Passion For The Inner City:

The Inner City Karen Heuler, 2021-06-18 Heuler's stories dart out at what the world is doing and center on how the individual copes with it. Anything is possible: people breed dogs with humans to create a servant class beneath one great city; lies; another city running it surreptitiously; an employee finds that her hair has been stolen by someone intent on getting her job; strange fish fall from trees and birds talk too much; a boy tries to figure out what he can get when the Rapture leaves good stuff behind. Everything is familiar, everything is different. Behind it all is there some strange kind of design or merely just the chance to adapt. In Heuler's stories, characters cope with the strange without thinking it's strange, sometimes invested in what's going on, sometimes trapped by it but always finding their own way in. Inner City Hoodlum Donald Goines, 1992-08 Johnny Washington, a black teenager in Los Angeles, knows the freight yards like the back of his hand. He and his pals Josh and Buddy hit them often, stealing for a fence. They have to: they're the sole support of their families. But when Josh is killed by a security guard, they are forced to look for other work. They find it with the underworld kings in Elliot Davis. Back cover. **Tales from the Inner City** Shaun Tan, 2022 **Inner City Pressure: The Story of Grime** Dan Hancox, 2018-05-17 A GUARDIAN OBSERVER PITCHFORK NPR METRO AND HERALD SCOTLAND BEST MUSIC BOOK OF 2018 The definitive grime biography NME A landmark genre history Pitchfork Zoo City Lauren Beukes, 2016-08-16 A new edition of Lauren Beukes's Arthur C Clarke Award-winning novel set in a world where murderers and other criminals acquire magical animals that are mystically bonded to them. Zinzi has a Sloth on her back, a dirty 419 scam habit, and a talent for finding lost things. When a little old lady turns up dead and the cops confiscate her last paycheck, Zinzi's forced to take on her least favorite kind of job: missing persons. Being hired by reclusive music producer Odi Huron to find a teenybop pop star should be her ticket out of Zoo City, the festering slum where the criminal underclass and their animal companions live in the shadow of hell's undertow. Instead, it catapults Zinzi deeper into the maw of a city twisted by crime and magic, where she'll be forced to confront the dark secrets of former lives, including her own. Inner City Struggles C.R. Rhyne-Brett, 2006-08-10 Inner City Struggles tells the hardcore reality of three brothers: C Loc, TJ, and Lil Willie, growing up in these wicked LA streets. The story begins in the summer of 1985 and concludes in the year 2002. This street fiction work of art covers gang life, pimping, gambling, sex, drugs, family values, political issues, and religion. Journey with C Loc, TJ, and Lil Willie as they travel down the bumpy road of life and become men right before your eyes. Roberta, the mother of the boys, is the glue that keeps the family together. She displays her tough love tactics and strong will, perseverance to raise her sons in to model citizens as well as taking care of her ill father. All the highs and the lows will have you glued to your seat in suspense.
