The Dinner Party Brenda Janowitz,2016-04-12 In Brenda Janowitz s The Dinner Party long forgotten memories come to the surface Old grievances play out And Sylvia Gold has to learn how to let her family go This Passover Seder is not just any Passover Seder Yes there will be a quick service and then a festive meal afterwards but this night is different from all other nights This will be the night the Golds of Greenwich meet the Rothschilds of New York City The Rothschilds are the stuff of legends They control banks own vineyards in Napa diamond mines in Africa and even an organic farm somewhere in the Midwest that produces the most popular Romaine lettuce consumed in this country And now Sylvia Gold s daughter is dating one of them When Sylvia finds out that her youngest of three is going to bring her new boyfriend to the Seder she s giddy When she finds out that his parents are coming too she darn near faints Making a good impression is all she thinks about Well almost She still has to consider her other daughter Sarah who ll be coming with her less than appropriate beau and his overly dramatic Italian mother But the drama won t stop there Because despite the food and the wine despite the new linen and the fresh flowers the holidays are about family
