Midlife Crisis at 30 Lia Macko, Kerry Rubin, 2004-03-18 At 30 Former vice presidential candidate Geraldine Ferraro was a stay at home mother Founder and CEO of Oxygen Media Geraldine Laybourne was working at a public interest think tank for teachers Political strategist Mary Matalin was a first year law student and about to drop out And months prior to her thirtieth birthday financial strategist and bestselling author Suze Orman was working as a waitress making 400 a month Decades later these Boomer women and many others have reached the pinnacles of their professions So why do Gen X Y women feel such pressure to have the perfect career body husband and kids by the time they are at or around 30 Why has 30 become such a make or break moment As the generation that came of age after the most visible glass ceilings had been broken Gen X Y women were raised to believe in futures without limitations Yet as journalists Lia Macko and Kerry Rubin reveal in their fascinating investigation many women have distorted the well intentioned empowerment messages of their youth and are quietly blaming themselves when they fail to overcome the very real obstacles that still exist in our society Though many Gen X Y women are hitting the same roadblocks at the same time instead of questioning what s wrong with the system as Boomer women did in their twenties they re questioning their own choices Searching for solutions Macko and Rubin have enlisted the aid of the New Girls Club a group of successful satisfied women who ve lived through their own crossroads moments earned their battle scars and now share their stories and strategies While today s young women may indeed be a generation in the middle of a Midlife Crisis at 30 they now have a dream team of mentors to help guide them through it

Women Icons of Popular Music Carrie Havranek, 2008-11-30 Popular music owes greatly to the spirit of rebellion In all of its diversified experimental modern day micro genres music s roots were first watered by good old fashioned social dissension its incendiary heights pushed heavenward by radicals and rogue revolutionaries And perhaps none are more influential and non conformist than women Always first in line to give convention a sound thrashing women in music have penned sonic masterpieces championed sweeping social movements and breathed life into sounds yet unimagined Today s guitar wielding heroines continue to blaze the trail tapping reservoirs and soundscapes still unknown to their male counterparts hell hath no fury like a woman with an amplifier *Women Icons of Popular Music* puts the limelight on 24 legendary artists who challenged the status quo and dramatically expanded the possibilities of women in the highly competitive music world Using critical acclaim and artistic integrity as benchmarks of success this can t put down resource features rich biographical and musical analyses of a diverse array of musicians from country pop rock R B soul indie and hip hop It goes beyond the shorter less detailed biographical information found in many women in rock compendiums by giving

readers a more in depth understanding of these artists as individuals as well as providing a larger context social musical political and personal for their success and legacy Highlighted in sidebars throughout are related trends movements events and issues to give readers a broad perspective of the defining moments in music and pop culture history With discographies illustrations and a print and electronic resource guide *Women Icons of Popular Music* is a rousing insightful resource for students and music fans alike Rockrgrl ,2002 **The New Yorker** Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1999 Special Deluxe Neil Young,2015-12 Quirky and wonderfully candid Neil Young s second book of reminiscences is as compelling as his first book He returns with more unforgettable stories about his six decades in the music business but this is not your average rock biography He centres this work on one of his life s passions cars using the framework of all the cars he s ever owned to construct a narrative of his life and career exploring and demonstrating how memories are attached to objects Young also expresses regret for the environmental impact of his past cars and now passionately advocates the use of clean energy *Special Deluxe* is a mix of memoir and environmental politics by one of the most gifted and influential artists of our time *The Publishers Weekly* ,1999 **Here Comes Everybody** James Fearnley,2014-05-01 Everything a really great music memoir should be Colin Meloy The Pogues injected the fury of punk into Irish folk music and gave the world the troubled iconic darkly romantic songwriter Shane MacGowan *Here Comes Everybody* is a memoir written by founding member and accordion player James Fearnley drawn from his personal experiences and the series of journals and correspondence he kept throughout the band s career Fearnley describes the coalescence of a disparate collection of vagabonds living in the squats of London s Kings Cross with at its center the charismatic MacGowan and his idea of turning Irish traditional music on its head With beauty lyricism and great candor Fearnley tells the story of how the band watched helplessly as their singer descended into a dark and isolated world of drugs and drink and sets forth the increasingly desperate measures they were forced to take James Fearnley was born in 1954 in Worsley Manchester He played guitar in various bands including The Nips with Shane MacGowan before becoming the accordion player in The Pogues Fearnley continues to tour with the band and lives in Los Angeles **Dan Zanes' House Party!** Dan Zanes,Claudia Eliaza,2018-12-11 In *Dan Zanes House Party* the Grammy Award winning children s artist presents a huge collection of folk songs along with inspiration to start your own family band Too often new parents eager to share their love of music with their young children feel their options are limited to cuddly singing dinosaurs and well meaning humans whose understanding of children s music starts with Kumbaya and ends with Puff the Magic Dragon For many sane adults these choices are more abrasive than the most aggro noise rock of their college years Dan Zanes has spent the past 20 years creating a truly compelling body of children s music that music loving parents can also get behind A former 1980s indie rocker Zanes 13 children s albums have gained wide praise for their authentic arrangements and preservation of America s folk traditions In *Dan Zanes House Party* the Grammy Award winning Zanes has
