Major Political Parties in Germany

Christian Democrats (CPD)

- centre-right
- electorally most successful
- founded in 1945 by a coalition of anti-Nazi groups and conservatives
- Pro-market, socially conservative policies

Free Democrats (FDP)

- socially very liberal
- economically, right of CPD
- founded in 1948

Social Democrats (SPD)

- oldest and second-largest party
- founded in 1863, once was Marxist-influenced
- now, centre ground
- socially liberal policies, greater environment regulation, protection of workers

Die Linke

- founded in 2007 by left-wing dissidents of SPD
- left-wing party

Greens

- peace and pro-renewable policies

Alternative for Germany (AFD)

- right-wing nationalist party
- considered highly controversial
- anti-immigration and anti-Islam positions

Party Government And Political Culture In Western Germany

John Kingdom

Party Government And Political Culture In Western Germany:

Party Government and Political Culture in Western Germany H. Doring,G. Smith,1982-03-04 *The Postwar Transformation of Germany* John Shannon Brady,Beverly Crawford,Sarah Elise Wiliarty,2010-08-04 As Germany celebrates the fiftieth anniversary of the founding of the Federal Republic of Germany the former West Germany leading scholars take stock in this volume of the political social and economic progress Germany made as it built a democratic political system and a powerful economy survived the Cold War and dealt with the challenges of reunification The contributors address issues such as Germany s response to extremists the development of a professional civil service judicial review the maintenance of the welfare state the nature of contemporary German nationalism and Germany s role in the world Contributors are Thomas Banchoff Thomas U Berger Patricia Davis Ernst Haas Jost Halfmann Christard Hoffmann Carl Lugwig Holtfrerich Donald P Kommers Wolfgang Krieger Peter Krueger Gregg O Kvistad Ludger Lindlar Charles Maier Andrei Markovitz Peter Merkl Claus Offe Simon Reich and Michaela Richter John S Brady and Sarah Elise Wiliarty are doctoral candidates in the Department of Political Science University of California Berkeley Beverly Crawford is Professor of Political Science Senior Lecturer in Political Economy of Industrial Societies and Associate Director Center for German and European Studies University of California Berkeley **The Currency of Socialism** Jonathan R. Zatlin,2007-03-05 This book explores the East German attempt to create a perfect society by eliminating money and explains the reasons for its failure *Parties, Opposition and Society in West Germany (RLE: German Politics)* Eva Kolinsky,2018-10-24 In this volume originally published in 1984 the author examines the social composition of the electorate of membership and leadership of West German political parties as well as their representation and finances Kolinsky argues that while affiliation and electorates remained distinct the social composition of party organisations became narrower and more uniform The book examines how the parties became alienated from contemporary West German society and discusses the difficulties experienced by opposition parties in trying to develop alternative strategies in particular those of the Green Party **Politics, Policy and the European Recession** Andrew Cox,1982-06-18 Developments in West German Politics Gordon Smith,William E. Paterson,Peter H. Merki,2016-01-12 This book gives up to date assessments of key trends and issues in the Federal Republic with sufficient background analysis to make the treatment of the various topics accessible to those without detailed prior knowledge of German politics Transformation of the German Political Party System Christopher S. Allen,Larry Eugene Jones,2001 Using German political parties as a prism with which to view institutional change this collection transcends a single country focus and places the German experience in a comparative and historical framework Evaluation the performance of the German parties and party system in dealing with problems of integration and legitimation common to all industrialized democracies it presents a sharp analysis of the effects and incompleteness of German unification **Political Culture in France and Germany (RLE: German Politics)** John Gaffney,Eva Kolinsky,2014-12-17 This book originally published in

1991 assesses how attitudes political orientations and social values changed during the five decades after the Second World War The case studies in the book focus on key sites in political culture in France on the extreme right the cinema the impact of media personalities and changes of political discourse in Germany on the decline of regional identities the emergence of specific issues and the concern of political parties with the effectiveness of language This interdisciplinary study provides new insights into the way French and German people see themselves **Party Governments** Richard S. Katz,2019-06-04 No detailed description available for Party Governments West German Politics Lewis Joachim Edinger,1986 Moving deftly among literary and visual arts as well as the modern critical canon Christopher Prendergast s book explores the meaning and value of representation as both a philosophical challenge What does it mean to create an image that stands for something absent and a political issue Who has the right to represent whom The Triangle of Representation raises a range of theoretical historical and aesthetic questions and offers subtle readings of such cultural critics as Raymond Williams Paul de Man Edward Said Walter Benjamin and H l ne Cixous in addition to penetrating investigations of visual artists like Gros Ingres and Matisse and significant insights into Proust and the onus of translating him Above all Prendergast s work is a striking display of how a firm grounding in theory is essential for the exploration of art and literature **Parties and Party Systems in Liberal Democracies** Steven B Wolinetz,2023-07-14 First published in 1988 Parties and Party Systems in Liberal Democracies considers the extent and ways in which Western European and North American parties and party systems changed in the 1970s and 1980s after decades of relative stability It examines changes in the nature and organisation of parties and relates this to changes in electoral behaviour and to wider social and economic change It concentrates on political parties as actors and the ways in which they maintain themselves and respond to the moves and gambits of both established and newer parties and to the increasingly numerous and vociferous single interest pressure groups One important argument put forward is that many social and economic changes have had a minimal impact because established parties have been able to adapt by redefining issues in their favour and have also been able to rely on residual support and access to patronage This engaging volume will have strong appeal for courses in political science government political behaviour and history **Party Strategies in Western Europe** Gemma Loomes,2013-06-17 This book examines political party system change from a party centric perspective and assesses how and to what extent established political parties in western Europe can maintain their dominant positions Parties are increasingly competing in a changeable environment and this book assesses the ways in which political parties have tried to adapt to these changes by undertaking a study of the strategies employed by established parties since 1950 It features analysis of seventeen western European countries with eight case studies explored in greater depth including France Germany Portugal Greece Denmark Ireland Switzerland and Luxembourg The book assesses two groups of strategies institutional strategies by which parties aim for success through control of rules regulations and laws and strategies oriented towards the electorate through which parties seek success by

proving themselves responsive to voters Offering a detailed empirical assessment of the frequency with which these strategies have been employed this book assesses the impact on established political parties and argues that parties can shape their own fate by strategic choices Party Strategies in Western Europe will be of interest to students and scholars of European politics Government and party politics **The Rise and Fall of the People's Parties** Pepijn Corduwener,2023-07-11 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read on Oxford Academic and offered as a free PDF download from OUP and selected open access locations Across Europe people are deeply concerned about the state of democracy The Rise and Fall of the People s Parties shifts the attention away from ever changing populist politicians that capture newspaper headlines to the centre left and centre right people s parties that used to buttress the democratic order over the past decades but which are now in steep decline Why does the crisis of these parties contribute so profoundly to today s crisis of democracy And why were these parties so important for the stabilization and legitimation of democracy in the past century in the first place By providing a long term and transnational account of the history of democracy in modern Europe The Rise and Fall of the People s Parties reveals the striking parallels between the history of democracy and the history of the people s parties since 1918 The first part of the book shows how the failure to turn traditional working class and confessional mass parties into people s parties played a vital role in the collapse of democracy in the 1920s and 1930s It also explores the attractiveness of the people s party ideal centred on moderation compromise and openness to pioneering politicians in the mid century The second part of the book then traces the practical application and breakthrough of this ideal in the decades after World War II and shows how this contributed to the stabilization and legitimation of democracy in the postwar decades In the final part of the book Corduwener turns to the slow decline of the people s parties since the mid 1970s It explores how their failure to represent volatile and polarized societies was reflected in their aim to turn into open and flexible parties focused primarily on providing governmental efficiency and how this eventually turned against them by alienating their members and voters In so doing Corduwener offers an original and timely study of twentieth century democracy that transcends traditional party groupings divisions between eras and national boundaries The book will be important reading for all historians of European democracy as well as journalists policymakers and practitioners interested in the current state of democracy in and outside the region today **The Civil Service in Liberal Democracies** John Kingdom,2013-09-13 The civil service provides the administrative infrastructure of western government Its functions are central to any question of efficiency the distribution of power in the state the role of the state in society and the operation of democracy itself When such issues transcend national boundaries a comparative perspective is invaluable This book provides the first comprehensive study of civil services in the West Aimed at first year students and above the book applies a common framework of analysis to the study of each country s political setting historical background political executive structure bureaucracy control accountability management and

policy making The book is a timely and comprehensive introduction to this vital but neglected area of study Countries covered include Britain Ireland Canada France Italy Sweden United States and West Germany **Green Parties and Political Change in Contemporary Europe** Michael O'Neill,2019-05-20 Published in 1997 This book offers an up to date guide to the Green parties of Western Europe as the optimism of the 1980s confronts the Green fatigue of the 1990s The approach is both thematic and comparative Green politics in Europe is located in its historical and cultural context There is a comparative analysis of the principal ideological questions policy issues and strategic dilemmas that have confronted the European Greens There are national profiles of Green politics throughout the European Union The conclusion addresses the critical issue of political change in post industrial societies It discusses the contribution of Green parties to the New Politics and assesses their likely impact on post modern politics **Understanding the Transformation of Germany's CDU** Simon Green,Ed Turner,2016-02-05 This book analyses the Christian Democratic Union of Germany CDU one of Europe s most successful and influential political parties The CDU might have been expected to struggle in the circumstances of a more diverse secular reunified Germany yet it has prospered to an extent almost unparalleled in western Europe Chapters consider the CDU s policies the factors driving them their variation across Germany the relationship to women and the welfare state its organisational development and change and its position within the party system Contributors particularly emphasise the diversity of the CDU and the way it varies across Germany s regions The CDU is compared to other Christian Democratic parties and special consideration is given to the CDU s Bavarian sister party the Christian Social Union CSU This book was published as a special issue of German Politics The Spd And The Challenge Of Mass Politics Diane L Parness,2019-06-13 This book examines the inner dynamics of one of the most significant social democratic parties in Europe and weighs the causes and effects of the policies that have shaped its chequered post war course At a time when political developments in Europe command a hard look at options for the future no party s post war history offers more cogent lesso

The Global Expansion of Judicial Power C Neal Tate,Torbjorn Vallinder,1997-06-01 Essays examining the trend of expanding judicial powers in government around the world In Russia as the confrontation over the constitutional distribution of authority raged Boris Yeltsin s economic program regularly wended its way in and out of the Constitutional Court until Yeltsin finally suspended that court in the aftermath of his clash with the hardline parliament In Europe French and German legislators and executives now routinely alter desired policies in response to or in anticipation of the pronouncements of constitutional courts In Latin America and Africa courts are or will be important participants in ongoing efforts to establish constitutional rules and policies protect new or fragile democracies from the threats of military intervention ethnic conflict and revolution This global expansion of judicial power or judicialization of politics is accompanied by an increasing domination of negotiating or decision making arenas by quasi judicial procedures For better or for worse the judicialization of politics has become one of the most significant trends of the end of the millennium In this book political scientists legal

scholars and judges around the world trace the intellectual origins of this trend describe its occurrence or lack of occurrence in specific nations analyze the circumstances and conditions that promote or retard judicialization and evaluate the phenomenon from a variety of intellectual and ideological perspectives   **Continuity and Change in German Politics** Stephen Padgett,Thomas Poguntke,2002 Over three decades Gordon Smith has written authoratively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio economic change globalisation European integration and the domestic upheaval of unification   Technological Democracy Carol J. Hager,1995 An examination of the role of the citizen in a society in which specialized knowledge confers power

Party Government And Political Culture In Western Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download Party Government And Political Culture In Western Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Party Government And Political Culture In Western Germany has opened up a world of possibilities. Downloading Party Government And Political Culture In Western Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Party Government And Political Culture In Western Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Party Government And Political Culture In Western Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Party Government And Political Culture In Western Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Party Government And Political Culture In Western Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Party Government And Political Culture In Western Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Party Government And Political Culture In Western Germany Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Government And Political Culture In Western Germany is one of the best book in our library for free trial. We provide copy of Party Government And Political Culture In Western Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Government And Political Culture In Western Germany. Where to download Party Government And Political Culture In Western Germany online for free?
