Pass Me A Pine Cone:

Pass Me a Pine Cone Phyllis Anderson Wood,1982 When Sam's father becomes principal of a high school in the Sierras Sam and his cat Monster make new friends and some enemies in their mountain home **Pass Me a Pine Cone, Please** Phyllis Anderson Wood,2006-11-16 Seth Overton and his cat Monster are not thrilled by the prospect of being strangers in a whole new kind of world when they move from Oceanview to Sierra Even worse Seth will be the new principal's kid in a small mountain town And to top it all off he's sure it's some kind of bad joke when a neighbor asks him to haul a big box of pine cones to Sierra and deliver them to some girl there The surprise is that Sarah Rudeen the girl who needs pine cones turns out to be anything but a joke Seth Sarah and her dog Shashi become a solid team as they design and construct an elaborate tree house for Monster big enough for them to enjoy too Seth's harassment as the new principal's kid surfaces when he is targeted for special attention by a teacher who goes only by the name Laney and who hates all administrators As Halloween approaches some of Laney's followers plan to vandalize the tree house knowing it will earn them better grades from Laney When Seth hears of the planned attack he decides he has to fight his own battle without help from his dad or the local police Only two very unique kids with two very unusual animals could ever come up with the totally original defense plan that ultimately makes life safe for Seth in his new school And only a girl like Sarah could turn a pine cone delivery into the beginning of a business partnership and the start of a solid friendship This story of how a new principal and his family start their adjustment to a new school and town was obviously written by someone who has spent time on the other side of the desk It is surprisingly perceptive of the pressures put on teachers and their kids both by themselves and others School Library Journal The convincing characterizations will probably have readers on finishing the book say I'd like my dad to be like that and That's the kind of boyfriend girlfriend I'd like to have High Low Report *Bulletin* Maine State Library,1922

Four Miles to Pinecone Jon Hassler,2011-07-20 He was an eyewitness to a crime that his best friend committed It all started the day school ended That was when my English teacher decided not to flunk me if I wrote a long story during my summer vacation My name's Tom Barry I'm sixteen and I really do want to be a junior next year at the high school in St Paul where I live But with my full time job at Mr Kerr's grocery store I didn't think I'd have enough time to do it But by the end of the week the paper seemed small potatoes You see Mr Kerr's store was broken into and my best friend Mouse was involved I saw him but I didn't know what to do I didn't want to be a fink I kept mum because it was right about then that I was invited to stay at my uncle's resort near Pinecone It's a real neat place in the Minnesota woods and I figured I would cool out there And then I found that they have crime just like in St Paul but this time the stakes were much higher Suddenly my life was on the line *HIGH HORSE* Bonnie Bryant,2013-01-30 When Stevie and her boyfriend Phil Marsten go on the Mountain Trail Overnight a three day trail ride the tension between them grows and the trip may trigger the end of their relationship
