

Party Discipline

- The following are common attributes mentioned by supporters of the two systems based on party discipline:
- Advantages of weaker party discipline in presidential systems:
 - Relations between individual members and constituents tend to be stronger.
 - The President and individual members are directly accountable to the voters.
 - In deeply divided societies, some theorists argue that the parliamentary system can lead to one party controlling the state and locking other ethnic or regional groups out of power.

Party Discipline And Parliamentary Government

Daniela Giannetti, Kenneth Benoit

Party Discipline And Parliamentary Government:

Party Discipline and Parliamentary Government Shaun Bowler, David M. Farrell, Richard S. Katz, 1999 Brings together empirical studies of the internal cohesiveness of political party groups in European parliaments and the leadership behavior that leads to disciplined parties in parliament in sections on theories and definitions the Westminster Model established continental European systems newly emerging systems and parliamentary discipline and coalition governments Chapters originated as papers presented at a spring 1995 workshop held in Bordeaux France Annotation copyrighted by Book News Inc Portland OR Party Discipline and Parliamentary Politics Christopher J. Kam, 2009-03-26 This text examines the interaction and contention between party leaders and MPs to study the underlying structure of party unity

The Oxford Handbook of Legislative Studies Shane Martin, Thomas Saalfeld, Kaare Strøm, 2014 Legislatures are arguably the most important political institution in modern democracies The Oxford Handbook of Legislative Studies written by some of the most distinguished legislative scholars in political science provides a comprehensive and up to date description and critical assessment of the state of the art in this key area Presidentialism, Parliamentarism, and Democracy Jose Antonio Cheibub, 2006-11-20 This book addresses the following question why are presidential democracies more likely to break down than parliamentary ones Conventional wisdom among political scientists points to the incentives generated by the form of government itself the independence of the executive and legislature that defines presidentialism generates incentives that are not conducive to the consolidation of democracy On the basis of a data set that covers all democracies between 1946 and 2002 this book demonstrates that this is not the case the incentives generated by presidentialism are as conducive to the consolidation of democracy as the ones generated by parliamentarism The book argues that what kills presidentialism is the fact that it exists in countries where democracies of any type are not likely to survive This book will be of interest to academic researchers graduates and advanced undergraduates enrolled in courses on comparative politics and political economy *Intra-Party Politics and Coalition Governments* Daniela Giannetti, Kenneth Benoit, 2008-10-27 This book explores how intra party politics affects government formation and termination in parliamentary systems where the norm is the formation of coalition governments The authors look beyond party cohesion and discipline in parliamentary democracies to take a broader view assuming a diversity of preferences among party members and then exploring the incentives that give rise to coordinated party behaviour at the electoral legislative and executive levels The chapters in this book share a common analytical framework confronting theoretical models of government formation with empirical data some drawn from cross national analyses and others from theoretically structured case studies A distinctive feature of the book is that it explores the impact of intra party politics at different levels of government national local and EU This offers the opportunity to investigate existing theories of coalition formation in new political settings Finally the book offers a range of innovative methods for investigating intra party politics which for example creates a need to estimate the

policy positions of individual politicians inside political parties This book will be of interest to political scientists especially scholars involved in research on political parties parliamentary systems coalition formation and legislative behaviour multilevel governance European and EU politics

Party Discipline in the U.S. House of Representatives Kathryn Pearson, 2015-08-06 A breakthrough study that looks at the disciplinary measures which party leaders employ to command loyalty from members

Constitutional Conventions in Westminster Systems Brian Galligan, Scott Brenton, 2015-08-04 Constitutional conventions precede law and make law making possible but attempting to define them is politically risky yet increasingly necessary

Legislative Voting and Accountability John M. Carey, 2008-12-15 Legislatures are the core representative institutions in modern democracies Citizens want legislatures to be decisive and they want accountability but they are frequently disillusioned with the representation legislators deliver Political parties can provide decisiveness in legislatures and they may provide collective accountability but citizens and political reformers frequently demand another type of accountability from legislators at the individual level Can legislatures provide both kinds of accountability This book considers what collective and individual accountability require and provides the most extensive cross national analysis of legislative voting undertaken to date It illustrates the balance between individualistic and collective representation in democracies and how party unity in legislative voting shapes that balance In addition to quantitative analysis of voting patterns the book draws on extensive field and archival research to provide an extensive assessment of legislative transparency throughout the Americas

Party Governance and Party Democracy Wolfgang C. Müller, Hanne Marthe Narud, 2013-05-15 Given the centrality of political parties in modern democracies most research on these systems either directly address their internal functioning and activities or question their critical role Political science has moved from describing institutions to the thorough analysis of behavior within these institutions and the interactions between them The inevitable consequences of the maturing and institutionalization of the discipline of political science in many countries include the forming of sub fields and specialized research communities At the same time the number of democracies has vastly increased since the 1980s and although not each attempt at democratization was eventually successful more heterogeneous systems with some form of party competition exist than ever before As a consequence the literature addressing the large issues of party democracy spreads over many research fields and has become difficult to master for individual students of party democracy and party governance The present volume sets out to review the behavior and larger role of political parties in modern democracies In so doing the book takes its departure from the idea that the main contribution of political parties to the working of democracy is their role as vehicles of political competition in systems of government Consequently the focus is not merely in the internal functioning of political parties but rather their behavior the electoral legislative and governmental arenas Thus several chapters address how political parties perform within the existing institutional frameworks One more chapter looks at the role of political parties in building and adapting these institutions

Finally two chapters explicitly address the party contributions to democracy in established and new democracies respectively

The Politics of Parliamentary Debate Sven-Oliver Proksch, Jonathan B. Slapin, 2015 This book explains how parties and their members of parliament structure parliamentary debate providing novel insights into intra party politics and representation *How to Be a Government Whip* Helen Jones, 2016-04-18 One of the most misunderstood and oft

caricatured jobs in British politics whips are the unseen unsung heroes of the parliamentary system without whom governments would doubtless crumble and legislative business would almost certainly grind to a halt Whips are shrouded in mystery however often portrayed in the media and by colleagues as a brutish bullying bunch of thugs with a reputation for using blackmail and torture to achieve party discipline and get legislation through the House *How to Be a Government Whip* is a frank and light hearted guide to the forgotten engine room of Parliament perfect for those who aspire to be amongst their ranks as well as those just hoping to avoid them From the mind numbing tedium of debates to the dark arts of dealing with rebellious or disaffected members of their flock former whip Helen Jones reveals how they really get business done and what they say about their colleagues behind the closed door of the Whips Office *The Parliamentary Mandate* Marc van der Hulst, 2000 Undersøgelser af parlamentsmandatet baseret på svar på IPU spørgeskema fra 134 parlenter Svarene er sammenlignet systematisk med de respektive forfatninger lovgivning og parlamentsforretningsordener *Crosscurrents 1* Mark Charlton, Paul Barker, 1991

Congressional Government Woodrow Wilson, 1901 Parliament and Democracy in the Twenty-first Century David Beetham, 2006 Political Parties and Legislative Party Switching W. Heller, C. Mershon, 2009-06-22 Political parties and democratic politics go hand in hand Since parties matter it matters too when elected politicians change party affiliation This book shows why when and to what effect politicians switch parties in pursuit of their goals as constrained by institutions and in response to their environments *How Parties Organize* Richard S Katz, Peter Mair, 1994 This book takes a close look inside political parties bringing together the findings of an international team of leading scholars Building on a unique set of cross national data on party organizations the contributors set out to explain how parties organize how they have changed and how they have adapted to the changing political and organizational circumstances in which they find themselves The contributors are recognized authorities on the party systems of their countries and have all been involved in gathering data on party membership party finance and the internal structure of power They add to the analysis of these original data an expert knowledge of the wider political patterns in their countries and thus p

From Party Politics to Personalized Politics? Gideon Rahat, Ofer Kenig, 2018-06-13 What do Beppe Grillo Silvio Berlusconi Emmanuel Macron and also Donald Trump have in common They are prime examples of the personalization of politics and the decline of political parties This volume systematically examines these two prominent developments in contemporary democratic politics and the relationship between them It presents a cross national comparative comparison that covers around 50 years in 26 democracies through the use of more than 20 indicators It offers the most comprehensive

comparative cross national estimation of the variance in the levels and patterns of party change and political personalization among countries to date using existing works as well injecting fresh cross national comparative data In the case of party change it offers an analysis that extends beyond the dichotomous debate of party decline versus party adaptation In the matter of political personalization the emphasis on variance helps in bridging between the high theoretical expectations and disappointing empirical findings As for the theoretically sound linkage between the two phenomena not only is this the first study to comprise a comprehensive cross national examination but it also proposes a more nuanced understanding of this relationship Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu The series is edited by Emilie van Haute Professor of Political Science Universit libre de Bruxelles Ferdinand M ller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow John and Rebecca Moores Professor of Political Science University of Houston Electoral System Design Andrew Reynolds,Ben Reilly,Andrew Ellis,2005 Publisher Description

Embracing the Song of Phrase: An Mental Symphony within **Party Discipline And Parliamentary Government**

In a global eaten by screens and the ceaseless chatter of instantaneous conversation, the melodic beauty and mental symphony created by the written word usually diminish in to the backdrop, eclipsed by the constant sound and disturbances that permeate our lives. But, nestled within the pages of **Party Discipline And Parliamentary Government** a marvelous fictional value overflowing with raw feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, this captivating masterpiece conducts viewers on an emotional journey, well unraveling the hidden tunes and profound influence resonating within each carefully crafted phrase. Within the depths of this emotional evaluation, we shall explore the book is main harmonies, analyze its enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Party Discipline And Parliamentary Government Introduction

In today's digital age, the availability of Party Discipline And Parliamentary Government books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Party Discipline And Parliamentary Government books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Party Discipline And Parliamentary Government books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Party Discipline And Parliamentary Government versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Party Discipline And Parliamentary Government books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Party Discipline And Parliamentary Government books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Party

Discipline And Parliamentary Government books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Party Discipline And Parliamentary Government books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Party Discipline And Parliamentary Government books and manuals for download and embark on your journey of knowledge?

FAQs About Party Discipline And Parliamentary Government Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Discipline And Parliamentary Government is one of the best book in our library for free trial. We provide copy of Party Discipline And Parliamentary Government in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Discipline And Parliamentary Government. Where to download Party Discipline And Parliamentary Government online for

free? Are you looking for Party Discipline And Parliamentary Government PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Party Discipline And Parliamentary Government. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Party Discipline And Parliamentary Government are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Party Discipline And Parliamentary Government. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Party Discipline And Parliamentary Government To get started finding Party Discipline And Parliamentary Government, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Party Discipline And Parliamentary Government So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Party Discipline And Parliamentary Government. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Party Discipline And Parliamentary Government, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Party Discipline And Parliamentary Government is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.
