Roger Dale Brown a Passion for Painting Roger Dale Brown, 2016-02-15 A Passion for Painting aptly describes Roger Dale Brown and his life long fervor for artistic excellence. Even a casual visit to his studio will unveil his dedication and commitment for painting. Eye opening massive landscapes stand on his easel and adorn the walls waiting for transit to eager gallery owners and collectors from Maine to Montana. Looking around the viewer is drawn not so much by the detail as by the subtleness of design and colors on canvas. These pages are embellished with over 200 images from the brush of one of America's premier landscape artist Roger Dale Brown. Although his Southern heritage emerges throughout this book he equally embraces the culture and ambience from other places then interprets the scene with his signature mixture of oil paint. No matter where the book is opened the journey through script and illustration are alluring. The artist's ultimate aim should be to evoke the mood of a strand of time. Roger reflects I use the scene as a platform to create from instead of being literal to it. God mad us creative. If we are being literal to a scene and do not interpret with our own voice we are depriving ourselves of using the talent given to us to its greatest capability. Follow Roger as he travels through like exploring regions of this country and abroad. The paintings he renders are tributes to his craftsmanship an artistic voice that is clearly A Passion For Painting
