Party Formation In Eastcentral Europe

Ingrid van Biezen

Party Formation In Eastcentral Europe:

Party Structure and Organization in East-Central Europe Paul G. Lewis, 1996-01-01 this volume represents one of the best works written to date on party organizational development in east central Europe and is essential reading for all political scientists interested in party politics in postcommunist systems John T Ishiyama Slavonic Review *Party Structure and Organization in East Central Europe* focuses on the origin and development of new political parties within different countries in East Central Europe The book has a clear focus on party structure and organization It is one of the first books to present empirical studies of the development of political parties in Eastern Europe Whilst making a distinctive contribution it also feeds into the broader debate about party development and links with other issues of political theory [Party Formation in East--Central Europe](#) Gordon Wightman, 1995 a welcome addition to our stock of knowledge regarding the process of democratization the real value of the book lies in the empirical details and occasional suggestive comparisons rather than in a consistently convincing conceptual rendering of the opening pages of the new chapter in East Central European history Frank A Kunz Canadian Journal of Political Science *Party Formation in East Central Europe* is an excellent book It is encouraging that many of the articles were written by scholars who are of Eastern European origins and live in the area Ann Griffiths International Insights *Party Formation in East Central Europe* is one of the first books to present detailed studies of politics in Czechoslovakia Hungary Poland and Bulgaria during the initial three years of post communist rule [Party Systems in East Central Europe](#) Herbert Kitschelt, 1995 [Political Parties in New Democracies](#) Ingrid van Biezen, 2003-07-01 Ingrid van Biezen provides a comprehensive comparative analysis of party formation and organizational development in recently established democracies She focuses on four democracies in Southern and East Central Europe and addresses political parties from a cross regional perspective Featuring a wealth of new information on party organization this book provides a valuable theoretical and empirical contribution to our understanding of political parties in both old and new democracies *Party Systems in East Central Europe* Ladislav Cabada, Vít Hloušek, Petr Jurek, 2014-01-23 *Party Systems in East Central Europe* analyzes the formation of political parties in the nations of this region In the first part the authors concentrate on the key periods and turning points in this development connecting them with the democratization of the countries in the region in the last third of the nineteenth century This includes a look at the period before World War I between the wars and particularly in the times after the fall of the communist regimes The analysis focuses chiefly on the ideological background that gave way to the rise of political parties in the region In relation to this the authors base their writing mainly on the socio political theory of Stein Rokkan The second part of the book is a political analysis of the key aspects related to party politics First the authors examine the ties of political parties to broad social processes using the classic theories of Giovanni Sartori and Stein Rokkan Next they continue with the analysis of the operation of parties within governments with a special focus on the creation of coalition governments functioning of coalitions and coalition governance

Last some defects are reflected upon as well as unfinished processes related to the fast establishment of political parties in the region e.g. absence of firm links with social groups, high volatility, instability of parties etc.

Parties, Trade Unions and Society in East-Central Europe Michael Waller, Martin Myant, 2022-12-30 Originally published in 1994 this volume analyses the relationship between political parties and trade unions in Poland, the Czech Republic, Slovakia, Hungary and Bulgaria. Political parties had high visibility in the changes that took place in Eastern Europe during the 1980s and early 1990s. Far less visible were the developments in the trade union sphere where the old mass organizations of the communist period, now independent, were joined by newly formed organizations and both played a central role in politics.

Exploring Party Switching in East-Central European Legislatures Andrzej Antoszewski, Przemysław Żukiewicz, 2024-09-06 This book challenges the approach of relying on election outcomes to analyse party systems, contending that changes can be also identified and documented beyond the scope of parliamentary elections through legislative party switching. It argues that significant party system changes occur often within parliamentary terms and legislative party switching is not a pathological feature of democracy but rather an integral component of democratic party systems. Offering a comprehensive and specific theoretical framework for party switching and based on a novel and exhaustive database from Czech Republic, Lithuania and Poland, this book examines the determinants for and implications of legislative party switching in Central and Eastern Europe. This book will be of key interest to scholars and students of legislative studies, party politics, Central and East European politics and more broadly comparative politics and government. The Open Access version of this book is available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY-NC-ND 4.0 license. The Consolidation of Democracy in East-Central Europe Karen Dawisha, Bruce Parrott, 1997-06-13 Edited by two of the world's leading analysts of post-communist politics, this book brings together distinguished specialists on the Baltic states, Estonia, Latvia and Lithuania, Poland, the Czech Republic, Slovakia and Hungary. The authors analyse the patterns of post-communist democratization in these countries, paying particular attention to the process of party formation, electoral politics, the growth of civil society and the impact of economic reform on the emergence of interest groups. Karen Dawisha and Bruce Parrott provide theoretical and comparative chapters on post-communist political development across the region. This book will provide students and scholars with detailed analysis by leading authorities plus the latest research data on recent political and economic developments in each country.

East Central Europe in the Modern World Andrew C. Janos, 2000 A study of East Central Europe and its place in the modern world. Combining narrative with analysis, it presents the past and present of East Central Europe in the larger context of the political and economic history of the continent.

The Oxford Handbook of Populism Cristóbal Rovira Kaltwasser, Paul A. Taggart, Paulina Ochoa Espejo, Pierre Ostiguy, 2017-11-09

Populist forces are becoming increasingly relevant across the world and studies on populism have entered the mainstream of the political science discipline. However so far no book has synthesized the ongoing debate on how to study the populist phenomenon. This handbook provides state of the art research and scholarship on populism and lays out not only the cumulated knowledge on populism but also the ongoing discussions and research gaps on this topic. The Oxford Handbook of Populism is divided into four sections. The first presents the main conceptual approaches on populism and points out how the phenomenon in question can be empirically analyzed. The second focuses on populist forces across the world and includes chapters on Africa, Australia and New Zealand, Central and Eastern Europe, East Asia, India, Latin America, the Post Soviet States, the United States and Western Europe. The third reflects on the interaction between populism and various relevant issues both from a scholarly and political point of view. Amongst other issues, chapters analyze the relationship between populism and fascism, foreign policy, gender, nationalism, political parties, religion, social movements and technocracy. Finally, the fourth part includes some of the most recent normative debates on populism, including chapters on populism and cosmopolitanism, constitutionalism, hegemony, the history of popular sovereignty, the idea of the people and socialism. The handbook features contributions from leading experts in the field and is indispensable positioning the study of populism in political science.

The Communist Successor Parties of Central and Eastern Europe Andras Bozoki, John T. Ishiyama, 2020-07-24. What has become of the Communist parties that once held monopoly power in the east bloc? A decade ago it was assumed that they would dissolve but many of them have enjoyed electoral success. This book systematically examines how they have evolved. In the opening section, Herbert Kitschelt and Ivan Szelenyi respectively consider post communist party strategies and social democratic prospects in the transitional societies. Part II presents nine case studies of the major communist and communist successor parties of the region and Part III is devoted to seven comparative studies. Appendices provide comparable electoral and party membership data.

Pan-European Perspectives on Party Politics Paul Lewis, Paul Webb, 2021-10-01. In this book an international team of specialists reflects more than a dozen years after the fall of the Berlin Wall on the implications of that momentous conjuncture for the study of party politics in Europe. In particular the authors and editors seek to address two inter connected questions: To what extent is there evidence of convergence in patterns of party politics across Eastern and Western Europe? And how far has the theory of parties and party systems coped with the emergence of democratic politics in Eastern Europe? In a wideranging and stimulating set of essays these issues are confronted in respect of themes such as the impact of institutional contexts like electoral systems and presidentialism, the evolving nature of cleavage structures, party organizational developments and intra party factionalism. This book will make a significant addition to any course reading list on comparative and party politics.

Political Elites in East Central Europe Nicole Gallina, 2008-10-29. This monograph is a major survey of East Central European ECE political elites and concentrates on Czech Republic, Slovakia, Hungary and Poland. It is grounded within classic elite theory slightly adapted to ECE necessities.

More practically the book examines political elite composition and identifies political elite fragmentation in ECE The author questions that East Central European political elites have incorporated democratic values and conduct The main argument is that there is a significant gap between the formal democratic ECE institutions and political elite behaviour This gap has different dimensions which are relevant at the domestic level and also cause problems at the EU level Ultimately the political elite institution gap questions democratic political achievements after 1989 In providing a major analysis of ECE political elite structure and conduct the book points to the most urgent challenges of ECE political systems the reform of the political elite From the content The Importance of Analysing ECE Elites Forms of Political Elite Formation and Activity Political Elite Fragmentation in ECE Elite Formation and Reproduction in East Central Europe Patterns of Political Elite Behaviour Influencing Political Elite Behaviour Institutional Change after 1989 The Relationship between Europeanisation and Euroscepticism Elite Systems in East Central Europe Case Studies Poland Czech Republic Slovakia Hungary Implications of Elite Attitudes for Europeanisation Political Elites Incapable Europeanisers Political Parties in Post-Communist Eastern Europe Paul Lewis,2002-01-04 Political Parties in Post Communist Eastern Europe is the first textbook to survey the course of party developments in eastern Europe as a whole in the post Communist period This book relates the specifics of the post communist situation to the broader picture of the early stages of party development in western Europe and also to contemporary models of party organisation in established democracies The book includes a brief historical introduction to the context of post communist change the process of competitive party formation and democratic elections the development of independent parties their ideologies and electoral volatility the structure and level of organisation developed by new parties an analysis of stable party systems which have emerged in eastern Europe and the contribution they make to emerging democracies in the region Party Politics in Post Communist Eastern Europe will be a comprehensive and invaluable resource accessible to undergraduates of politics and European studies as well as the non specialist reader Handbook of Party Politics Richard S Katz,William J Crotty,2006-01-26 The Handbook of Party Politics is the first book to comprehensively map the state of the art in contemporary party politics scholarship This major new work brings together the world s leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today *Central and Eastern Europe in Transition* Frank H. Columbus,1998 This is part of a two volume set presenting current analyses of political and economic developments and trends in central and Eastern Europe In this volume emphasis is on social and political developments Coverage includes parties and party systems in Eastern Europe Central European moralist diplomacy the emergence of the Hungarian party system educational reconstruction and xenophobic attitudes towards migrants and ethnic minorities in the region Annotation copyrighted by Book News Inc Portland OR **Political Science Abstracts** ,2012-12-06 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first

published in 1967 All back issues are still available

Institutional Design in Post-Communist Societies Jon

Elster, Claus Offe, Ulrich K. Preuss, 1998-03-28 The authors of this book have developed a new and stimulating approach to the analysis of the transitions of Bulgaria the Czech Republic Hungary and Slovakia to democracy and a market economy They integrate interdisciplinary theoretical work with elaborate empirical data on some of the most challenging events of the twentieth century Three groups of phenomena and their causal interconnection are explored the material legacies constraints habits and cognitive frameworks inherited from the past the erratic configuration of new actors and new spaces for action and a new institutional order under which agency is institutionalized and the sustainability of institutions is achieved The book studies the interrelations of national identities economic interests and political institutions with the transformation process concentrating on issues of constitution making democratic infrastructure the market economy and social policy

Party Development and Democratic Change in Post-communist Europe Paul G. Lewis, 2024-02-02 This work surveys processes of party development in the context of the ten years of democratic change in post communist eastern Europe It examines the capacity of the former ruling parties to attract contemporary voters and their role in contributing to the consolidation of the new democratic regimes

Party Organization and Electoral Volatility in Central and Eastern

Europe Sergiu Gherghina, 2014-10-17 Political parties in post communist countries have very high levels of electoral volatility In these environments political factions fail to establish long term connections with the electorate and thus regularly rise and fall from the political arena This book provides an organizational explanation for the variations in party level electoral volatility It looks comparatively at 29 political parties in six Central and Eastern European democracies between 1990 and 2008 to examine how political parties can influence their electoral environment Using empirical evidence Gherghina tests the effect of candidate selection procedures membership organizations and re nomination of incumbent MPs on voters loyalty and in doing so demonstrates how party organization greatly affects electoral stability Including case studies from Bulgaria Czech Republic Hungary Poland Romania and Slovakia this book will be of interest to students and scholars of comparative politics party politics democratization elections and Central and Eastern European politics

Party Formation In Eastcentral Europe Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Party Formation In Eastcentral Europe free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Party Formation In Eastcentral Europe free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Party Formation In Eastcentral Europe free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Party Formation In Eastcentral Europe. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Party Formation In Eastcentral Europe any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Party Formation In Eastcentral Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Formation In Eastcentral Europe is one of the best book in our library for free trial. We provide copy of Party Formation In Eastcentral Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Formation In Eastcentral Europe. Where to download Party Formation In Eastcentral Europe online for free? Are you looking for Party Formation In Eastcentral Europe PDF? This is definitely going to save you time and cash in something you should think about.
