**Andrea Ceron**

## **Party Politics In Germany:**

**Party Politics in Germany** C. Lees, 2005-09-20 Party Politics in Germany is the only English language study of its kind and examines the phenomenon of party politics in the Federal Republic through comparison across time and space It draws upon new data from the 2002 Federal elections and recent Land elections as well as on a far more explicitly comparative literature than is generally found in single country studies The book not only sheds new light on political phenomena in Germany but also allows students of the comparative method to apply some of the key concepts models and approaches with which they are familiar to the rich context of a single country study

**Local Public Finance** René Geissler, Gerhard Hammerschmid, Christian Raffer, 2021 This book is based upon a comparative public administration research project initiated by the Hertie School of Governance Germany and the Bertelsmann Foundation Germany and supported by a network of researchers from many EU countries It analyzes both the regimes and the practices of local fiscal regulation in 21 European countries The book brings together key findings of this research project The regulatory discussion is not limited to the prominent issue of fiscal rules but focuses on every component of regulation Beyond this the book covers affiliated topics such as the impact of regulation for local governments evolution of regulation administrative costs and crisis prevention The various book chapters throughout provide a broad picture of local public finance regulation in theory and in practice using different theoretical and national lenses for the analysis Furthermore the authors investigate the effects of budgetary constraints and higher level regulatory efforts on local governments and on democracy and public services in every European country This book fills a gap with respect to the lack of discussion on local government finance from an international comparative perspective and in particular the regulation of local public finance With its mix of authors this book will be useful for practitioners as well as for scholars and for theory driven research

**Composing the Party Line** David G. Tompkins, 2013-10-15 This book examines the exercise of power in the Stalinist music world as well as the ways in which composers and ordinary people responded to it It presents a comparative inquiry into the relationship between music and politics in the German Democratic Republic and Poland from the aftermath of World War II through Stalin's death in 1953 concluding with the slow process of de Stalinization in the mid to late 1950s The author explores how the Communist parties in both countries expressed their attitudes to music of all kinds and how composers performers and audiences cooperated with resisted and negotiated these suggestions and demands Based on a deep analysis of the archival and contemporary published sources on state party and professional organizations concerned with musical life Tompkins argues that music as a significant part of cultural production in these countries played a key role in instituting and maintaining the regimes of East Central Europe As part of the Stalinist project to create and control a new socialist identity at the personal as well as collective level the ruling parties in East Germany and Poland sought to saturate public space through the production of music Politically effective ideas and symbols were introduced that furthered their attempts to in the parlance of the day

engineer the human soul Music also helped the Communist parties establish legitimacy Extensive state support for musical life encouraged musical elites and audiences to accept the dominant position and political missions of these regimes Party leaders invested considerable resources in the attempt to create an authorized musical language that would secure and maintain hegemony over the cultural and wider social worlds The responses of composers and audiences ran the gamut from enthusiasm to suspicion but indifference was not an option

Politics After Hitler Daniel E. Rogers,1995-03 How does a political system rebuild after a cataclysmic military defeat How can a society and its political infrastructure resurrects itself or in the case of Germany after World War II be resurrected in such a way as to ensure long term political stability Politics After Hitler is the first book to demonstrate the importance of America Britain and France in the development of party politics in Germany after 1945 In the wake of the war rightists of all descriptions Communists nationalists and founders of small splinter parties all came under intense and deliberate pressure from the Western occupying forces The occupiers arrived in Germany in 1945 without firm plans for reviving German politics and were forced to improvise by hastily constructing a licensing system for new parties The Allies then used their licensing powers to limit and steer party politics in desirable directions disempowering reactionary and hypernationalist forces diluting fears of a Communist revolution and preventing the political fragmentation that led to the collapse of the Weimar Republic a generation earlier Based on extensive archival research Politics After Hitler concludes that interference by the occupying forces made a stable and moderate party system in the FRG much more likely than has previously been assumed The Allied occupation of Germany was therefore a resounding success in helping move the German political system toward the stability it enjoys to the present day

**The Red-green Coalition in Germany** Charles Lees,2000 This text provides a perspective on the politics and personalities of post war Germany s most unstable and apparently unpredictable national government to date The author uses previously unpublished research into Red Green coalitions in the German Lander in order to understand more clearly the nature of the pressures acting upon Germany s first national coalition between the Social Democrats and the Greens Charles Lees argues that the Red Green coalition is best understood as part of an ongoing process of political co operation between two distinct and often antagonistic parties Grounded and introduced in the context of recent work on coalition theory and public policy analysis the book examines the trail of political trial and error that has led the two parties from the mutual suspicion of the early 1980s to being partners in national government today Drawing on the political history of Red Green coalitions in Germany the author explains why Chancellor Schroeder s 1998 election triumph provoked such excitement and why his government s subsequent political travails could have been predicted

**Party Politics in the New Germany** Geoffrey Roberts,1997-01-01 A comprehensive accessible and authoritative account of the party systems of modern Germany this book covers the period from 1945 to the present

German Social Democracy and the Rise of Nazism Donna Harsch,2000-11-09 German Social Democracy and the Rise of Nazism explores the failure of Germany s largest

political party to stave off the Nazi threat to the Weimar republic In 1928 members of the Social Democratic Party SPD were elected to the chancellorship and thousands of state and municipal offices But despite the party's apparent strengths in 1933 Social Democracy succumbed to Nazi power without a fight Previous scholarship has blamed this reversal of fortune on bureaucratic paralysis but in this revisionist evaluation Donna Harsch argues that the party's internal dynamics immobilized the SPD Harsch looks closely at Social Democratic ideology structure and political culture examining how each impinged upon the party's response to economic disaster parliamentary crisis and the Nazis She considers political and organizational interplay within the SPD as well as interaction between the party the Socialist trade unions and the republican defense league Conceding that lethargy and conservatism hampered the SPD Harsch focuses on strikingly inventive ideas put forward by various Social Democrats to address the republic's crisis She shows how the unresolved competition among these proposals blocked innovations that might have thwarted Nazism Originally published in 1993 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Parties And Politics In Modern Germany* Gerard Braunthal, 2019-06-18 This comprehensive text provides a detailed overview of the party system and politics of one of the most powerful states in the international arena Noted scholar Gerard Braunthal surveys the parties in the Federal Republic of Germany and in the German Democratic Republic after World War II and in united Germany since 1990 By illustrating the cent German Social Democracy, 1905-1917 Carl E. Schorske, 1955 No political parties of present day Germany are separated by a wider gulf than the two parties of labor one democratic and reformist the other totalitarian and socialist revolutionary Social Democrats and Communists today face each other as bitter political enemies across the front lines of the Cold War yet they share a common origin in the Social Democratic Party of Imperial Germany How did they come to go separate ways By what process did the old party break apart How did the prewar party prepare the ground for the dissolution of the labor movement in World War I and for the subsequent extension of Leninism into Germany To answer these questions is the purpose of Carl Schorske's study **The Totalitarian Party** Aryeh L. Unger, 1974-12-05 Originally published in 1974 this book deals with the role of the totalitarian party in relation to the people under its rule Drawing upon a wide range of published and unpublished sources from the two foremost examples of totalitarian government in the twentieth century the book examines the specific contribution of the party to the control and mobilization of people under totalitarianism of the Right and Left Dr Unger begins by setting out the doctrinal assumptions that shaped and legitimated the attitudes of the Nazi and Soviet parties to the broad mass of the people Against this background he then traces the Nazi and Soviet approaches to propaganda and organization and describes and analyses the interaction of these two primary ingredients of totalitarian voluntary compulsion in the realms of political agitation leisure and ritual and social welfare

Although the importance of the party as a principal instrument of totalitarian government was widely recognized this was the first comparative study of the functions of such parties in an area in which totalitarian regimes impinge directly upon the lives of their subjects     Politics in Germany Russell J. Dalton,1993     **Multi-Level Party Politics in Western Europe** K. Detterbeck,2012-05-29 A study of territorial dynamics within party organizations in multi layered systems This book contributes to a new approach in party research which acknowledges the importance of multi layered institutional framing It includes an analysis of vertical linkages and sub state autonomy in Austrian Belgian British German and Spanish parties

**The Politics of the Nazi Past in Germany and Austria** David Art,2005-12-19 This book argues that Germans and Austrians have dealt with the Nazi past very differently and these differences have had important consequences for political culture and partisan politics in the two countries Drawing on different literatures in political science Art builds a framework for understanding how public deliberation transforms the political environment in which it occurs The book analyzes how public debates about the lessons of history created a culture of contrition in Germany that prevented a resurgent far right from consolidating itself in German politics after unification By contrast public debates in Austria nourished a culture of victimization that provided a hospitable environment for the rise of right wing populism The argument is supported by evidence from nearly two hundred semi structured interviews and an analysis of the German and Austrian print media over a twenty year period     **Radical Right Populism in Germany** Ralf Havertz,2021-03-30 This book provides a comprehensive analysis of radical right populism in Germany It gives an overview of historical developments of the phenomenon and its current appearance It examines three of the main far right organizations in Germany the radical right populist party AfD Alternative for Germany Pegida Patriotic Europeans against the Islamification of the Occident and the Identitarian Movement The book investigates the positions of these groups as expressed in programmes publications and statements of party leaders and movement activists It explores their history ideologies strategies and their main activists and representatives as well as the overlap between the groups The ideological positions examined include populism nativism authoritarianism volkish nationalism ethnopluralism xenophobia Islamophobia antisemitism antifeminism and Euroscepticism The analysis shows that these ideological features are sometimes strategically interlinked for effect and used to justify specific political demands such as the stronger regulation of immigration and the exclusion of Muslims This much needed volume will be of particular interest to students and researchers of German politics populism social movements party politics and right wing extremism

*European Party Politics in Times of Crisis* Swen Hutter,Hanspeter Kriesi,2019-06-27 A study of party competition in Europe since 2008 aids understanding of the recent often dramatic changes taking place in European politics     **We are the People** Penny Bochum,2020-08-15 Recent years have seen a surge of populism across the Western world exposing the vulnerabilities of liberal democracy and driving the international political agenda to the right In Germany in 2017 the recently founded far right populist party the Alternative for Germany AfD swept into the Bundestag claiming to be the voice

of the people against a corrupt liberal elite and overturning the delicate postwar political consensus in Germany We are the People analyzes the sudden growth and radicalization of the AfD from its Euroskeptic beginnings in 2013 to its increasing extremism Penny Bochum shows us how the leaders use of inflammatory xenophobic and even Nazi era language mirrors that of emerging far right forces across much of the Western world At the same time through a lucid examination of the group s ideology Bochum shows how their brand of populism is distinct and based on German experiences and history

*The Lander and German Federalism* Arthur Gunlicks,2003-11-22 This book provides a detailed introduction to how the Lander the 16 states of Germany function not only within the country itself but also within the wider context of European political affairs Some knowledge of the role of the Lander is essential to an understanding of the political system as well as of German federalism This book traces the origin of the Lander It looks at their place in the constitutional order of the country and the political and administrative system Their organization and administration are fully covered as is their financing Parties and elections in the Lander and the controversial roles of parliaments and deputies are also examined [Selling the Economic Miracle](#) Mark E. Spicka,2007 Through an examination of election campaign propaganda and various public relations campaigns reflecting new electioneering techniques borrowed from the United States this work explores how conservative political and economic groups sought to construct and sell a political meaning of the Social Market Economy and the Economic Miracle in West Germany during the 1950s The political meaning of economics contributed to conservative electoral success constructed a new belief in the free market economy within West German society and provided legitimacy and political stability for the new Federal Republic of Germany *Leaders, Factions and the Game of Intra-Party Politics* Andrea Ceron,2019-04-17 The book provides a comprehensive view on the internal life of parties and investigates the dynamics of intra party politics in different party environments to explain in which circumstances the party leader is more or less bound by the wills of party factions Analyzing almost 500 intra party documents from Italy Germany and France it presents a theory of intra party politics that illuminates internal decision making processes and sheds light on the outcomes of factional conflicts on the allocation of payoffs within the party on the risk of a party split and on the survival of the party leader Using text analysis the results show that consensual dynamics can allow to preserve party unity and that directly elected leaders can exploit their larger autonomy either to reward followers or to prevent splits This text will be of key interest to scholars and students of Party Politics Political Institutions European Politics and more broadly to Comparative Politics Political Theory and Text Analysis [The Origins of Christian Democracy](#) Maria Mitchell,2012-10-04 A pioneering exploration of the origins of German Christian Democracy in the context of 19th and 20th century politics and religion

### Party Politics In Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download Party Politics In Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Party Politics In Germany has opened up a world of possibilities. Downloading Party Politics In Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Party Politics In Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Party Politics In Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Party Politics In Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Party Politics In Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Party Politics In Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Party Politics In Germany Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Politics In Germany is one of the best book in our library for free trial. We provide copy of Party Politics In Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Politics In Germany. Where to download Party Politics In Germany online for free? Are you looking for Party Politics In Germany PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Party Politics In Germany. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Party Politics In Germany are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Party Politics In Germany. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Party Politics In Germany To get started finding Party Politics In Germany, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Party Politics In Germany So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank

you for reading Party Politics In Germany. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Party Politics In Germany, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Party Politics In Germany is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Party Politics In Germany is universally compatible with any devices to read.
