**Come Fly the World** Julia Cooke,2021-04-08 Chosen as a May 2021 pick for The Fearless Book Club by Nobel Peace Prize Winner Malala Yousafzai Travel writer Julia Cooke s exhilarating portrait of Pan Am stewardesses in the Mad Men era Glamour danger liberation in the Jet Age Pan Am offered young women the world Come Fly the World tells the story of the stewardesses who served on the iconic Pan American Airways between 1966 and 1975 and of the unseen diplomatic role they played on the world stage Alongside the glamour was real danger as they flew soldiers to and from Vietnam and staffed Operation Babylift the dramatic evacuation of 2 000 children during the fall of Saigon Cooke s storytelling weaves together the true stories of women like Lynne Totten a science major who decided life in a lab was not for her to Hazel Bowie one of the relatively few African American stewardesses of the era as they embraced the liberation of a jet set life In the process Cooke shows how the sexualized coffee tea or me stereotype was at odds with the importance of what they did and with the freedom power and sisterhood they achieved *The Great Stewardess Rebellion* Nell McShane Wulfhart,2022-04-19 The empowering true story of a group of spirited stewardesses who stood up to huge corporations and won creating momentous change for all working women Gloria Steinem co founder of Ms magazine It was the Golden Age of Travel and everyone wanted in As flying boomed in the 1960s women from across the United States applied for jobs as stewardesses They were drawn to the promise of glamorous jet setting the chance to see the world and an alternative to traditional occupations like homemaking nursing and teaching But as the number of stews grew so did their suspicion that the job was not as picture perfect as the ads would have them believe Sky girls had to adhere to strict weight limits at all times gain a few extra pounds and they d be suspended from work They couldn t marry or have children their makeup hair and teeth had to be just so Girdles were mandatory while stewardesses were on the clock And most important stewardesses had to resign at 32 Eventually the stewardesses began to push back and it s thanks to their trailblazing efforts in part that working women have gotten closer to workplace equality today Nell McShane Wulfhart crafts a rousing narrative of female empowerment the paradigm shifting 60s and 70s the labor movement and the cadre of gutsy women who fought for their rights and won

### **The Rhetoric of Emotions** Robert

Perinbanayagam,2017-07-05 Kenneth Burke founder of the critical method of dramatism believed that motives and attitudes are constantly generated by individuals as they encounter social situations and material objects in the course of their everyday lives In *The Rhetoric of Emotions* Robert Perinbanayagam proposes that by analysing individuals experiences especially through their interaction with creative outlets we can come to a deeper understanding of how the human mind systematically approaches the emotive process The author maintains that individuals use spoken language and all other forms of symbolism including art and literature to elicit social cooperation and emotional understanding both in regard to the world around them and within themselves Rhetoric and culture are mechanisms for managing values behaviour and emotions In order to ground this philosophical viewpoint Perinbanayagam strategically discusses famous novels and paintings to show how individuals construct emotional responses to the rhetorical objects at their disposal In addition to the ideas of Burke and George Herbert Mead the ideas of Max Weber Georg Simmel Charles Sanders Peirce Edmund Husserl Alfred Schutz and Erving Goffman are also reflected in this provocative analysis
