never have foreseen In Adrienne Sharp s magnificently imagined novel the last days of the three hundred year old Romanov empire are relived Through Kschessinska s memories of her own triumphs and defeats we witness the stories that changed history the seething beginnings of revolution the blindness of the doomed court the end of a grand decadent way of life that belonged to the nineteenth century Based on fact The True Memoirs of Little K is historical fiction as it s meant to be written passionately eventful crammed with authentic detail and alive with emotions that resonate still

**The Betrayers** Harold Robbins, Junius Podrug, 2005-07-10 Luz had nighthead the sensuous quality in a woman that makes men ache with desire Nick loved and lusted for her the first time he saw her But what he didn t know was that Luz had secrets that beneath the glamour and sex appeal was a woman determined to turn her back on wealth and challenge a corrupt political system Even if doing so meant her life Nick started out dirt poor as a child he survived the war torn frozen hell of the siege of Leningrad and saw his mother starve to death as fat cat bureaucrats ate well He learned early that there were the haves and have nots in this world He was going to get everything rich people had and more From a brutal Soviet orphanage to a plantation in the steamy jungles of the Caribbean from sultry violent Havana to the dangerous streets of Santo Domingo Nick battled men who controlled and exploited the wealth of nations With bootleg vodka and exotic rum he built a business empire that would one day bring him into conflict with the most brutal dictator in the Caribbean and a struggle for the love and life of the only woman he ever truly loved At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
