

## All About Summer

Summer is one of the four seasons. It comes after spring. Summer begins in June and ends in September. In summer, we celebrate the Fourth of July. This is America's Independence Day. We call our American flag our Stars and Stripes at a celebration.

In summer you might see butterflies. They spread in your yard. There may be kids playing in the trees. Grandma might sleep in the grass. Some mammals lose their warm winter coats in May and in the summer sun.

Many delicious foods are in season during summer. Summer fruits are watermelons, peaches, and cherries. They make a healthy, sweet dinner. Summer vegetables are corn, carrots, and cucumbers. They make great food for sandwiches.
