God Has a Name John Mark Comer, 2024-10-15 What you believe about God sets the foundation of the person you will become In God Has a Name pastor and New York Times bestselling author John Mark Comer invites you to rethink many of the prevalent myths and misconceptions about God and weigh them against what God actually tells us about himself After all what you believe about God will ultimately shape the type of person you become We all live at the mercy of our ideas and nowhere is this more true than our ideas about God The problem is many of our ideas about God are wrong Not all wrong but wrong enough to form our souls in detrimental and disheartening ways God Has a Name is a simple yet profound guide to understanding God in a new light focusing on what God says about himself in the Bible This one shift has the potential to radically alter how you relate to God not as a doctrine but as a relational being who responds to you in an elastic back and forth way John Mark Comer takes you line by line through Exodus 34:6-8 Yahweh's self revelation on Mount Sinai one of the most quoted passages in the Bible Along the way Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus including Why do we feel this gap between us and God Could it be that a lot of what we think about God is wrong Not all wrong but wrong enough to mess up how we relate to him What if our God is really a projection of our own identity ideas and desires What if the real God is different but far better than we could ever imagine No matter where you are in your spiritual journey God Has a Name invites you to step into a fresh and biblically rooted vision of who God is that has the potential to alter your life with God and shape who you become

A Passion for God Lyle Dorsett, 2008-09-01 I fear we shall never see another Tozer Men like him are not college bred but Spirit taught Leonard Ravenhill 20th century British evangelist Pastor A W Tozer author of the Christian classics The Pursuit of God and The Knowledge of the Holy was a complex intensely private deeply spiritual man and a gifted preacher whose impact for the kingdom of God is immeasurable In this thoughtful biography

bestselling author Lyle Dorsett traces Tozer's life from his humble beginnings as a Pennsylvania farm boy to his heyday as a Chicago pastor when hundreds of college students would travel to his South Side church to hear him preach and thousands more heard his Sunday broadcasts on WMBI to his final pastorate in Toronto. From his conversion as a teen to his death in 1963, Tozer remained true to one passion: to know the Father and make Him known, no matter what the cost. The price he paid was loneliness, censure from other more secular-minded ministers of the times, and even a degree of estrangement from his family. Read the life story of a flawed but gifted saint whose works are still impacting the world today. **Uneclipsing the Son** Rick Holland, 2011

Christ the Son of God has been eclipsed, and we've made ourselves at home in this new normal. Escape the twilight of tepid religiosity to step into the broad daylight of the living Christ. Christianity is the worship of Jesus Christ. If He is who the Bible says He is, and if He did what the Bible says He did, He is worthy of the exclusive attention and focus of our lives. Sadly, though, the Son gets crowded out by earthly things. Our hearts grow slack, our love runs cool, our worship is distracted. Even the treadmill of Christian activity can keep us ever unable to focus on the Author and Finisher of the race. We sip at puddles of sin, a stone's throw from the Well of the water of life. *Uneclipsing the Son* aims at ending all this, bringing you face to face with the Christ of Scripture, the only one who can transform you just by knowing Him. Clear biblical compelling. Holland will drive you relentlessly to the conclusion that you must give yourself to the worship of this Jesus or forever stumble in the half light of spiritual uncertainty and disaffection. *The Knowledge of the Holy* A. W.

Tozer, 2022-05-17 True religion confronts earth with heaven and brings eternity to bear upon time. The messenger of Christ, though he speaks from God, must also speak to the condition of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. The message of this book does not grow out of these times, but it is appropriate to them. It is called forth by a condition which has existed in the Church for some years and is steadily growing worse. I refer to the loss of the concept of majesty from the popular religious mind. The Church has surrendered her once lofty concept of God and has substituted for it one so low, so ignoble, as to be utterly unworthy of thinking, worshipping men. This she has done not deliberately, but little by little, and without her knowledge, and her very unawareness only makes her situation all the more tragic. *The Expulsive Power of a New Affection* Thomas Chalmers, 2020-10-02

Thomas Chalmers was a Scottish Presbyterian minister who served most of his life at St John's parish in Glasgow, a congregation that was both the largest and the poorest congregation in the city. Known for his extensive charitable work in caring for the poor and downtrodden, Chalmers was also an astute theologian. One of his most notable works is *The Expulsive Power of a New Affection*, in which Chalmers inspires his readers to remove the tangles of sin through the expulsive power of a new affection: desiring God. As a result, the fall human feelings of love are often misplaced on the creation rather than the Creator. This classic work of the faith reorients our affections toward him.

The Pursuit of God in the Company of Friends Richard C. Lamb, Jr., 2010-03-05 You were not meant to walk alone. Many

of us struggle to forge deep relationships with God and other people Modern society has isolated us as rugged individuals deceiving us into thinking we can make it through life on our own Individualism has likewise shaped the pattern of Christian discipleship privatizing faith and separating us from fellow believers But we come to know God best when others help us on the way And our friendships develop best when we seek after God together What would it look like to pursue God not by ourselves but in the company of friends According to the model of the New Testament spiritual transformation takes place in the context of Christian community By unpacking the Gospel narratives of Jesus ministry with his disciples Richard Lamb demonstrates how discipleship develops within the shared community life of groups of Christians He explores a range of topics such as spiritual friendship hospitality leadership service conflict forgiveness and mission in light of Christian community Engaging stories from real life experience show how people can form one another spiritually when their lives are tumbled against one another If you long for more of God deeper friendships or both this book will help you on the journey Discover the transforming power of discipleship in community Join the pursuit of God in the company of friends
