Seeking Sicily John Keahey, 2011-11-08 Keahey's exploration of this misunderstood island offers a much needed look at a much maligned land Paul Paolicelli author of Under the Southern Sun Sicily is the Mediterranean's largest and most mysterious island Its people for three thousand years under the thumb of one invader after another hold tightly onto a culture so unique that they remain emotionally and culturally distinct viewing themselves first as Sicilians not Italians Many of these islanders carrying considerable DNA from Arab and Muslim ancestors who ruled for 250 years and integrated vast numbers of settlers from the continent just ninety miles to the south say proudly that Sicily is located north of Africa not south of Italy Seeking Sicily explores what lies behind the soul of the island's inhabitants It touches on history archaeology food the Mafia and politics and looks to nineteenth and twentieth century Sicilian authors to plumb the islanders so called Sicilitudine This culture apart is best exemplified by the writings of one of Sicily's greatest writers Leonardo Sciascia Seeking Sicily also looks to contemporary Sicilians who have never shaken off the influences of their forbearers who believed in the ancient gods and goddesses Author John Keahey is not content to let images from the island's overly touristed villages carry the story Starting in Palermo he journeyed to such places as Arab founded Scopello on the west coast the Greek ruins of Selinunte on the southwest and Sciascia's ancestral village of Racalmuto in the south where he experienced unique local festivals He spent Easter Week in Enna at the island's center witnessing surreal processions that date back to Spanish rule And he learned about Sicilian cuisine in Spanish Baroque Noto and Greek Siracusa in the southeast and met elderly retired fishermen in the tiny east coast fishing village of Aci Trezza

home of the mythical Cyclops and immortalized by Luchino Visconti's mid 1940s film masterpiece *La terra trema*. He walked near the summit of Etna, Europe's largest and most active volcano, studied the mountain's role in creating this island and looked out over the expanse of the Ionian Sea, marveling at the three millennia of myths and history that forged Sicily into what it is today.

From Scratch Tembi Locke, 2019-04-30 Now a limited Netflix series starring Zoe Saldana. This Reese Witherspoon Book Club Pick and New York Times bestseller is a captivating story of love lost and found. Kirkus Reviews set in the lush Sicilian countryside where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef Saro on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three summers Tembi spends in Sicily with her daughter Zoela as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment, literally and spiritually, at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple, fresh food, the embrace of a close-knit community, and timeless traditions and wisdom that light a path forward. All along the way, she reflects on her and Saro's romance, an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death; in Tembi Locke's case, it is both. Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones. Publishers Weekly but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is delicious.

Sicilian Splendors John Keahey, 2018-11-13 A wondrously joyous account of travel as it should be. Publishers Weekly. A travel narrative that focuses on Sicily's little-known regions from the author of *Seeking Sicily* and *Hidden Tuscany*. From Palermo to Castiglione di Sicilia to Alimena, Sicily holds great secrets from the past and unspoken promises. Tradition in the form of festivals, the written word, photographs, and song reverberates through village walls. Now slowly shaking itself free of the Mafia, Sicily is opening itself up to visitors in ways it never has before. *Sicilian Splendors* explores the history, politics, food, Mafia, and people which John Keahey encounters throughout his travels during his return to Sicily. Through conversing with natives and immersing himself in culture, Keahey illustrates a brand-new Sicily no one has ever talked about before. Villagers eager to welcome tourism and impart awareness of their cultural background greet Keahey for meals and drink and walk him through their winding streets. They share stories of well-known writers such as Maria Messina who have found inspiration in Sicily's villages. Keahey's never-ending curiosity as a traveler shines light on Sicily's mythical mysteries and portrays the island not only through his eyes but also through Sicily's heart. This picturesque

travel memoir navigates Sicily today and seeks to understand Sicily's past. In lyrical prose and vivid dialect Keahey paints images of the island's villages, people, and culture with careful strokes and a meticulously even hand. Keahey not only serves as a guide through the marvel of Sicily's identity but he also looks deeply into Sicily's soul. **The Sicilian's Unexpected Duty** Michelle Smart, 2025-06-23. There is no food quite like a grandmother's time-perfected dish. Inspired by their own grandmothers and the love they shared through the food they served, Anastasia Miari and Iska Lupton embarked on a mission from Corfu to Cuba, Moscow to New Orleans, and many more in between. They set out to capture cooking methods, regional recipes, and timeless wisdom from grandmothers around the world. The result is *Grand Dishes*, a journey across four years of cooking with the world's grandmothers, a preservation not just of recipes but of the stories told through the dishes that have seasoned these grandmothers' lives. Featured alongside are contributions from celebrated chefs and food writers, each with their own grandmother's recipe to share.
