## **Passionate Silence:**

**He Speaks in the Silence** Diane Comer, 2016-01-05 He Speaks in the Silence is about Diane Comer's search for the kind of intimacy with God every woman longs for. It is a story of trying to be a good girl of following the rules of longing for a satisfaction that eludes us. Disappointed with all Diane had been told was supposed to fulfill her, she begged God in desperation to give her more. And He did. But first He took her through a trial so debilitating it almost destroyed what little faith she had. He let her go deaf. Using vivid parallels between her deafness and every woman's struggle to hear God, this book shows women not only how Diane as a deaf woman hears in everyday life but also how she can learn to listen to God in the midst of her own loud life, finding intimacy with God and the deep soul satisfaction she longs for. **The Silence of God during the Passion** Daniel Bourguet, 2016-08-03 God's silence during the passion is certainly a silence towards man but in particular God was silent towards Christ in his perfect and complete humanity. It is also the silence of the Father towards the Son. At first sight this silence is troubling and perhaps shocking, suggesting that God is in fact absent. However, the author invites us to go beyond this first impression and the silence turns out to be of tremendous richness, overwhelming depth and surprising beauty. We are invited to refocus our attention and discover what the Father is saying in a completely new way. These pages sing with love for God and our meditation of the passion narratives draws us into deep contemplation of the One they celebrate, the Crucified. **Passionate Presence** Catherine Ingram, 2004 Through her popular interactive Dharma Dialogues, dharma meaning truth or the way, Catherine Ingram has helped thousands of students in their quest for awakening by encouraging them to give up the quest and let their own heart intelligence guide them in life. Through her work, Ingram has found that most people are imbued with passionate presence but often overlook it because they are searching for something more dramatic elsewhere. In this book, she invites readers to simply to relax into their own passionate presence and the innate awakened qualities that come with this relaxation: Silence, Tenderness, Discernment, Embodiment, Authenticity, Delight, and Wonder. With illuminating anecdotes and personal reflections, she describes the seven traits imparting a sense of the mystery of the world through direct experience rather than through expounding any particular belief or tradition. **Passionate Presence** takes us on a heart journey that is an immediate experience of seven awakened qualities speaking directly to the inherent wisdom within each of us. Inspiring and profound, it is a sojourn into the timeless wisdom secretly known by all. **An Unassuming Love** Steinberg Henry, 2011-06-14 One autumn morning I am led to Anthurium, a journal published by the University of Miami's Department of English, Coral Gables. Of the four essays I decide to listen to one by M. NourbeSe Philip titled A Travelogue of Sorts. Trafficking in Silence and Erasure catches my attention. As the author observes how museums in and around London marked the two hundredth anniversary of the abolition of the Atlantic slave trade, she comes upon a shrine from which she archaeologizes a familiar West Indian artifact, a broom. From then on, the passionate narrative erupts in and for me: swept, interconnected yards, yard cricket pitches, a cricket match between

Bangladesh and West Indies against Dominicas fascinating landscape West Indian persistent match losses Australian strategies and the rise of India Sri Lanka South Africa and some ninety five associate and affiliate cricketing countries By way of David Rudders calypso An Unassuming Love finds Haitis deep hurt in the games of life and does not separate them from West Indian cricket losses Universally were shifting it suggests Its a story for culture leaders keepers of memory banks and calypso markers sportspersons cricketers and cricket administrators globally and students and teachers of social history sociology social studies and psychology Come on take it **Silence and Beauty** Makoto Fujimura,2016-04-01

encouragement to anyone searching for insight      **Non-Elegiac Latin Love Poetry of Late Antiquity** Vasileios Pappas, 2025-05-19 For about five hundred years between Ovid's death 17 AD and Maximianus' Elegies 6th century AD the genre of love elegy disappears. Does this mean that love poetry in general was no longer being written? This was certainly not the case. Poets continued to compose love poetry merely in other forms than elegy. This book deals with non-elegiac Latin love poetry of Late Antiquity. It is the first monograph to focus on the metaliterary interpretation of four non-elegiac poetic works: the *Pervigilium Veneris* Ausonius, Bissula, *Reposianus De concubitu Martis et Veneris* and the *Aegritudo Perdicae*. The book contains all the required information about these poems including their date, authorship, structure and literary tradition. However, its content is predominantly original as it examines subjects that have not previously been discussed in the past. These include: a) the generic interaction between the poems' host genre and several guest genres that are present within them; b) the metaliterary discourse developed in several passages which reveals the metapoetic self-consciousness of their poets; c) their hidden demands for the innovation of love poetry; and d) their allusive comments on the conservatism of this era.

*Love's Knowledge* Martha C. Nussbaum, 1992-04-02 This volume brings together Nussbaum's published papers on the relationship between literature and philosophy, especially moral philosophy. The papers, many of them previously inaccessible to non-specialist readers, deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues, the nature of ethical attention and ethical knowledge, and their relationship to written forms and styles, and the role of the emotions in deliberation and self-knowledge. Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules. She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical. It is consequently necessary to broaden our conception of moral philosophy in order to include these forms. Featuring two new essays and revised versions of several previously published essays, this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements.      Nicholas Love's *Mirror* and Late Medieval Devotio-Literary Culture David J. Falls, 2016-03-31 Surviving in 59 complete manuscript versions, few English texts of the late medieval period seem to have achieved the popularity of Nicholas Love's fifteenth-century translation and adaptation of the Latin *Meditationes Vitae Christi*. The *Mirror of the Blessed Life of Jesus Christ*. The *Mirror* has received surprisingly little scholarly attention and is often contextualized in terms of its role in the theological conflict between English ecclesiastical orthodoxy and the teachings of heresiarch John Wycliff. David Falls presents a new account of the text's history which decentralises but does not disregard the influence of the Wycliffite controversy. Falls interrogates preconceptions and investigates new possibilities for understanding the composition, circulation, function and use of Love's *Mirror* by examining both the textual modifications and additions made by Love in his adaptation of the Latin and places

these alterations in context by examining individual copies of the Mirror The manuscript copies are read as both sites of literary consumption and nexuses of textual transition demonstrating that it was Love s ability to inscribe his work with functional diversity which explains the Mirror s popularity This book presents a nuanced picture not only of the Mirror s production circulation and function but also the dynamic and flourishing devotio literary culture of late medieval England in which Love s text operated

**Love among the Poets** Pearl Chaozon Bauer, Erik Gray, 2024-04-16 British literature of the Victorian period has always been celebrated for the quality innovativeness and sheer profusion of its love poetry Every major Victorian poet produced notable poems about love This includes not only canonical figures such as Alfred Lord Tennyson Robert and Elizabeth Barrett Browning and Christina Rossetti but also lesser known poets whose works have only recently become widely recognized and studied such as Augusta Webster and the many often anonymous working class poets whose verses filled the pages of popular periodicals Modern critics have claimed convincingly that love poetry is not just one strain of Victorian poetry among many it is arguably its representative even definitive mode This collection of essays reconsiders the Victorian poetry of love and just as importantly of intimacy a more inclusive term that comprehends not only romance but love for family for God for animals and for language itself Together the essays seek to define a poetics of intimacy that arose during the Victorian period and that continues today a set of poetic structures and strategies by which poets can represent and encode feelings of love There exist many studies of intimate relations especially marriage in Victorian novels But although poetry rivals the novel in the depth and diversity of its treatment of love marriage and intimacy that aspect of Victorian verse has remained underexamined *Love among the Poets* offers an expansive critical overview With its slate of distinguished contributors including scholars from the US Canada Britain and Australia the volume is a wide ranging account of this vital era of poetry and of its importance for the way we continue to write love and live today

Walton, 2013-08-29 Testimony demands the witness to demonstrate her knowledge that knowledge that she must have by the fact of being a witness to something even if this something exceeds the possibility of expression by any means amenable to verification *Expressing the Inexpressible in Lyotard and Pseudo Dionysius Bearing Witness as Spiritual Exercise* rigorously studies the inexpressible expression provoked by two illustrative examples the silenced testimony of the Holocaust survivor in Jean Fran ois Lyotard s *The Differend* and the religious faithful in Pseudo Dionysius *The Divine Names* Though coming from vastly different philosophical moments the methods used by Lyotard and Dionysius prove to dissolve the apparent heterogeneity of postmodernism and Neoplatonist Christian mysticism and open radical new lines of dialogue M lanie Victoria Walton critically evaluates each thinker and tradition rethinks witnessing testimony sublimity and apophaticism and then engages them together to forge a new reading of silence and eros The resulting insights will be especially valuable to students and scholars of Continental philosophy philosophy of religion theology and religious studies medieval studies and Holocaust studies

*The Carlyle Encyclopedia* Mark Cumming, 2004 The Carlyle Encyclopedia focuses primarily on Thomas Carlyle It reflects the range of his interests and resists stereotyped impression of who he was and what he believed It covers Carlyle s entire life without privileging any particular work or period and locates Carlyle in his time and place in the context
