questions about the intellectual resources that underpin educational research explores the relationship between philosophy and educational research and examines debates about truth and truthfulness in educational research Furthermore it looks at issues to do with the relationship between research practice and policy and discusses questions about ethics and educational research Finally the book delves into the deeply contested area of research quality assessment The book is based on extensive engagement in empirically based educational research projects and in the institutional and professional management of research as well as in philosophical work It clarifies what is at stake in international debates around educational research and teases out the nature of the arguments and where argument permits the conclusions to which these point The book discusses these familiar themes using less predictable sources and points of reference such as codes of social obligation in contemporary Egypt and New Zealand the Soviet and the inspiration of the nineteenth century philosopher Abai in contemporary Kazakhstan seventeenth century France Pascal and the disputes between Jesuits and Jansenites eighteenth century Italy Giambattista Vico and la scienza nuova educational magic in traditional Ethiopia and ends at a banquet with Socrates and dinner with wine and a conversation loving Montaigne

### **Virginia Woolf in the Age of Mechanical**

**Reproduction** Pamela Caughie, 2013-10-31 This collection of ten original essays is the first to read Virginia Woolf through the prism of our technological present Expanding on the work of feminist and cultural critics of the past two decades this volume offers a sustained reflection on the relationship between Walter Benjamin's analyses of mass culture and technology and Woolf's cultural productions of the 1920s and 1930s It also brings out the extent to which Woolf was beginning to image the technological society then taking shape This book takes part in contemporary efforts to rethink modernism as a more globalized and technologized phenomenon

The Century of Women Rebecca Marie Messbarger, 2002-01-01 These include an academic debate a scientific tract an oration an Enlightenment journal and a fashion magazine Analysis focuses on the specific ways in which the exigencies of the new science and the burgeoning Enlightenment project founded on rational civil law secular moral philosophy and utilitarian social ethics forced a transformation in the formal controversy about women

BOOK JACKET *Proceedings of the Ninth Seminar of the IATS, 2000. Volume 8: Tibet, Self, and the Tibetan Diaspora* P.

Christiaan Klieger, 2021-11-15 The ten papers presented in this eight volume of the Proceedings of the Ninth Seminar of the IATS 2000 provide examples of the colourful and lively range of Tibetan self expressions that exist within the modern homeland and in exile The scholars here represent the fields of anthropology sociology literary studies history and political science Four papers are based in studies in the modern Tibet Autonomous Region five are grounded in the Tibetan diaspora and one deals with both classical Tibetan history and current affairs The mass representation of Tibetan self delivered through various literary vehicles by linguistic competence body decoration landscape or individual deportment constitutes the basic theme of this collection The volume is useful for any student of Tibet and those interested in the process of identity formation and presentation

### **Palgrave Advances in Virginia Woolf Studies** A. Snaith, 2007-03-28 This book is an

invaluable guide to the body of criticism on Virginia Woolf It includes comprehensive and insightful chapters on different approaches to Woolf including feminist historicist postcolonial and biographical The essays provide concise summaries of the key works in the field as well as an engaging description of the approach itself      *Ancient Mediterranean Sacrifice* Jennifer Wright Knust,Zsuzsanna Varhelyi,2011-10-14 An investigation of the multiple meanings and functions of sacrifice in diverse religious texts and practices from the late Hellenistic and Roman imperial periods      *Modernism and Theory* Stephen Ross,2009-05-07 Modernism and Theory boldly asks what role theory has to play in the new modernist studies The three sections comprise expositions and debates on modernist topics by leading contributors and the book concludes with an afterword from Fredric Jameson      **Borrowed Voices** Jennifer Glaser,2016-03-10 In the decades following World War II many American Jews sought to downplay their difference as a means of assimilating into Middle America Yet a significant minority including many prominent Jewish writers and intellectuals clung to their ethnic difference using it to register dissent with the status quo and act as spokespeople for non white America In this provocative book Jennifer Glaser examines how racial ventriloquism became a hallmark of Jewish American fiction as Jewish writers asserted that their own ethnicity enabled them to speak for other minorities Rather than simply condemning this racial ventriloquism as a form of cultural appropriation or commending it as an act of empathic imagination Borrowed Voices offers a nuanced analysis of the technique judiciously assessing both its limitations and its potential benefits Glaser considers how the practice of racial ventriloquism has changed over time examining the books of many well known writers including Bernard Malamud Cynthia Ozick Philip Roth Michael Chabon Saul Bellow and many others Bringing Jewish studies into conversation with critical race theory Glaser also opens up a dialogue between Jewish American literature and other forms of media including films magazines and graphic novels Moreover she demonstrates how Jewish American fiction can help us understand the larger anxieties about ethnic identity authenticity and authorial voice that emerged in the wake of the civil rights movement

**The Routledge Handbook of Queer Rhetoric** Jacqueline Rhodes,Jonathan Alexander,2022-04-25 The Routledge Handbook of Queer Rhetoric maps the ongoing becoming of queer rhetoric in the late twentieth and early twenty first centuries offering a dynamic overview of the history of and scholarly research in this field The handbook features rhetorical scholarship that explicitly uses and extends insights from work in queer and trans theories to understand and critique intersections of rhetoric gender class and sexuality More important chapters also attend to the intersections of constructs of queerness with race class ability and neurodiversity In so doing the book acknowledges the many debts contemporary queer theory has to work by scholars of color feminists and activists inside and outside the academy The first book of its kind the handbook traces and documents the emergence of this subfield within rhetorical studies while also pointing the way toward new lines of inquiry new trajectories in scholarship and new modalities and methods of analysis critique intervention and speculation This handbook is an invaluable resource for scholars graduate students and advanced undergraduate students

studying rhetoric communication cultural studies and queer studies      **Rhetorical Listening** Krista Ratcliffe, 2005 Long ignored within rhetoric and composition studies listening has returned to the disciplinary radar Rhetorical Listening Identification Gender Whiteness argues that rhetorical listening facilitates conscious identifications needed for cross cultural communication      *The Freest Country in the World* Stephen Brockmann, 2023 Shows that while the GDR is generally seen as and mostly was an oppressive and unfree country from late 1989 until autumn 1990 it was the freest country in the world the dictatorship had disappeared while the welfare system remained Stephen Brockmann's new book explores the year 1989 1990 in East Germany arguing that while the GDR is generally seen as and was for most of its forty years an oppressive and unfree country from autumn 1989 until the autumn of 1990 it was the freest country in the world since the dictatorship had disappeared while the welfare system remained That such freedom existed in the last months of the GDR and was a result of the actions of East Germans themselves has been obscured Brockmann shows by the now standard description of the collapse of the GDR and the reunification of Germany as a triumph of Western democracy and capitalism Brockmann first addresses the culture of 1989 1990 by looking at various media from that final year particularly film documentaries He emphasizes punk culture and the growth of neo Nazism and the Antifa movement factors often ignored in accounts of the period He then analyzes three later semiautobiographical novels about the period He devotes chapters to dramatic films dealing with German reunification made relatively soon after the event and to more recent film and television depictions of the period respectively The final chapter looks at monuments and memorials of the 1989 1990 period and a conclusion considers the implications of the book's findings for the present day      *Pedagogies of the Imagination* Timothy Leonard, Peter Willis, 2008-06-11 I have long admired the mythopoetic tradition in curriculum studies That admiration followed from my experience as a high school teacher of English in a wealthy suburb of New York City at the end of the 1960s A dream job I taught four classes of 15 20 students during a nine period day in a dream suburb where I could afford to reside only by taking a room in a retired teacher's house many of these often Ivy League bound students had everything but meaningful lives This middle class Midwestern young teacher was flabbergasted In one sense my academic life has been devoted to understanding that searing experience Matters of meaning seemed paramount in the curriculum field to which Paul Klohr introduced me at Ohio State Klohr assigned me the work of curriculum theorists such as James B Macdonald Like Timothy Leonard who also studied with Klohr at Ohio State and Peter Willis Macdonald 1995 understood that school reform was part of a broader cultural and political crisis in which meaning is but one casualty In the mythopoetic tradition in curriculum studies scholars labor to understand this crisis and the conditions for the reconstruction of meaning in our time in our schools      Searching for the New Black Man Ronda C. **Companion to Virginia Woolf and the Arts** Maggie Humm, 2010-04-20 The Edinburgh Companion to Virginia Woolf and the Arts is the most authoritative and up to date guide to Virginia Woolf's artistic influences and associations. In original extensive and newly researched chapters by internationally recognised authors the Companion explores Woolf's ideas about creativity and the nature of art in the context of the recent turn to the visual in modernist studies with its focus on visual technologies and the significance of material production. The in-depth chapters place Woolf's work in relation to the most influential aesthetic theories and artistic practices including Bloomsbury aesthetics, art and race, Vanessa Bell and painting, art galleries, theatre, music, dance, fashion, entertaining, garden and book design, broadcasting, film and photography. No previous book concerned with Woolf and the arts has been so wide-ranging or has paid such close attention to both public and domestic art forms. Illustrated with 16 colour as well as 39 black and white illustrations and with guides to further reading the Companion will be an essential reference work for scholars, students and the general public. **Key Features:** An essential reference tool for all those working on or interested in Virginia Woolf, the arts, visual culture and modernist studies. Provides a new intellectual framework for the exciting discoveries of the past decades. Draws on archival and historical research into Virginia Woolf's manuscripts and her Bloomsbury milieu. Original chapters from expert contributors newly commissioned by Maggie Humm, widely known for her important work on Virginia Woolf and visual culture. Combines broad synthesis and original reflection setting Woolf's work in historical, cultural and artistic contexts.

**Ralph Ellison and the Raft of Hope** Lucas E. Morel, 2014-07-11 An important new collection of original essays that examine how Ellison's landmark novel *Invisible Man* (1952) addresses the social, cultural, political, economic and racial contradictions of America. Commenting on the significance of Mark Twain's writings, Ralph Ellison wrote that a novel could be fashioned as a raft of hope, perception and entertainment that might help keep us afloat as we tried to negotiate the snags and whirlpools that mark our nation's vacillating course toward and away from the democratic ideal. Ellison believed it was the contradiction between America's noble ideals and the actualities of our conduct that inspired the most profound literature the American novel at its best. Drawing from the fields of literature, politics, law and history, the contributors make visible the political and ethical terms of *Invisible Man* while also illuminating Ellison's understanding of democracy and art. Ellison hoped that his novel, by providing a tragicomic look at American ideals and mores, would make better citizens of his readers. The contributors also explain Ellison's distinctive views on the political tasks and responsibilities of the novelist, an especially relevant topic as contemporary writers continue to confront the American incongruity between democratic faith and practice. *Ralph Ellison and the Raft of Hope* uniquely demonstrates why *Invisible Man* stands as a premier literary meditation on American democracy.

**Approaches to Teaching the Novels of Nella Larsen** Jacquelyn Y. McLendon, 2016-09-01 Nella Larsen's novels *Quicksand* and *Passing*, published at the height of the Harlem Renaissance, fell out of print and were thus little known for many years. Now widely available and taught, *Quicksand* and *Passing* challenge conventional tragic mulatta and passing

narratives In part 1 Materials of Approaches to Teaching the Novels of Nella Larsen the editor surveys the canon of Larsen s writing evaluates editions of her works recommends secondary readings and compiles a list of useful multimedia resources for teaching The essays in part 2 Approaches aim to help students better understand attitudes toward women and race during the Harlem Renaissance the novels relations to other artistic movements and legal debates over racial identities in the early twentieth century In so doing contributors demonstrate how new and seasoned instructors alike might use Larsen s novels to explore a wide range of topics including Larsen s short stories and letters the relation between her writings and her biography and the novels discussion of gender and sexuality
