Pas De Deux A Novel:

Pas de deux E. J. Noyes, 2021-05-01 Caitlyn Lloyd has the world at her feet Or more accurately under her horse's hooves With the 2016 Rio Olympics just around the corner nothing is going to derail her long held dream of winning a medal or two in Olympic dressage Not even the reappearance of a childhood so not a friend throwing her perfectly balanced life into disarray Addie Gardner's career is at its peak and accepting a last minute fill in position as the veterinarian for the US Olympic Dressage Team was a no brainer The fact that her old crush from Pony Club is on the team is just a bonus Not a distraction at all And it might just offer the chance to be friends with the girl who wouldn't even give her the time of day twenty years ago But Caitlyn and Addie have very different memories of their time together at Pony Club and their first meeting as adults is less like a reconnection and more like a butting of heads With the Olympics looming they'll need to set aside their history and learn to work together And maybe Caitlyn and Addie will realize childhood memories aren't always accurate and that they have more in common than they would ever have thought Maybe Just maybe [The Complete Ballet](#)

John Haskell, 2017-09-19 A dark hued hybrid novel by a writer who delivers our culture back to us made entirely new A M Homes In *The Complete Ballet* John Haskell choreographs an intricate and irresistible pas de deux in which fiction and criticism come together to create a new kind of story Fueled by the dramatic retelling of five romantic ballets and interwoven with a contemporary story about a man whose daunting gambling debt pushes him to the edge of his own abyss it is both a pulpy entertainment and a meditation on the physicality and psychology of dance The unnamed narrator finds himself inexorably drawn back to the pre cell phone world of Technicolor Los Angeles to a time when the tragedies of his life were about to collide Working as a part time masseur in Hollywood he attends an underground poker game with his friend Cosmo a strip club entrepreneur What happens there hurtles the narrator down the road and into the room where the novel's violent and surreal showdown leaves him a different person As the narrator revisits his past he simultaneously inhabits and reconstructs the mythic stories of ballet assessing along the way the lives and obsessions of Nijinsky and Balanchine Pavlova and Fonteyn Joseph Cornell and the story's presiding spirit the film director John Cassavetes This compulsively readable fiction is ultimately a profound and haunting consideration of the nature of art and identity *Pas de Deux* Lynn Turner, 2018-04-04 It's said the artist is born of a damaged soul Wilhelmina Allende is a prima ballerina When tragedy turns her beloved Paris into a gilded cage she jumps at the chance to work with one of the most prolific choreographers she's ever seen But Zack's style is way out of her comfort zone So is his teaching method And his humor And his everything He's a charming little connard It's hard not to like him Merde What has she gotten herself into Zachary Coen's first musical is opening on Broadway Much like his life it's anything but conventional so hiring Mina is simply out of the question She's too classical Too perfect She's all wrong for the role Then he meets her in person and sees her cracks Her broken pieces How unique and beautiful each one is And he can't help but notice how her edges seem to fit his perfectly Just when teaming up
