## **Passionate Spinster The Diary Of Patty Rogers 1785:**

Passionate Spinster Martha Rogers, Marilyn J. Easton, 1999

**The Work of the Heart** Martha Tomhave Blauvelt, 2007

Showing work where none seemed to exist *The Work of the Heart* suggests emotion work as a key measure of women's status whether for the twenty-first century or the eighteenth and offers an analytical tool for historians exploring the self

*Founding Friendships* Cassandra A. Good, 2015-01-02 When Harry Met Sally is only the most iconic of popular American movies books and articles that pose the question of whether friendships between men and women are possible In *Founding Friendships* Cassandra A Good shows that this question was embedded in and debated as far back as the birth of the American nation Indeed many of the nation's founding fathers had female friends but popular rhetoric held that these relationships were fraught with social danger if not impossible Elite men and women formed loving politically significant friendships in the early national period that were crucial to the individuals lives as well as the formation of a new national political system as Cassandra Good illuminates Abigail Adams called her friend Thomas Jefferson one of the choice ones on earth while George Washington signed a letter to his friend Elizabeth Powel with the words I am always Yours Their emotionally rich language is often mistaken for romance but by analyzing period letters diaries novels and etiquette books Good reveals that friendships between men and women were quite common At a time when personal relationships were deeply political these bonds offered both parties affection and practical assistance as well as exemplified republican values of choice freedom equality and virtue In so doing these friendships embodied the core values of the new nation and represented a transitional moment in gender and culture Northern and Southern famous and lesser known the men and women examined in *Founding Friendships* offer a fresh look at how the founding generation defined and experienced friendship love gender and power

**Citizen Bachelors** John Gilbert McCurdy, 2011-03-15 In 1755 Benjamin Franklin observed a man without a wife is but half a man and since then historians have taken Franklin at his word In *Citizen Bachelors* John Gilbert McCurdy demonstrates that Franklin's comment was only one side of a much larger conversation Early Americans vigorously debated the status of unmarried men and this debate was instrumental in the creation of American citizenship In a sweeping examination of the bachelor in early America McCurdy fleshes out a largely unexamined aspect of the history of gender Single men were instrumental to the settlement of the United States and for most of the seventeenth century their presence was not particularly problematic However as the colonies matured Americans began to worry about those who stood outside the family Lawmakers began to limit the freedoms of single men with laws requiring bachelors to pay higher taxes and face harsher penalties for crimes than married men while moralists began to decry the sexual immorality of unmarried men But many resisted these new tactics including single men who reveled in their hedonistic reputations by delighting in sexual horseplay without marital consequences At the time of the Revolution these conflicting views were confronted head on As the incipient American state needed men to stand at the forefront of the fight for independence the bachelor came to be seen as

possessing just the sort of political social and economic agency associated with citizenship in a democratic society When the war was won these men demanded an end to their unequal treatment sometimes grudgingly and the citizen bachelor was welcomed into American society Drawing on sources as varied as laws diaries political manifestos and newspapers McCurdy shows that in the course of the seventeenth and eighteenth centuries the bachelor was a simultaneously suspicious and desirable figure suspicious because he was not tethered to family and household obligations yet desirable because he was free to study devote himself to political office and fight and die in battle He suggests that this dichotomy remains with us to this day and thus it is in early America that we find the origins of the modern day identity of the bachelor as a symbol of masculine independence McCurdy also observes that by extending citizenship to bachelors the founders affirmed their commitment to individual freedom a commitment that has subsequently come to define the very essence of American citizenship

In a Man's World Connie Brown,2003-08 Utilizes diaries alumni recollections and personal stories to reveal the day to day experiences of the woman s role in an all male environment *Historical New Hampshire* ,2002 *Writings on New England History* ,2003 *America, History and Life* ,2003 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide A Genealogy of the Folsom Family Jacob Chapman,1882 *Women Writers and Old Age in Great Britain, 1750-1850* Devoney Looser,2008-08-01 This groundbreaking study explores the later lives and late life writings of more than two dozen British women authors active during the long eighteenth century Drawing on biographical materials literary texts and reception histories Devoney Looser finds that far from fading into moribund old age female literary greats such as Anna Letitia Barbauld Frances Burney Maria Edgeworth Catharine Macaulay Hester Lynch Piozzi and Jane Porter toiled for decades after they achieved acclaim despite seemingly concerted attempts by literary gatekeepers to marginalize their later contributions Though these remarkable women wrote and published well into old age Looser sees in their late careers the necessity of choosing among several different paths These included receding into the background as authors of classics adapting to grandmotherly standards of behavior attempting to reshape masculinized conceptions of aged wisdom or trying to create entirely new categories for older women writers In assessing how these writers affected and were affected by the culture in which they lived and in examining their varied reactions to the prospect of aging Looser constructs careful portraits of each of her Subjects and explains why many turned toward retrospection in their later works In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to acceptance in later life Looser opens up new scholarly territory in the burgeoning field of feminist age studies *A Midwife's Tale* Laurel Thatcher Ulrich,2010-12-22 PULITZER PRIZE WINNER Drawing on the diaries of one woman in eighteenth century Maine A truly talented historian unravels the fascinating life of a community that is so foreign and yet so similar to our own The New York Times Book Review Between 1785 and 1812 a midwife and healer

named Martha Ballard kept a diary that recorded her arduous work in 27 years she attended 816 births as well as her domestic life in Hallowell Maine On the basis of that diary Laurel Thatcher Ulrich gives us an intimate and densely imagined portrait not only of the industrious and reticent Martha Ballard but of her society At once lively and impeccably scholarly *A Midwife's Tale* is a triumph of history on a human scale *Meadowvale* Kathleen A. Hicks, Friends of the Mississauga Library System, 2004-01-01

**Customs in Common** E. P. Thompson, 2015-09-22 The meticulously researched elegantly argued and deeply humane sequel to the landmark volume of social history *The Making of the English Working Class* The New York Times Book Review This remarkable study investigates the gradual disappearance of a range of cultural customs against the backdrop of the great upheavals of the eighteenth century As villagers were subjected to a legal system increasingly hostile to custom they tried both to resist and to preserve tradition becoming as E P Thompson explains rebellious but rebellious in defense of custom Although some historians have written of riotous peasants of England and Wales as if they were mainly a problem for magistrates and governments for Thompson it is the rulers landowners and governments who were a problem for the people whose exuberant culture preceded the formation of working class institutions and consciousness Essential reading for all those intrigued by English history *Customs in Common* has a special relevance today as traditional economies are being replaced by market economies throughout the world The rich scholarship and depth of insight in Thompson's work offer many clues to understanding contemporary changes around the globe This long awaited collection is a signal contribution from the person most responsible for inspiring the revival of American labor history during the past thirty years The Nation This book signals the return to historical writing of one of the most eloquent powerful and independent voices of our time At his best he is capable of a passionate sardonic eloquence which is unequalled The Observer *Noble Lies, Slant Truths, Necessary Angels* Ellis Shookman, 1997

**Singular Women** Kristen Frederickson, 2003-03-04 Contemporary art historians all of them women probe the dilemmas and complexities of writing about the woman artist past and present These 13 essays address the work and history of specific artists beginning with the Renaissance and ending with the present day

**The Mother of Washington and Her Times** Sara Agnes Rice Pryor, 2019-12-06 In *The Mother of Washington and Her Times* Sara Agnes Rice Pryor offers an intricate biographical account of Mary Ball Washington highlighting the complexities of her role as the mother of the first President of the United States Written in a rich narrative style that combines meticulous research with evocative descriptions the book serves not only as a portrait of Mary Ball but also contextualizes her within the sociopolitical landscape of 18th century Virginia Pryor's engagement with primary sources allows for a significant exploration of women's roles during this transformative era making the narrative both an enlightening historical document and a moving testament to maternal influence and familial legacy Sara Agnes Rice Pryor a notable figure in her own right as a writer and social reformer shaped her narrative through a blend of personal experience and historical inquiry Born into a prominent Virginia family her background imbued her with a deep

appreciation for American history and familial dynamics likely motivating her to explore the life of a woman whose legacy is often overshadowed by her son's accomplishments Pryor's keen understanding of both the struggles and strengths of women in her society informs her empathetic portrayal of Mary Ball Washington Readers interested in American history women's studies and biographical literature will find *The Mother of Washington and Her Times* to be an invaluable resource It invites readers to re-examine the often overlooked contributions of women in shaping history offering a perspective that enhances our understanding of George Washington's formative years Pryor's work is an essential addition to both historical scholarship and the literary canon making it a must read for those eager to delve into the personal stories behind great historical figures

*The Female Detective* Andrew Forrester (Jun.), 1864      **Ballard Genealogy** Charles Frederic 1848-1900 Farlow, Charles Henry 1841-1918 Pope, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *The History and Antiquities of the County of Somerset*, John Collinson, 1791      **History and Genealogy of the Perley Family** Martin Van Buren Perley, 1906
