Passionate Playgoer A Personal Scrapbook:

Passionate Playgoer George Oppenheimer, 1963 *The Passionate Playgoer* George Oppenheimer, 1958 From the Peter Neil Isaacs collection **The Passionate Playgoer, A Personal Scrapbook. With an Introd. by Brooks Atkinson** George Oppenheimer (Ed), 1962 S. J. Perelman Steven H. Gale, 2016-03-17 First published in 1985 this bibliography focuses on the works of S J Perelman as a humorist author and screenwriter It is divided into two major sections Works by S J Perelman and Critical Responses Within each section there are subdivisions which focus on various areas of S J Perelman s work including his novel published plays and film scripts **Simulacrum America** Elisabeth Kraus, Carolin Auer, 2000 A collection of articles that analyses the role of the media in America from a deconstructionist viewpoint This collection of original essays is a response to the paradigm shift that has taken place in cultural studies in the wake of postmodernism and poststructuralism Such concepts as truth or reality have been increasingly called into question since the realization that our experience of the real is always mediated through an empire of signs as Roland Barthes put it After a predominantly optimistic evaluation of the effects of the media in the 1960s by Marshall McLuhan Hans Magnus Enzensberger and others a growing awareness of the total manipulation of society by mass media imagery has emerged The very concept of representation has become problematic witness the influential essay *The Precession of Simulacra* by the French sociologist Jean Baudrillard in which he defines simulation as the generation by models of a real without origin or reality a hyperreal the current boom in realityTV comes to mind In the seventeen years since the publication of Baudrillard s *Simulacra* and *Simulation* ever more sophisticated technologies based on the computer as the simulacrum machine par excellence have offered us powerful new means of manipulating data and consequently means of manipulating editing and inventing reality The aim of this study is to unmask false representations showing history personal and cultural identity especially gender and racial identities the simulacrum of speed and American reality itself to be constructs *Frankie and Johnny* Stacy I. Morgan, 2017-04-18 Winner Wayland D Hand Prize American Folklore Society 2018 Originating in a homicide in St Louis in 1899 the ballad of Frankie and Johnny became one of America s most familiar songs during the first half of the twentieth century It crossed lines of race class and artistic genres taking form in such varied expressions as a folk song performed by Huddie Ledbetter Lead Belly a ballet choreographed by Ruth Page and Bentley Stone under New Deal sponsorship a mural in the Missouri State Capitol by Thomas Hart Benton a play by John Huston a motion picture *She Done Him Wrong* that made Mae West a national celebrity and an anti lynching poem by Sterling Brown In this innovative book Stacy I Morgan explores why African American folklore and *Frankie and Johnny* in particular became prized source material for artists of diverse political and aesthetic sensibilities He looks at a confluence of factors including the Harlem Renaissance the Great Depression and resurgent nationalism that led those creators to engage with this ubiquitous song Morgan s research uncovers the wide range of work that artists called upon African American folklore to perform in the 1930s as it alternately

reinforced and challenged norms of race gender and appropriate subjects for artistic expression He demonstrates that the folklorists and creative artists of that generation forged a new national culture in which African American folk songs featured centrally not only in folk and popular culture but in the fine arts as well *Ziegfeld Girl* Linda Mizejewski,1999 A study of the iconographic significance of the Ziegfeld girl in twentieth century American conceptions of sexuality race class and consumerism *Design for Living* Margot Peters,2007-12-18 From the much admired biographer of Charlotte Bront Mrs Patrick Campbell and the Barrymores Margot Peters is surely now our foremost historian of stage make believe Leon Edel a new biography of the most famous English speaking acting team of the twentieth century Individually they were recognized as extraordinary actors each one a star celebrated imitated sought after Together they were legend The Lunts A name to conjure with Alfred Lunt and Lynn Fontanne worked together so imaginatively so seamlessly onstage that they seemed to fuse into one person Offstage they brawled so famously and raucously over every detail of every performance that they inspired the musical *Kiss Me Kate* At home on Broadway in London s West End touring the United States and Great Britain and even playing the foxhole circuit of World War II the Lunts stunned moved and mystified audiences for more than four decades They were considered to be a rarefied taste but when they toured Texas in the 1930s the audience threw cowboy hats onto the stage Their private life was equally fascinating as unusual as the one they led in public Friends like the critic Alexander Woollcott whom Edna Ferber once described as the little New Jersey Nero who thinks his pinafore is a toga No l Coward Laurette Taylor and Sidney Greenstreet received lifelong loyalty and hospitality Ten Chimneys their country home in Genesee Depot Wisconsin is to performers what the Vatican is to Catholics Carol Channing once said The Lunts are where we all spring from In this new biography Margot Peters catches the magic of Lunt and Fontanne their period their work their intimacy and its contradictions with candor delicacy intelligence and wit She writes about their personal and creative choices as deftly as she captures their world from their meeting backstage naturally when Fontanne was a young actress in the first flush of stardom and Lunt a lanky midwesterner who came in the stage door bowed to her elaborately lost his balance and fell down the stairs and the early days when an unknown and very hungry No l Coward lived in a swank hotel in a room the size of a closet and cadged meals at their table to the telegram the famous couple once sent to a movie mogul turning down a studio contract worth a fortune We can be bought my dear Mr Laemmle but we can t be bored We follow the Lunts through triumphs in plays such as *The Guardsman* *The Taming of the Shrew* and *Design for Living* through friendships and feuds through the intricate way they worked with such playwrights and directors as S N Behrman Robert Sherwood Giraudoux Drennatt Peter Brook and with each other Margot Peters captures the gallantry of two remarkably gifted people who lived for their art and for each other Alfred Lunt and Lynn Fontanne were once described as an amazing duet of intelligence and gaiety Margot Peters re creates the fun and the fireworks **Oscar Wilde** E.H. Mikhail,1978-06-17 **Elmer Rice, a Playwright's Vision of America** Anthony F. R. Palmieri,1980 A thorough and detailed study of this playwright s remarkable

long and productive career that stretched from 1914-1963 and included over 50 plays and a Pulitzer Prize. It establishes that Rice's impact on the American theater probably surpasses that of any other American playwright. **The Progressive** William Theodore Evjue, 1957 **Historical Dictionary of American Theater** James Fisher, Felicia Hardison

Londré, 2017-11-22 This second edition of *Historical Dictionary of American Theater Modernism* covers the history of modernist American Theater through a chronology, an introduction, and an extensive bibliography. The dictionary section has over 2,000 cross-referenced entries on actors and actresses, directors, playwrights, producers, genres, and notable plays.

Dance Floor Democracy Sherrie Tucker, 2014-10-23 Open from 1942 until 1945, the Hollywood Canteen was the most famous of the patriotic home front nightclubs where civilian hostesses "jitterbugged" with enlisted men of the Allied Nations. Since the opening night when the crowds were so thick that Bette Davis had to enter through the bathroom window to give her welcome speech, the storied dance floor where movie stars danced with soldiers has been the subject of much U.S. nostalgia about the Greatest Generation. Drawing from oral histories with civilian volunteers and military guests who danced at the wartime nightclub, Sherrie Tucker explores how jitterbugging swing culture has come to represent the war in U.S. national memory. Yet her interviewees' varied experiences and recollections belie the possibility of any singular historical narrative. Some recall racism, sexism, and inequality on the nightclub's dance floor and in Los Angeles neighborhoods; dynamics at odds with the U.S. democratic egalitarian ideals associated with the Hollywood Canteen and the Good War in popular culture narratives. For Tucker, swing dancing's torque bodies sharing weight, velocity, and turning power without guaranteed outcomes is an apt metaphor for the jostling narratives, different perspectives, unsteady memories, and quotidian acts that comprise social history. *The New Leader*, 1958 *Catalog of Copyright Entries. Third Series* Library of Congress, Copyright Office, 1964 Includes Part 1, Number 2, Books and Pamphlets Including Serials and Contributions to Periodicals, July-December. *The View from the Sixties* George Oppenheimer, 1966 Adventures of one of the founders of Viking Press with comments on people he has known in the entertainment world. **The A to Z of American Theater**

James Fisher, Felicia Hardison Londré, 2009-09-02 *The A to Z of American Theater Modernism* focuses on legitimate drama both as influenced by European modernism and as impacted by the popular entertainment that also enlivened the era. This is accomplished through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced entries on plays, music, playwrights, great performers like Maude Adams, Otis Skinner, Julia Marlowe, and E. H. Sothern, producers like David Belasco, Daniel Frohman, and Florenz Ziegfeld, critics, architects, designers, and costumes. **Indian Journal of American Studies**, 1983 *You're Sensational*, 1999 *John Barrymore* Martin Norden, 1995-10-20 Appearing in about 60 films and dozens of stage and radio productions, John Barrymore (1882-1942) was arguably the most idolized performing arts figure of his generation. Renowned for his ability to make even the flimsiest roles come to life with power and passion, the Great Profile reached his apex with title role performances in stagings of *Richard III* (1920) and *Hamlet* (1922-25). This book charts his

legendary and sometimes scandalous life and career A biography discusses his love of roles requiring physical or psychological distortion his four failed marriages and his memorable achievements on the stage and screen Chapters that follow contain entries for his performances in stage film and radio productions with each entry providing cast and credit listings plot synopses critical commentary and excerpts from reviews Also included are a discography a chapter on plays and films with characters modeled after Barrymore an annotated bibliography and discussions of archives and special collections The volume closes with a personal essay by Barrymore s Shakespearean vocal coach Margaret Carrington This essay written by a pivotal figure in Barrymore s development as a serious actor has never before been published
