Russian military strike against Europe could change the balance of power in the West A stunningly realistic view of modern warfare from a battlefield commander and the New York Times bestselling author of *The Gray Man* The Russian bear has awakened Their tanks race across Poland crushing all opposition on a headlong dash for the heart of Germany Satellite killing missiles blind American forces while Spetznatz teams destroy Allied communications relays It s all part of a master plan to confuse and defeat America and her allies Ranged against the Russian attack are a Marine lieutenant colonel pulled out of a cushy job at the Pentagon and thrown into the fray a French Special Forces captain and his intelligence operative father a young Polish female partisan fighter an A 10 Warthog pilot and the captain of an American tank platoon who along with a German sergeant struggle to keep a small group of American and German tanks in the fight Operation Red Metal is a nightmare scenario made real but could it just be the first move on the Russian chessboard *Ideologies in Action* Alexandra Jaffe, 2013-07-31 In Corsica spelling contests road signs bilingual education bills and Corsican language newscasts leave language planners and ordinary speakers deeply divided over how to define what counts as Corsican and how it is connected with cultural identity In *Ideologies in Action* Alexandra Jaffe explores the complex interrelationship between

linguistic ideologies and practices on the French island of Corsica This detailed exploration of the ideological and political underpinnings of three decades of language planning raises fundamental questions about what it means to save a minority language and the way in which specific cultural political and ideological contexts shape the successes and failures of linguistic engineering efforts Jaffe s ethnography focuses both on the way dominant language ideologies are inscribed in the everyday experience of ordinary people as well as how they shape the evolving strategies of language planners trying to revitalize the Corsican language While Jaffe s analysis demonstrates the pervasive influence of dominant language ideologies on minority language speakers and language planners she also draws on case studies from everyday discourse educational practice and public and mediatized debates over language issues to develop an ethnographically grounded perspective on levels of resistance In the final part of the book she explores the emergence and the limits of radical genres of resistance found in forms of Corsican language activism and in examples of codeswitching and language mixing in bilingual radio practice This book contributes to a growing literature on language ideology and will be of interest to anthropologists political scientists and linguists interested in the practical and theoretical dimensions of language contact minority language literacy bilingual education and language shift

Pascal For The Eighties: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
