Paschal Journey

Ferder, Fran

Paschal Journey:

Faces of Easter Albert Holtz, 2019-01-22 Using vignettes set in or near his monastery in downtown Newark New Jersey Benedictine monk Albert Holtz helps us to see that the Easter mystery which can often seem abstract and distant is in fact present all around us As we accompany him through the fifty days of the Easter season we listen in on his intriguing interactions with local street people and his inner city high school students an insider s look at what goes on in a monk s heart as he chants Vespers to the sound of police sirens Anyone wishing to deepen his or her experience of the Easter mystery will find this a valuable and engaging book *Heartfulness Transformation in Christ* Thomas Keating, Betty S. Flowers, 2010 **Sacred Light** John Nicholas Thomas, Charmaine G. Thomas, 2007-01-01 **Enter the Story** Ferder, Fran, 2014-04-10 In a delightful yet profound reading of the Scriptures Enter the Story opens up the central stories in the Bible and shows how they are alive in us These stories happen over and over again much like a great unfinished symphony in the lives of those of us who look to Scripture for inspiration In this sense the biblical stories are metaphors events that may have occurred long ago among biblical characters but also the same dramas great and small that happen to believers today every day Fran Ferder takes familiar stories from Scripture and shows us what the significant events or feasts in the great Christian story mean and how they continue to unfold in our lives in ways we do not expect These old stories are new stories Unfinished stories They are our stories And when we understand them they can transform our lives **The Lives of the Popes in the Early Middle Ages** Horace Kinder Mann, 1910 **The Lives of the Popes in the Early Middle Ages: The popes of the Gregorian renaissance, 1049-1130** Horace Kinder Mann, 1925 *The Lamb's Supper* Scott Hahn, 2002-06-18 As seen on EWTN bestselling author Scott Hahn unveils the mysteries of the Mass offering readers a deeper appreciation of the most familiar of Catholic rituals Of all things Catholic there is nothing that is so familiar as the Mass With its unchanging prayers the Mass fits Catholics like their favorite clothes Yet most Catholics sitting in the pews on Sundays fail to see the powerful supernatural drama that enfolds them Pope John Paul II described the Mass as Heaven on Earth explaining that what we celebrate on Earth is a mysterious participation in the heavenly liturgy The Lamb s Supper reveals a long lost secret of the Church The early Christians key to understanding the mysteries of the Mass was the New Testament Book of Revelation With its bizarre imagery its mystic visions of heaven and its end of time prophecies Revelation mirrors the sacrifice and celebration of the Eucharist Beautifully written in clear direct language bestselling Catholic author Scott Hahn s new book will help readers see the Mass with new eyes pray the liturgy with a renewed heart and enter into the Mass more fully enthusiastically intelligently and powerfully than ever before [The Lives of the Popes in the Early Middle Ages](#) Horace K. Mann, 1910 **St. Benedict's Toolbox** Jane Tomaine, 2015-07-01 A practical down to earth guide on the Rule of St Benedict and its use in daily life In the sixth century when the Roman Empire was breaking apart and politics cultural life and even the Church were in disarray tumultuous times not unlike our own Benedict of Nursia designed what he

termed a little rule that showed his monks the way to peace as they learned to prefer Christ above all things Jane Tomaine translates St Benedict's ancient rule for a modern audience and offers readers a primer on how to use these tools in their own tumultuous lives Each chapter examines one aspect of the Rule from ways of praying to ways of being in relationships and community and offers tools for reflection prayer journaling and action This updated edition includes historical background to the Rule a new chapter on relationships and community and a guide for group use A wonderful book one of the best introductions we have in print today to the spirit of St Benedict It speaks clearly to Episcopalians of our day about the great spiritual treasure of the Benedictine tradition The Rt Rev R William Franklin Assisting Bishop of Long Island
