# Party Government And Regional Representation In Canada

**Stephen Clarkson**

## **Party Government And Regional Representation In Canada:**

**Party Government and Regional Representation in Canada** Peter Aucoin, 1985      **A History of the Vote in Canada** Elections Canada, Canada. Public Works and Government Services Canada, 1997 This volume documents the 200 year process by which Canadians overcame exclusions from the franchise and barriers to voting to achieve a universal constitutionally entrenched right to vote The evolution of the vote is examined chronologically focusing on the expansion of the right in Canada and on the development of mechanisms to ensure or facilitate exercise of the right The historical process is traced against the social and political background of the period highlighting the events and changes shaping the environment in which the vote evolved Chapter 1 examines the vote from the beginnings of responsible government in the colonial period Chapter 2 covers 1867-1920 a period of several shifts in control of the federal franchise between federal and provincial governments The final chapter examines changes from the beginning of the modern era in electoral law in 1920 to the present      **Rebuilding Canadian Party Politics** R. Kenneth Carty, William Cross, Lisa Young, 2012-01-01 Canadian party politics collapsed in the early 1990s This book is about that collapse about the end of a party system with a unique pattern of party organization and competition that had governed Canada's national politics for several decades and about the ongoing struggle to build its successor Rebuilding Canadian Party Politics discusses the breakdown of the old party system the emergence of the Reform Party and the Bloc Québécois and the fate of the Conservative and New Democratic Parties It focuses on the internal workings of parties in this new era examining the role of professionals new technologies and local activists To understand the ambiguities of our current party system the authors attended local and national party meetings nomination and leadership meetings and campaign kick off rallies They visited local campaign offices to observe the parties grassroots operations and conducted interviews with senior party officials pollsters media and advertising specialists and leader tour directors Written in a lively and accessible style this book will interest students of party politics and Canadian political history as well as general readers eager to make sense of the changes reshaping national politics today      **Party Government and Regional Representation in Canada** Royal Commission on the Economic Union and Development Prospects for Canada, 1982      *The Changing Shape of Government in the Asia-Pacific Region* John W. Langford, K. Lorne Brownsey, 1988 The seminar for which the papers in this publication were prepared was the first in a series of workshops intended to link senior public policy researchers from around the Pacific Rim in order to open up channels of communication through which researchers from Asia Pacific nations can exchange views on problems and reforms in the area of governance and public sector management Paper titles include The Changing Shape of Government in the Asia Pacific Region Korean Politics in a Period of Transition The Unfinished Political Reforms of the Hong Kong Government Democracy Thai Politics and Government in Transition Government and Governance in Multi Racial Malaysia Controlled Democracy Political Stability and PAP Predominance Government in Singapore Entrenched Strong Man Rule The Governmental System in

Bangladesh Australian National Government 1987 Toward More Effective Government in the US and Some Issues of Governance in Canada      **Making Every Vote Count** Henry Milner, 1999 Steps Toward Making Every Vote Count brings together the best analyses from the best qualified observers on developments in the growing movement to reform Canada's electoral system Among mature democracies only the United States and Canada use the first past the post FPTP system for electing all state and provincial as well as national law makers In Canada the debate over the electoral system which began in earnest after the 1997 federal election is now moving from the university and think tank seminar room to the floor of five provincial legislatures Four key chapters present up to date accounts of developments in BC Quebec PEI and Ontario They show the provinces moving at different speeds toward meeting an objective to propose a specific model of proportional representation that also ensures a continued role for directly elected representatives of specific geographic boundaries Two chapters recount experiences in New Zealand and Scotland which adopted electoral plans attempting just such a balance Others look at South Africa Japan France and the United States each selected for the light it casts on a specific aspect of electoral system reform The remaining chapters consider various practical implications of changing Canada's electoral system now a very real prospect      *Parties, Elections, and the Future of Canadian Politics* Amanda Bittner, Royce Koop, 2013-03-01 On 2 May 2011 Canadians watched as the Stephen Harper Conservatives won their first majority government Jack Layton led the NDP to its best performance in history and Michael Ignatieff and the federal Liberals had their worst showing to date For most casual observers this election marked a major shift in Canadian politics In reality the country's political landscape and national party system had been changing for quite some time Parties Elections and the Future of Canadian Politics offers the first comprehensive account of political change in Canada over the past two decades It explores developments in the political landscape from both historical and contemporary perspectives and speculates on the future of the national party system By documenting how parties and voters responded to new challenges between 1993 and 2011 this volume enhances our understanding of one of the most tumultuous periods in Canadian political history      The Canadian Party System Richard Johnston, 2017-09-01 The Canadian party system is a deviant case among the Anglo American democracies It has too many parties it is susceptible to staggering swings from election to election and its provincial and federal branches often seem unrelated Unruly and inscrutable it is a system that defies logic and classification until now In this political science tour de force Richard Johnston makes sense of the Canadian party system With a keen eye for history and deft use of recently developed analytic tools he articulates a series of propositions underpinning the system Chief among them was domination by the centrist Liberals stemming from their grip on Quebec which blocked both the Conservatives and the NDP He also takes a close look at other peculiarities of the Canadian party system including the stunning discontinuity between federal and provincial arenas For its combination of historical breadth and data intensive rigour The Canadian Party System is a rare achievement Its findings shed light on the main puzzles of the Canadian case while contesting the received

wisdom of the comparative study of parties elections and electoral systems elsewhere     Foundations of Canadian Political Behaviour Amanda Bittner,     Dynasties and Interludes Lawrence LeDuc, Jon H. Pammett, 2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada including minority governments dynasties and social movements Dynasties and Interludes provides a comprehensive and unique overview of elections and voting in Canada from Confederation to the most recent election Its principal argument is that the Canadian political landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty

*Political Parties and Democracy* Kay Lawson, 2010-07-20 Native scholars explore the relationship between political parties and democracy in regions around the world The development of political parties over the past century is the story of three stages in the pursuit of power liberation democratization and de democratization Political Parties and Democracy is comprised of five stand alone volumes that probe the realities of political parties at all three stages In each volume contributors explore the relationship between political parties and democracy or democratization in their nations providing necessary historical socioeconomic and institutional context as well as the details of contemporary political tensions Contributors are distinguished indigenous scholars who have lived the truths they tell and are thus able to write with unique breadth depth and scope They show the parties of their respective nations as they have developed through history and changing institutional structures and they explain the balance of power among them and between them and competing agencies of power today     *Canada Votes, 1935-1988* Frank B. Feigert, 1989 This work updates and enhances Howard Scharrow s *Canada Votes* 1962 with complete election data from the constituency level through the province region and nation for more than a half century of Canadian political life since the benchmark election of 1935 Frank Feigert adds a description of the circumstances of all the elections since and he gives background descriptions of the electoral systems in each province and territory The result is a compendium of data and analysis that can be found nowhere else and which will be an invaluable sourcebook for students of Canadian political behavior     **Canadian Parties in Transition, Fourth**

**Edition** Alain-G. Gagnon, A. Brian Tanguay, 2017-01-01 Canadian Parties in Transition examines the transformation of party politics in Canada and the possible shape the party system might take in the near future With chapters written by an outstanding team of political scientists the book presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors The new material covers topics such as the return to power of the Liberal Party voting politics in Quebec women in Canadian political parties political campaigning digital party politics and municipal party politics

**The Big Red Machine** Stephen Clarkson, 2011-11-01 In The Big Red Machine astute Liberal observer Stephen Clarkson

tells the story of the Liberal Party's performance in the last nine elections providing essential historical context for each and offering incisive behind the scenes detail about how the party has planned changed and executed its successful electoral strategies Arguing that the Liberal Party has opportunistically straddled the political centre since Sir John A Macdonald leaning left or moving right and as circumstances required Clarkson also shows that the party's grip on power is becoming increasingly uncertain having lost its appeal not just in the West but now in Quebec Its campaigns now reflect the splintering of the party system and the integration of Canada into the global economy      **Citizens and Community** Allan

Kornberg, Harold D. Clarke, 1992-04-24 This book addresses political legitimacy and system support in one democracy Canada      **The People's House of Commons** David E. Smith, 2007-04-21 Canada's House of Commons has come under considerable attack in recent years Many critics have contended that the House has been unresponsive to public opinion and that its party leaders have too much control while leaving individual MPs essentially powerless The House has also faced challenges by the courts since the introduction of the Charter a powerful bureaucracy equipped with specialized knowledge and new telecommunications systems that are redefining the transfer of information Through an examination of academic judicial political and legal commentary The People's House of Commons explores the role of the House as a public institution While addressing much of the criticism that has been levelled at the House David E Smith considers the competing political models and inherent tensions and their affect on public understanding Smith maintains that court decisions are transforming the political system from one dominated by parties to one that promotes individual participation He argues that reforms such as fixed election dates or stronger parliamentary committees have constitutional significance since their implementation would alter the practice of responsible government which for more than a century has been a party government A definitive work by one of Canada's foremost experts in the field of political science The People's House of Commons explores the ramifications of many of the changes currently being proposed to Canada's political system with particular reference to their affect on prerogative power parliamentary privilege party discipline bicameralism and the role of the opposition      *The Canadian Senate in Bicameral Perspective* David E. Smith, 2017-06-22 The Canadian Senate in Bicameral Perspective is the first scholarly study of the Senate in over a quarter century and the first analysis of the upper house as one chamber of a bicameral legislature David E Smith's aim in this work is to demonstrate the interrelationship of the two chambers and the constraints this relationship poses for Senate reform He analyses past literature on the Senate and current proposals for reform such as a Triple E Senate and compares Canada's upper chamber with those of Australia the United States Germany and the United Kingdom noting a revival of interest in Canada and abroad in upper chambers and bicameralism Drawing on parliamentary debates and committee reports as well as a range of broad secondary sources The Canadian Senate in Bicameral Perspective examines the Canadian Senate within the international context shedding light on its role as a political institution and arguing for a renewed investigation into its future      **Canadian Federalism** Herman Bakvis, Grace

Skogstad,2020-07-09 Canadian Federalism is Canada's leading text on federal institutions and processes The fourth edition provides extensive updates and covers all the significant developments of the past decade including Prime Minister Stephen Harper's battles with the Supreme Court and Prime Minister Justin Trudeau's efforts at a more co-operative approach to intergovernmental relations It also features two entirely new chapters one on criminal justice and criminal law the other on comparative federalism Specific topics include the Supreme Court's renewed emphasis on co-operative federalism and a federal-provincial balance tilted more in favour of the provinces the Trudeau government's efforts to broker a deal between provinces over pipelines and carbon taxes as part of its commitment under the Paris Agreement the strains imposed on federal-provincial relations with the influx of refugees and the changing role of Ottawa and the provinces towards cities and in accommodating Indigenous rights Examination of these key issues includes discussion of the implications of the 2019 federal election and recent provincial elections      *Factional Politics* Françoise Boucek,2012-10-29 Drawing on theories of neo-institutionalism to show how institutions shape dissident behaviour Boucek develops new ways of measuring factionalism and explains its effects on office tenure In each of the four cases from Britain Canada Italy and Japan intra-party dynamics are analyzed through time-series and rational choice tools      **Canadian Parties in Transition, Third Edition** Alain G. Gagnon,Brian Tanguay,2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of Canadian Parties in Transition by presenting a multi-faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book

## Party Government And Regional Representation In Canada Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Party Government And Regional Representation In Canada PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Party Government And Regional Representation In Canada PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Party Government And Regional Representation In Canada free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Party Government And Regional Representation In Canada Books**

1. Where can I buy Party Government And Regional Representation In Canada books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
