## **Pasolini Between Enigma And Prophecy:**

*Pasolini Between Enigma and Prophecy* Giuseppe Zigaina, 1991      **Against the Avant-Garde** Ara H. Merjian, 2020-07-15 This book casts the poet and filmmaker Pier Paolo Pasolini in a fresh light his life and work in relation to the visual and performance arts of his time in both Europe and the US Lavishly illustrated with both documentary and fine art images it shows how essentially conservative Pasolini was politically and aesthetically despite his reputation as an avant garde writer and filmmaker But it also shows how truly advanced Pasolini was when it comes to interdisciplinary art making him enormously relevant today      Pier Paolo Pasolini Patrick Allen Rumble, Bart Testa, 1994-01-01 A reexamination of Pasolini life and work as a poet novelist filmmaker journalist and cultural theorist reflecting new developments in semiotics post structuralist theory and historical research on Italian literature and film      **Southern Thought and Other Essays on the Mediterranean** Franco Cassano, 2012 Valerio Ferme is the Harold and Edythe Toso Endowed Chair professor in Italian Studies at Santa Clara University Book Jacket      **Sensational Religion** Sally M. Promey, 2014-06-24 The result of a collaborative multiyear project this groundbreaking book explores the interpretive worlds that inform religious practice and derive from sensory phenomena Under the rubric of making sense the studies assembled here ask How have people used and valued sensory data How have they shaped their material and immaterial worlds to encourage or discourage certain kinds or patterns of sensory experience How have they framed the sensual capacities of images and objects to license a range of behaviors including iconoclasm censorship and accusations of blasphemy or sacrilege Exposing the dematerialization of religion embedded in secularization theory editor Sally Promey proposes a fundamental reorientation in understanding the personal social political and cultural work accomplished in religion s sensory and material practice Sensational Religion refocuses scholarly attention on the robust material entanglements often discounted by modernity s metaphysic and on their inextricable connections to human bodies behaviors affects and beliefs      **Encyclopedia of Italian Literary Studies** Gaetana Marrone, Paolo Puppa, 2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars      **Canadian Books in Print** , 2003      That Summer in Paris Morley Callaghan, 2006 It was the fabulous summer of 1929 when the literary capital of North America moved to La Rive Gauche the

Left Bank of the Seine River in Paris Ernest Hemingway was reading proofs of *A Farewell to Arms* and a few blocks away F Scott Fitzgerald was struggling with *Tender Is the Night* As his first published book rose to fame in New York Morley Callaghan arrived in Paris to share the felicities of literary life not just with his two friends Hemingway and Fitzgerald but also with fellow writers James Joyce Ford Madox Ford and Robert McAlmon Amidst these tangled relations some friendships flourished while others failed This tragic and unforgettable story comes to vivid life in Callaghan's lucid compassionate prose

**Canadian Books in Print. Author and Title Index**, 1975     International Books in Print, 1998     *Lanzmann and Other Stories* Damian Tarnopolsky, 2006 Ranging widely in subject matter from a musician's destructive narcissism to the strange effects a persistent Norwegian has on a bachelor's love life the stories in this collection also vary in style Both elegantly insightful and highly adventurous these tales are inventive deeply comic sometimes very unsettling and completely engaging     Far from Nothing Zoltán Böszörményi, 2006 Ripe with love money and power the story of 35 year old Rudolf set in a fast paced urban environment begs the question Do we only think we exist Rudolf and his wife work day and night hoping for a better life he is a philosophy graduate student and the manager of a car dealership He also keeps up a heart wrenching relationship with the chic Wanda Then there is Nina who studies logic but is secretly a prostitute and Alfred owner of a car leasing company seemingly upright but actually an embezzler Each character conceals something Be it in Hungary or North America the craving for existential clarity remains strong     **Begging Questions** Seán Virgo, 2006 Focusing on the universe of beauty and dreams with an intensity that delves into self recognition these stories written over the last 15 years engage the reader with questions about our public and private lives The stories touch on questions of identity and belief the phantoms of memory and the oppositions of beauty to experiences Told in a language of brilliant power these tales enable the reader with their enigmatic and dreamlike quality     **The German Prisoner** James Hanley, 2006 Brilliant in its stark depiction of trench warfare in World War I this lost classic was privately printed in a limited edition in 1930 British censors initially suppressed the short novel because of its tough antiwar views and sympathetic portrayals of German soldiers and even today's readers may be unprepared for its scenes of horrific battlefield carnage and men driven to madness by relentless psychological stress Providing a new view of an underappreciated Canadian author the book also stands as a fascinating addition to the comparatively small shelf of literature by writers who fought in the Great War     **100 Love Sonnets** Pablo Neruda, 2007 Celebrating the works of a great Chilean poet this collection offers a vibrant translation of Neruda's sensual and erotic poetry Famous for his politically engaged lyrics the Nobel Laureate also wrote bold and sexual sonnets and this compilation captures the spirit and verbal dexterity of the lesser known genre These sonnets from one of the most influential and beloved 20th century poets accompany questions for discussion and lists of recommended readings and related websites     *Prophetic Times* Maurizio Viroli, 2023-01-05 Throughout history prophetic voices have bolstered the struggle for social and political emancipation Such voices have given meaning to suffering spoken with pathos and anger to

touch passions and set into motion the moral imagination guiding efforts toward redemption This book provides the visions of social emancipation we need      *Ontological Necessities* Priscila Uppal,2006 Written with the verve of the uninhibited artist but with a clarity of thought and expression more akin to the scientist or scholar these poems investigate the emotional and philosophical struggles of contemporary life Often sparked by the horrors depicted in today s news the poems combine surrealist images with spare and lyrical language to grapple with an increasingly absurd world The most ambitious piece in the collection is a radical post 9 11 translation of the Anglo Saxon elegy *The Wanderer* and other poems include *Don Quixote You Sure Can Take One Helluva Beating* *Film Version of My Hatred Never Held a Gun* and *The Romantic Impulse Hits the Schoolyard*      **Midnight Stroll** Janice Kulyk Keefer,Natalka Husar,Claire Weissman Wilks,Goran Petkovsky,2006 A unique collaboration that explores themes of love and family this collection features poems that are based on works of art placed alongside the very works that inspired them It includes paintings by Natalka Husar drawings monotypes and lithographs by Claire Weissman Wilks and photographs by Goran Petkovsky      **Human** Aude,2006 Using delicate prose and intense imagery this translation explores the relationship and struggle of the human body and its inner being Completely paralyzed by Lou Gehrig s disease Magali is imprisoned in her own body able to communicate only by blinking her eyes Feeling mentally free but physically trapped she reflects on her past and regards her present physical existence as a prison A relationship formed between Magali and her doctor gives one of them the hope to live and the other the grace to die

*Green* Marilyn Bowering,2007 Echos of Frederico Garc a Lorca Yiannis Ritsons and Rumi add exoticism to this poet s deceptively simple style Combining confession with analytical rigor most of these poems are variations on classic themes but they are driven by the particulars of politics love and family life As the poems progress repeated symbols such as cars coats cups rooms bees and roses begin to hint that the poet has a secret recipe for contentment home and hearth travel warm weather and a belief in human growth
