Do Not Pass Go Kirkpatrick Hill, 2008-06-17 Deet's world turns upside down when his father is arrested for drug use It doesn't seem possible that kind caring Dad could be a criminal After all he only took the pills to stay awake so he could work two jobs Now what will happen How will Deet be able to face his classmates Where will they get money And most importantly will Dad be okay in prison Hurt angry and ashamed Deet doesn't want to visit his father in jail But when Mom goes back to work Deet starts visiting Dad after school It's frightening at first but as he adjusts to the routine Deet begins to see the prisoners as people with stories of their own just like his dad Deet soon realizes that prison isn't the terrifying place of movies and nightmares In fact Dad's imprisonment leads Deet to make a few surprising discoveries about his father his friends and himself With moving realism Kirkpatrick Hill brings to light the tumultuous experience of having a parent in jail in this honest and stirring story of a young man forced to grow up quickly

received a phone call from the past When she recognized Karen s voice Ruby s heart had pounded so hard that it nearly jumped out of her chest Karen had brought an unbelievable story with proof to back it up Ruby s happiness was bubbling over her as she watched Annie get to know her daddy that she looked so much like For a few weeks it seemed that the pieces of Ruby s life had been placed back in some form of order with all her dark dreams of yesterday nestled in silver linings Ruby s family was gathered around her now with love and laughter filling every corner of her life that was until tonight The phone rang When it was answered in a matter of just a few words the voice on the other end turned the laughter into fear They were told to get away at once not to take time to get anything but themselves Grandpa s monsters had found them Ruby even her family was no longer safe This meant they would have to battle with their lives on the line Ruby just prayed that her husband had not forgotten how to think like these terrible heartless men that was determined to follow the code of their Hagen family Ruby wondered how far they would have to run and hide to stay ahead of these devils Silently Ruby prayed that they would be able to keep their darling little Annie alive The frightened group crossed the state of Georgia going into the mountains of Tennessee before finding a place that might be a safe place for them Settling into a lovely log house Karen with her family was across the gravel road in a house almost identical to the one that Ruby had chosen How long they could hide here Ruby didn t know Nor did she know what kinds of battles they would face before this nightmare was over Ruby knew one thing that she felt to the very core of her soul Annie was in grave danger and Ruby was afraid that there would be no way to save her
