programs Published here for the first time in book form The Black Panther Party makes the case that the programs methods are viable models for addressing the persistent basic social injustices and economic problems of today s American cities and suburbs

Party in the Street Michael T. Heaney, Fabio Rojas, 2015-02-02 Party in the Street explores the interaction between political parties and social movements in the United States Examining the collapse of the post 9 11 antiwar movement against the wars in Iraq and Afghanistan this book focuses on activism and protest in the United States It argues that the electoral success of the Democratic Party and President Barack Obama as well as antipathy toward President George W Bush played a greater role in this collapse than did changes in foreign policy It shows that how people identify with social movements and political parties matters a great deal and it considers the Tea Party and Occupy Wall Street as comparison cases

Women, Men, and Elections Rosalind Shorrock,2021-08-15 *Women Men and Elections* sheds new light on gendered political behaviour by analysing the relationship between policy supply and gender gaps in vote choice across elections in the United States Canada Australia New Zealand and multiple Western European countries Rosalind Shorrock argues that the electoral context and specifically policy supply are associated with the ways in which vote choice at election time is gendered Using data from the Comparative Study of Electoral Systems and the Comparative Manifesto Project Shorrock finds that the extent to which men and women differ in their vote choice is contingent on the policy choices that parties off er to voters Women and men respond to party policy positions in ways that are linked to both their gender and their socioeconomic position producing variation in gendered political behaviour across elections across countries and across subgroups in society *Women Men and Elections* offers a much needed fresh perspective on our understanding of political behaviour representation and party competition It serves as an excellent supplementary text for students and scholars of comparative politics gender and politics and political behaviour **Problems of Communism** ,1989 *Know Your Communist Enemy* United States. Directorate for Armed Forces Information and Education, *Going Home* Richard F. Fenno,2003-04 Thirty years ago there were nine African Americans in the U S House of Representatives Today there are four times that number In *Going Home* the dean of congressional studies Richard F Fenno explores what representation has meant and means today to black voters and to the politicians they have elected to office Fenno follows the careers of four black representatives Louis Stokes Barbara Jordan Chaka Fattah and Stephanie Tubbs Jones from their home districts to the halls of the Capitol He finds that while these politicians had different visions of how they should represent their districts in part based on their individual preferences and in part based on the history of black politics in America they shared crucial organizational and symbolic connections to their constituents These connections which draw on a sense of linked fates are ones that only black representatives can provide to black constituents His detailed portraits and incisive analyses will be important for anyone

interested in the workings of Congress or in black politics

Enjoying the Melody of Expression: An Mental Symphony within **Party People**

In a world eaten by screens and the ceaseless chatter of instantaneous connection, the melodic beauty and mental symphony developed by the written term frequently diminish in to the backdrop, eclipsed by the constant noise and interruptions that permeate our lives. However, nestled within the pages of **Party People** a wonderful fictional prize overflowing with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this interesting masterpiece conducts visitors on an emotional journey, skillfully unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of the touching assessment, we will explore the book is main harmonies, analyze its enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
