Passing Through Havana Felicia Rosshandler,1975      *Passing Through Havana* Felicia Rosshandler,1984      *Havana* Mark Kurlansky,2018-03-06 A city of tropical heat ramshackle beauty and its very own cadence a city that always surprises Havana is brought to pulsing life by New York Times bestselling author Mark Kurlansky Award winning author Mark Kurlansky presents an insider s view of Havana the elegant tattered city he has come to know over more than thirty years Part cultural history part travelogue with recipes historic engravings photographs and Kurlansky s own pen and ink drawings throughout Havana celebrates the city s singular music literature baseball and food its five centuries of outstanding neglected architecture and its extraordinary blend of cultures Like all great cities Havana has a rich history that informs the vibrant place it is today from the native Taino to Columbus s landing from Cuba s status as a U S protectorate to Batista s dictatorship and Castro s revolution from Soviet presence to the welcoming of capitalist tourism Havana is a place of extremes a beautifully restored colonial city whose cobblestone streets pass through areas that have not been painted or repaired since long before the revolution Kurlansky shows Havana through the eyes of Cuban writers such as Alejo Carpentier and Jos Mart and foreigners including Graham Greene and Hemingway He introduces us to Cuban baseball and its highly opinionated fans the city s music scene alive with the rhythm of son its culinary legacy Through Mark Kurlansky s multilayered and electrifying portrait the long elusive city of Havana comes stirringly to life      Letters from Cuba Ruth Behar,2021-08-31 Pura Belpr Award Winner Ruth Behar s inspiring story of a Jewish girl who escapes Poland to make a new life in Cuba where she works to rescue the rest of her family The situation is getting dire for Jews in Poland on the eve of World War II Esther s father has fled to Cuba and she is the first one to join him It s heartbreaking to be separated from her beloved sister so Esther promises to write down everything that happens until they re reunited And she does recording both the good the kindness of the Cuban people and her discovery of a valuable hidden talent and the bad the fact that Nazism has found a foothold even in Cuba Esther s evocative letters are full of her appreciation for life and reveal a resourceful determined girl with a rare ability to bring people together all the while striving to get the rest of their family out of Poland before it s too late Based on Ruth Behar s family history this compelling story celebrates the resilience of the human spirit in the most challenging times      *Crossing the Borders of Time* Leslie Maitland,2013-01-08 On a pier in Marseille in 1942 with desperate refugees pressing to board one of the last ships to escape France before the Nazis choked off its ports an 18 year old German Jewish girl was pried from the arms of the Catholic Frenchman she loved and promised to marry As the Lipari carried Janine and her family to Casablanca on the first leg of a perilous journey to safety in Cuba she would read through her tears the farewell letter that Roland had slipped in her pocket Whatever the length of our separation our love will survive it because it depends on us alone I give you my vow that whatever the time we must wait you will be my wife Never forget never doubt Five years later her fierce desire to reunite with Roland first obstructed by war and then in secret by her father

and brother Janine would build a new life in New York with a dynamic American husband That his obsession with Ayn Rand tormented their marriage was just one of the reasons she never ceased yearning to reclaim her lost love Investigative reporter Leslie Maitland grew up enthralled by her mother s accounts of forbidden romance and harrowing flight from the Nazis Her book is both a journalist s vivid depiction of a world at war and a daughter s pursuit of a haunting question what had become of the handsome Frenchman whose picture her mother continued to treasure almost fifty years after they parted It is a tale of memory that reporting made real and a story of undying love that crosses the borders of time *Landing in New York* Felicia Rosshandler,2019-11-21 With a need to belong and a desire to lead different lives Felicia Rosshandler is torn between adventure and meaning These memoir stories chronicle the masks she used to navigate the chaos and glamor of mid century New York She explores Village bohemia and the budding sexual freedoms of her time she drops out of college and runs off to existential Paris with an artist her languages open doors to plum jobs in journalism including Life magazine She finds her way into the city s art and literary circles but her primary focus is never on career as much as it is on a search for permanence through tumultuous love affairs Marriage finally offers the security of family but comes at a price It is perhaps the curse of the refugee to never feel totally whole to always yearn for something that has been lost
