Passion And Politics The Turbulent World Of The Arabs:

Passion and Politics Sandra Mackey, 1994 The acclaimed author of *The Saudis* explores the history and culture the issues and personalities behind one of the world's most misunderstood regions Popular history of a high order on a subject of contemporary significance Kirkus Reviews

Passion and Politics Sandra Mackey, 1992 The rise of Arab nationalism is dramatically chronicled against the background of such landmark events as the war for Palestine the three major armed conflicts with Israel the oil embargo the spread of terrorism the Iraq Iran war the Intifadah and the Gulf War All this is set within a brilliantly explicated context of Arab culture psychology and religion that goes far to illumine the bonds that hold the Arab world together and the rivalries that split it apart Whether dealing with the course of the struggle for Palestine the complex chain of events leading up to the Iraqi invasion of Kuwait the twists and turns of U S relations with the Arab nations or any of the other thorny issues that come with the territory *Passion and Politics* is remarkable for its evenhanded objectivity

Mirror of the Arab World: Lebanon in Conflict Sandra Mackey, 2009-03-16 In this clear concise volume Mackey provides a unique view of the tortured and tortuous Arab region through the lens of Lebanon

The Trouble with Islam Today Irshad Manji, 2005-03-16 In this open letter to Muslims and non Muslims alike Manji unearths the troubling cornerstones of mainstream Islam today tribal insularity deep seated anti Semitism and an uncritical acceptance of the Koran as the final and therefore superior manifesto of God

Passionate Nomad Jane Fletcher Geniesse, 2010-07-21 A New York Times Notable Book Finalist for the PEN Martha Albrand Award for First Nonfiction Highly readable biography The woman who emerges from these pages is a complex figure heroic driven and entirely human Richard Bernstein The New York Times *Passionate Nomad* captures the momentous life and times of Freya Stark with precision compassion and marvelous detail Hailed by The Times of London as the last of the Romantic Travellers upon her death in 1993 Freya Stark combined unflappable bravery formidable charm fearsome intellect and ferocious ambition to become the twentieth century's best known woman traveler Digging beneath the mythology Geniesse uncovers a complex controversial and quixotic woman whose indomitable spirit was forged by contradictions a child of privilege Stark grew up in near poverty yearning for formal education she was largely self taught longing for love she consistently focused on the wrong men Despite these hardships Stark's astonishing career spanned more than sixty years during which she produced twenty two books that sealed her reputation as a consummate woman of letters This edition includes a new Epilogue by the author that citing newly discovered evidence calls into question the circumstances of Stark's birth and adds new insight into this adventurous and lively personality Praise for *Passionate Nomad* *Passionate Nomad* is a work of nonfiction that reads and sings with the drama and lilt of a fine novel The story of Freya Stark is stunning inspiring sad funny unique and moving Jane Fletcher Geniesse tells it straight but with a care for delicious detail and a sympathy for the characters that make this a truly special book Jim Lehrer *Passionate Nomad* supplies a fascinating individual thread in the tapestry of twentieth century Middle Eastern history Geniesse has achieved in the end

an admirable focus at once critical and sympathetic For all Stark s unresolved contradictions her distinction as a latter day woman of letters survives The New York Times Book Review Compulsively readable Geniesse has done a thorough job re-creating the life of a woman many consider to be the last of the great romantic travelers The Plain Dealer Cleveland *The Reckoning* Sandra Mackey,2003 Saddam Hussein is high on America s enemies listbut does an Iraq without him hold the seeds of the next Yugoslavia To the dismay of many in the West the Gulf War ended with Saddam Hussein still in control still defiant and determined to use any means of striking back This book sounds an urgent note of caution a future Iraq without Hussein could be even more unstable and more problematical to the security of the United States The Reckoning is an account of the forceshistorical religious ethnic and politicalthat produced Saddam s dictatorship Forged after World War I from the Mesopotamian region of the collapsed Ottoman Empire Iraq s people have never had a national identity or a sense of common purpose Hussein ruling by terror rather than persuasion has pitted the various ethnic groups religious interests and tribes against each other and in so doing achieved the destruction of Iraq s middle class and civilized society After he goes however he goes the country could be the site of conflict even more vicious than the Balkan wars *Rage* Abigail R. Esman,2020-10-01 2022 IPPY Gold Medal in Current Events In the days after 9 11 Abigail R Esman walked the streets of New York haunted by a feeling that was eerily familiar the trauma of violence that hovered in the air Friends family and strangers moved walked even stood as she herself had done earlier as a victim of domestic battery and abuse Since then Esman a journalist who specializes in writing on terrorism and radicalization has studied the connections between domestic abuse and terrorism and the forces that inspire both forms of violence In *Rage* Narcissism Patriarchy and the Culture of Terrorism Esman brings into focus the complex web that ties them together illuminating the terrorist psyche and the cultures that create it With this new approach to understanding terrorism and violence Esman presents clear explanations of pathological narcissism and its roots in shame honor cultures both familial and sociopolitical through portraits of terrorists and batterers including O J Simpson Osama bin Laden Anders Breivik and Dylann Roof The insights of psychiatrists former white supremacists Islamist terrorists national security experts and others elaborate her thesis while Esman s own experiences with abuse and the aftermath of 9 11 on the streets of New York City further enrich the narrative At a time when so many lives are threatened by public violence and terrorism understanding the forces that incite them has become crucial and finding solutions urgent Esman proposes social and policy initiatives aimed at reducing violence while engendering social equality and enriching women s rights Such proposals she argues are essential to overcoming the cultural and political forces that hinder progress toward security and peace This groundbreaking book sheds new light on the roots of violence and terrorism while advancing proactive measures to protect our values and traditions of justice equality and freedom

Historical Dictionary of Arab and Islamic Organizations Frank Clements,2001 Unity is an often heard word in Arab and Islamic circles This historical dictionary seeks to show that along with the underlying sources of unity there are also

sources of division in these groups Unlike other volumes in this series this volume focuses not only on the organizations but also on the key countries and figures of the region Includes o An explanatory introduction o List of Acronyms o Chronology o Bibliography

Quicksand Geoffrey Wawro,2010-04-01 An unprecedented history of our involvement in the Middle East that traces our current quandaries there in Iraq Israel Iran Afghanistan and elsewhere back to their roots almost a century ago Geoffrey Wawro approaches America s role in the Middle East in a fundamentally new way by encompassing the last century of the entire region rather than focusing narrowly on a particular country or era The result is a definitive and revelatory history whose drama tragedy and rich irony he relates with unprecedented verve Wawro combed archives in the United States and Europe and traveled the Middle East to unearth new insights into the hidden motivations backroom dealing and outright espionage that shaped some of the most tumultuous events of the last one hundred years Wawro offers piercing analysis of iconic events from the birth of Israel to the death of Sadat from the Suez crisis to the energy crisis from the Six Day War to Desert One from Iran contra to the wars in Iraq and Afghanistan and the rise of al Qaeda Throughout he draws telling parallels between America s past mistakes and its current quandaries proving that we re in today s muddle not just because of our old errors but because we keep repeating those errors America has juggled multiple commitments and conflicting priorities in the Middle East for nearly a century Strands of idealism and ruthless practicality have alternated and sometimes run together in our policy Quicksand untangles these strands as no history has done before by showing how our strategies unfolded over the entire century and across the entire region We ve persistently misread the intentions and motivations of every major player in the region because we ve insisted on viewing them through the lens of our own culture hopes and fears Most administrations since Eisenhower s have adopted their own doctrine for the Middle East and almost every doctrine has failed precisely because it s a doctrine a template into which events on the ground refuse to fit Geoffrey Wawro s peerless and remarkably lively history is key to understanding our errors and the Middle East at last on its own terms

The Inhumanity of Right Christos Yannaras,2022-01-01 Christos Yannaras pioneering critique of the concept of the right of the individual is presented in English for the first time This central aspect of political theory since Hegel s Philosophy of Right summarizes the philosophical and cultural identity of the paradigm of modernity but the philosophical assumptions underlying the concept of right have not hitherto been subject to scrutiny Yannaras shows that the starting point of the concept of right is a phenomenalist naturalism which presupposes an abstract concept of the human subject as a fundamentally undifferentiated natural individual The question is also explored of how the priority accorded to this concept of right is related to the contemporary crisis of the modern politico social paradigm while a new preface from the translator underlines the continued significance of Yannaras proposal for Anglophone readers Against the modern concept of right with its illusion of objectivity The Inhumanity of Right sketches out the basic lines of a political theory that prioritizes new social needs that reflect the relational character of the human person

The Trouble with Islam Irshad Manji,2007-04-01 I have

to be honest with you Islam is on very thin ice with me Through our screaming self pity and our conspicuous silences we Muslims are conspiring against ourselves We re in crisis and we re dragging the rest of the world with us If ever there was a moment for an Islamic reformation it s now For the love of God what are we doing about it In blunt provocative and deeply personal terms Irshad Manji unearths the troubling cornerstones of mainstream Islam today tribal insularity deep seated anti Semitism and an uncritical acceptance of the Koran as the final and therefore superior manifesto of God In this open letter to Muslims and non Muslims alike Manji asks arresting questions Who is the real colonizer of Muslims America or Arabia Why are we all being held hostage by what s happening between the Palestinians and the Israelis Why are we squandering the talents of women fully half of God s creation What s our excuse for reading the Koran literally when it s so contradictory and ambiguous Is that a heart attack you re having Make it fast Because if more of us don t speak out against the imperialists within Islam these guys will walk away with the show Manji offers a practical vision of how the United States and its allies can help Muslims undertake a reformation that empowers women promotes respect for religious minorities and fosters a competition of ideas Her vision revives Islam s lost tradition of independent thinking This book will inspire struggling Muslims worldwide to revisit the foundations of their faith It will also compel non Muslims to start posing the important questions without fear of being deemed racists In more ways than one *The Trouble with Islam* is a clarion call for a fatwa free future

The Iranians Sandra Mackey, Scott Harrop, 1998-04-01 Throughout its long and complex history Iran has struggled with two warring identities one evolving from the values social organization and arts of ancient Persia the other from Islam By examining the relationship between these two identities *The Iranians* explains how the revolution of 1979 came about why the Islamic Republic has failed and how Iran today is on the brink of chaos In this defining portrait of a troubled nation and the forces that shape it Iranian history and religion become accessible to the nonspecialist Combining impeccable scholarship with the human insight of firsthand observations *The Iranians* provides vital understanding of this unique and pivotal nation WITH A NEW AFTERWORD BY THE AUTHOR

Allies that Count Olivier Schmitt, 2018 In *Allies That Count* Olivier Schmitt analyzes the utility of junior partners in coalition warfare determines which political and military variables are more likely to create utility and challenges the conventional wisdom about the supposed benefit of having as many states as possible in a coalition

American Orientalism Douglas Little, 2009-09-15 Douglas Little explores the stormy American relationship with the Middle East from World War II through the war in Iraq focusing particularly on the complex and often inconsistent attitudes and interests that helped put the United States on a collision course with radical Islam early in the new millennium After documenting the persistence of orientalist stereotypes in American popular culture Little examines oil Israel and other aspects of U S policy He concludes that a peculiar blend of arrogance and ignorance has led American officials to overestimate their ability to shape events in the Middle East from 1945 through the present day and that it has been a driving force behind the Iraq war For this updated third edition Little covers events through 2007 including

a new chapter on the Bush Doctrine demonstrating that in many important ways George W Bush s Middle Eastern policies mark a sharp break with the past **Newsletter** United States. Department of State,1993 *Historical Dictionary of the Arab-Israeli Conflict* P R Kumaraswamy,2015-10-08 This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict **The A to Z of the Arab-Israeli Conflict** P R Kumaraswamy,2009-07-24 The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves **State** ,1993 One Day in September Simon Reeve,2011-08 A page turner Highly skilled and detailed David Denby The New Prophets and Princes Mark Weston,2011-04-20 Saudi Arabia oil rich devoutly Muslim and a vital ally To many in the West Saudi Arabia is easy to criticize It is the birthplace of Osama bin Laden and fifteen of the nineteen 9 11 hijackers Saudi women are not permitted to drive work with men or travel without a man s permission Prior to 9 11 the Saudis sent millions of dollars abroad to schools that taught Muslim extremism and to charities that turned out to be fronts for al Qaeda In Prophets and Princes a highly respected scholar who has lived in Saudi Arabia contends that despite these serious shortcomings the kingdom is still America s most important ally in the Middle East a voice for moderation toward Israel and a nation with a surprising ability to make many of the economic and cultural changes necessary to adjust to modern realities Author Mark Weston offers an objective and balanced history of the only nation on earth named after its ruling family Drawing on interviews with many Saudi men and women Weston portrays a complex society in which sixty percent of Saudi Arabia s university students are women and citizens who seek a constitutional monarchy can petition the king without fear of reprisal Filled with new and underreported information about the most controversial aspects of life in Saudi Arabia Prophets and Princes is a must read for anyone interested in the Middle East oil Islam or the war on terror
