

Autobiography is a literary genre, a subtype of biography, telling the life story of its author. In other words, it's a self-written account of somebody's life.

While an autobiography is a story of a person's life told by themselves, biographies are stories about someone other than the author. In plain English: An autobiography = you tell about your life; a biography = you tell about somebody else's life.

Key Elements to Include in Your Autobiography

1. **A compelling title.** (Try avoiding generic phrases like "the story of my life," "my autobiography," etc.)
2. **A first-person narrative voice.**
3. **A short description of your background.** (It can be your family story, your hometown, or some touchstone moments in your school life.)
4. **Significant experiences** that shaped your personality, worldview, or your approach to life. (Think of the moments that could inspire readers and make them remember your story.)
5. **A failure** followed up with your story of how you responded and what lessons you've learned from it.

Answer these questions:

- *What are your most significant achievements?*
- *Can you remember your biggest failures?*
- *Any lessons learned from it?*
- *Can you name the best and worst moments in your life?*
- *What events have changed your life?*
- *How have you changed?*
- *Are there any people or places that shaped and impacted your life?*

SIGNIFICANT EVENTS AND PEOPLE, BIGGEST CHALLENGES AND SUCCESSES, LIFE LESSONS

In essay writing, we call it a thesis statement.

A few ways to pick a central thesis for your autobiography exist:

1. You can choose a **personality trait** that you believe makes you awesome. Maybe you're great at math or **time management**, for example. Why not make this fact a basement of your story?
2. What is your **life philosophy**? You can show values throughout the autobiography essay, inspiring readers and serving as an example for them. Think of the **most significant concept** to you in life: love, family, friendship, wealth, freedom – you choose. Use one as a core idea of your autobiography, referring to it through every event you'll mention in your essay.
