Passion for Golf Roland Merullo, 2011-08 Merullo looks carefully at those connections and at the reasons why people find themselves irresistibly attracted to golf Drawing on the triumphs and travails of playing partners friends and family members and mixing in anecdotes from his own adventures he explores the notion of a true goal of golf a hidden attraction that has more to do with deep peace and satisfaction than with the dream of playing on the PGA tour

The Passion of Michel Foucault James Miller, 2000 Based on extensive new research and a bold interpretation of the man and his texts The Passion of Michel Foucault is a startling look at one of this century's most influential philosophers It chronicles every stage of Foucault's personal and professional odyssey from his early interest in dreams to his final preoccupation with sexuality and the nature of personal identity

Expanding Underground - Knowledge and Passion to Make a Positive Impact on

the World Georgios Anagnostou, Andreas Benardos, Vassilis P. Marinos, 2023-04-12 Expanding Underground Knowledge and Passion to Make a Positive Impact on the World contains the contributions presented at the ITA AITES World Tunnel Congress 2023 Athens Greece 12-18 May 2023. Tunnels and underground space are a predominant engineering practice that can provide sustainable, cost-efficient and environmentally friendly solutions to the ever-growing needs of modern societies. This underground expansion in more diverse and challenging infrastructure types or to novel underground uses can foster the changes needed. At the same time, the tunneling and underground space community needs to be better prepared and equipped with knowledge, tools and experience to deal with the prevailing conditions to successfully challenge and overcome adversities on this path. The papers in this book aim at contributing to the analysis of challenging conditions, the presentation and dissemination of good practices, the introduction of new concepts, new tools and innovative elements that can help engineers and all stakeholders to reach their end goals. Expanding Underground Knowledge and Passion to Make a Positive Impact on the World covers a wide range of aspects and topics related to the whole chain of the construction and operation of underground structures: Knowledge and Passion to Expand Underground for Sustainability and Resilience; Geological Geotechnical Site Investigation and Ground Characterization; Planning and Designing of Tunnels and Underground Structures; Mechanised Tunnelling and Microtunnelling; Conventional Tunnelling; Drill and Blast Applications; Tunnelling in Challenging Conditions; Case Histories and Lessons Learned; Innovation; Robotics and Automation; BIM; Big Data and Machine Learning Applications in Tunnelling; Safety; Risk and Operation of Underground Infrastructure; and Contractual Practices; Insurance and Project Management. The book is a must-have reference for all professionals and stakeholders involved in tunneling and underground space development projects.

A Passion for Justice Robert C. Solomon, 1995. This text argues that justice is a virtue which everyone shares a function of personal character and not just of government or economic planning. It uses examples from Plato to Ivan Boesky to document how we live and how we feel.

Passion and Play Michelle Clough, 2022-04-19. Hoping to add some steam and sex to your next game? Then this book is for you. This practical guide provides you with the foundational tools needed to write design and create healthy sexual content in video games in ways that are narratively compelling, varied and hot. Challenging the assumptions that sex in games is superfluous, exploitative or only of interest to straight guys, this book encourages designers to create meaningful, enjoyable sexual content for all audiences. Using examples from well-known AAA games and some standout indie content, each chapter provides a framework to guide game writers, designers and developers through the steps of creating and executing sexual content in their games, from early concept to setting it up in larger game narrative and finally to executing specific sexual scenes and sequences. It also lays out a host of details and considerations that while easily missed or forgotten can have a major impact on the quality or theme of the scene. Offering expert insight and ideas for creating sex scenes in games, this book is vital reading for game designers, writers and narrative designers who are interested in making games with sexual content. It will also appeal to

artists cutscene directors audio engineers composers and programmers working on these games or really any game developer with an interest in the topic

A Passion to Lead Jim Calhoun, Richard Ernsberger, Jr., 2007-10-02 Motivation Success Leadership Passion Hall of Fame college basketball coach Jim Calhoun shares his secrets for success for the first time ever in *A Passion to Lead* Coach Jim Calhoun is one of the most successful coaches in college basketball history Having sent countless players to the NBA Coach Calhoun is known for producing not just great athletes but great human beings He is both an exceptional leader and self made man whose ability to motivate and inspire young men is unsurpassed In *A Passion to Lead* he shares the fundamental principles that have allowed him to have an impact on so many When he took command of the Connecticut Huskies the team had had a losing record for five straight seasons In twenty one years of leadership Calhoun has transformed a middling regional program into a national powerhouse with two NCAA championships But what makes Coach Calhoun such an excellent leader How did he take a program with a modest tradition and turn it into a national champ and perennial title contender What is his management style What are his motivational techniques Calhoun reveals them here and includes anecdotes about his life as a coach family man and ultimately a teacher as well as the following key principles
