Passages Of Life Through Faith:

Not by Faith Alone Robert A. Sungenis, 1997-07-01 Faith alone Is it justifiable Not biblically and Robert Sungenis shows why Controversy surrounding the issue of faith and justification have been raging for 2000 years Not By Faith Alone will set the biblical and historical record straight **Imprimatur** **Future Grace** John Piper, 2009-10-21 In Future Grace author John Piper helps readers discover the key to overcoming sin and living a life that honors God Many men and women attempt to walk upright out of gratitude for what Christ did in the past but Piper encourages believers to look ahead to the grace God provides for us on a day by day moment by moment basis putting faith into action by laying hold of God s promises for the challenges we face Sever the Root of Sin No one sins out of duty We sin because we want to Sin promises happiness and we buy the lie So how can the root of sin be severed in our lives The penalty of sin must be paid by the righteous blood of Christ And the power of sin must be broken by banking on the promises of Christ John Piper s meditations are rooted in rock solid biblical reflection Chapter by chapter one for each day of the month he reveals how by cherishing the promises of God you can break the power of anxiety despondency covetousness lust bitterness impatience pride misplaced shame and more From the Trade Paperback edition **Holy Bible (NIV)** Various Authors, 2008-09-02 The NIV is the world s best selling modern translation with over 150 million copies in print since its first full publication in 1978 This highly accurate and smooth reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation Seeing and savouring Jesus Christ JOHN PIPER, 2020-05-21 Who is Jesus Christ You ve never met Him in person and you don t know anyone who has But there is a way to know who he is How Jesus Christ the divine Person revealed in the Bible has a unique excellence and a spiritual beauty that speaks directly to our souls and says Yes this is truth It s like seeing the sun and knowing that it is light or tasting honey and knowing that it is sweet The depth and complexity of Jesus shatter our simple mental frameworks He baffled proud scribes with his wisdom but was understood and loved by children He calmed a raging storm with a word but would not get himself down from the cross Look at the Jesus of the Bible Keep your eyes open and fill them with the portrait of Jesus in God s Word Jesus said If anyone s will is to do God s will He will know whether the teaching is from God or whether I am speaking on my own authority Ask God for the grace to do His will and you will see the truth of His Son John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else The Gospel According to Matthew , 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance Risk Is Right John

Piper,2013 Helping Christians put their faith into action and live for more than comfort Piper teaches us to choose risk for the cause of Christ the fulfillment of our joy and the good of others No More Faking Fine Esther Fleece Allen,2017-01-10 Scripture reveals a God who meets us where we are not where we pretend to be No More Faking Fine is your invitation to get honest with God through the life giving language of lament If you've ever been given empty clichés during challenging times you know how painful it is to be misunderstood by well meaning people When life hurts we often feel pressure from others and ourselves to keep it together suck it up or pray it away But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard For most of her life Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether She was known as an achiever and an overcomer on the fast track to success But in silencing her pain she robbed herself of the opportunity to be healed Maybe you've done the same Esther's journey into healing began when she discovered that God has given us a real world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain It's called lament the gut level honest prayer that God never ignores never silences and never wastes No More Faking Fine is your permission to lament taking you on a journey down the unexpected pathway to true intimacy with God Drawing from careful biblical study and hard won insight Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side teaching you that We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect instead he meets us where we are There is hope beyond your heartache disappointment and grief Like Esther you'll soon find that when one person stops faking fine it gives everyone else permission to do the same Truth Plus Love Matt Brown,2019-04-23 Imagine what our world might look like if Christians became known for remarkable love as well as life giving truth The stakes are high and the need is great for Christians to represent Jesus to a watching world And today we have more influence than ever before for better and for worse We are among the first generations to have access to a global megaphone through social media But it's not enough to speak truth louder to a noisy culture To counter the reputation Christians have earned our love must be just as loud Ask evangelist Matt Brown and he will tell you Christians today are facing a crisis of influence In our rush to speak truth to today's tensions cultural issues and trending controversies it becomes all too easy to focus on proving our points rather than extending God's grace Conversely when we seek only to love yet never proclaim a better way we short circuit God's plan Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ Through biblical insight cultural analysis and practical principles Matt Brown outlines how to champion truth without compromise how to love unconditionally and ultimately how to step into this great adventure of representing God to the world It's hard it's messy and it's the unfinished project of a lifetime yet here we find our great adventure representing God to a watching world Living in the Balance of Grace and Faith Andrew Wommack,2011-06-24 Popular Bible teacher and host of the Gospel Truth

broadcast Andrew Wommack takes on one of the biggest controversies of the church the freedom of God s grace verses the faith of the believer Wommack reveals that God s power is not released from only grace or only faith God s blessings come through a balance of both grace and

Tony's 50,000 Co-Incidence Miracles Anthony F. J. Coscia,2017-07-30 In prior generations of great faith and great prayer it was fairly common for people to excitedly share with each other about the many personal miracles which each person noticed each day Unfortunately our current civilization has become somewhat NUMB to the presence of God and to all of the daily miracles which God our friend still sends to each one of us every day Sadly many people do not even call miracles a miracle any more They now call miracles things like a mere accidental coincidence a shocking event a crazy thing a funny thing a weird thing a cool thing etc When we allow God to become our friend His miracles automatically show up in our daily lives miracles automatically exist wherever God exists It was because of all the miracles which the people of old did notice in the bible that people came to know and believe in God Would anyone ever believe in God if they never saw or heard about a miracle Even Jesus said in John 14 11 Believe me for the sake of the works miracles themselves

Learning Through Life's Trials Larry Richman, 2007-11-01 You can choose to see a trial as a roadblock or an expressway If you see it as a roadblock it will obstruct your way However if you see it as an expressway you can use it to learn and grow The gospel of Jesus Christ is the plan whereby we can become what God wants us to become In fact we

become great people because of our trials not in spite of them This booklet reviews the nature origins and purposes of adversity and includes suggestions on how to patiently trust in the Lord and His eternal plan and how to use these trials to learn and grow stronger You can benefit from your trials if you Develop a relationship with God Let others help you Let God carry your burdens Trust that the Lord is in control and allow His will to be done Remember that everyone has challenges Let adversity make you a better person Live with integrity Be patient Make the best of your situation Serve others Keep a positive attitude Keep an eternal perspective *The Lausanne Covenant* John R.
