Passenger From Scotland Yard A Victorian Detective Novel:

The Passenger from Scotland Yard H. Freeman Wood, 1888 **The Passenger From Scotland Yard (Esprios Classics)** H. Freeman Wood, 2019-10-02 The night mail for the Continent stood ready to glide out of the London terminus the leave taking friends assembled in small groups upon the platform before the carriage doors were reiterating last messages and once more exchanging promises to write when a hard featured thick set gentleman who had been peering out of a second class window drew back with a slight exclamation of annoyance or disappointment and sank into a corner seat Hardly a moment had passed when the rattle of the guard's key was again heard in the lock and the door fell open to admit a fifth passenger Just in time sir muttered the guard banging the door after the new arrival and relocking it He immediately signalled with his lamp a whistle rang out sharply and the night mail for the Continent started from London *Late Victorian Crime Fiction in the Shadows of Sherlock* C. Clarke, 2014-09-26 This book investigates the development of crime fiction in the 1880s and 1890s challenging studies of late Victorian crime fiction which have given undue prominence to a handful of key figures and have offered an over simplified analytical framework thereby overlooking the generic moral and formal complexities of the nascent genre *Mystery Fanfare* Michael L. Cook, 1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre *The Mystery Fancier* (Vol. 2 No. 1) January 1978 Guy M. Townsend, 2010-08-01 The Mystery Fancier Volume 2 Number 1 January 1978 contains The Professorial Sleuth of Roy Winsor by Larry L French The Vengeance Novels of Brian Garfield by George Kelley Miscellaneous Mystery Mis Mash by Marvin Lachman Chance and Illogic and The Black Box Murder by E F Bleiler An Index of Books Reviewed in TMF Volume 1 Including the Preview Issue compiled by Jeff Meyerson and The Nero Wolfe Saga Part V by Guy M Townsend **Five Victorian Ghost Novels** Everett Franklin Bleiler, 1971-01-01 Full texts of The Uninhabited House by Riddell The Amber Witch by Meinhold Monsieur Maurice by Edwards A Phantom Lover by Lee and The Ghost of Muir House by Beale 6 illustrations **The Ascent of the Detective** Haia Shpayer-Makov, 2011-09-29 Explores the diverse and often arcane world of English police detectives during the formative period of their profession from 1842 until the First World War with special emphasis on the famed detective branch established at Scotland Yard *Whatever Happened to Sherlock Holmes* Robert S. Paul, 1991 Robert S Paul suggests that the reason detective fiction has won legions of readers may be that the writer of detective fiction without conscious intent appeals directly to those moral and spiritual roots of society unconsciously affirmed and endorsed by the readers Because detective stories deal with crime and punishment they cannot help dealing implicitly with theological issues such as the reality of good and evil the recognition that humankind has the potential for both the nature of evidence truth and error the significance of our existence in a rational order and hence

the reality of truth and the value of the individual in a civilized society Paul argues that the genre traces its true beginning to the Enlightenment and documents two related but different reactions to the theological issues involved first a line of writers who are generally positive in relation to their cultural setting such as Edgar Allan Poe Wilkie Collins Conan Doyle and second a reactionary strain critical of the prevailing culture that begins in William Godwin s Caleb Williams and continues through the anti heroic writers like Ars ne Lupin to Raymond Chandler Dashiell Hammett and John MacDonald **Victorian poets. Revised, and extended, by a suppl. chapter, to the 50th year of the period under review** Edmund Clarence Stedman,1887 **The Writer** William Henry Hills,Robert Luce,1984 The oldest magazine for literary workers **Railway Reading and Late-Victorian Literary Series** Paul Raphael Rooney,2018-05-11 The railway was one of the principal Victorian spaces of reading This book spotlights one of the leading audience demographics in this late Victorian market the newly empowered readers of the expanding middle class The transactions in which late Victorian readers acquired the books read whilst travelling are reconstructed by exploring the leading determinants of consumers purchasing choices at the railway station bookstalls selling books intended for reading in this zone This exploration concentrates on the impact of forces like the input of the staff running the bookstalls and the commercial environment in which consumers made their purchases At the center of this study is a leading and still relatively under examined genre of Victorian print culture circulating in this reading space the series Rooney examines three leading examples of late Victorian series which sought to satisfy railway passengers need for literary reading matter Many of the period s principal authors and literary genres featured in their lists Each venture is representative of one of the three main pricing tiers of series publishing Employing an eclectic methodological framework combining cultural studies and book history approaches with concepts from the new humanities the reading experiences furnished by the light fiction of these series are reconstructed This study reflects the recent growth in scholarship on historical readership the expansion in the canon of Victorian popular literature and the broader material turn in nineteenth century studies *Blood on the Stage, 1800 to 1900* Amnon Kabatchnik,2017-09-22 This volume examines the key representations of transgression drama produced between 1800 and 1900 Arranged in chronological order the entries consist of plot summary often including significant dialogue performance data if available opinions by critics and scholars and other features **The Edwardian Detective** Professor Joseph Kestner,2017-11-22 This title was first published in 1999 the law as literature the role of literature in surveillance and policing the interpretation of legal issues by literature the degree to which literature describes and interprets law the description of legal processes in detective literature and the connections between detective literature and cultural practices and transitions **Catalog of Copyright Entries.
