**Crazy Love / Forgotten God 2 in 1 Custom Project** Francis Chan, 2014-08 *A Passionate Life* Mike Breen, Walther P. Kallestad, 2005 *A Passionate Life* is designed to transform the life of every believer through biblical principles presented in the form of eight simple and memorable shapes These shapes form a discipleship approach that help each of us gain a greater understanding of what God intends to do in our personal lives in our church and in the world It is designed to make life long learners who will grow together in a counter cultural lifestyle *A Passionate Commitment* Crawford W. **Passionate Spirituality** Elizabeth Dreyer, 2005 Passionate Spirituality explores the roots and meanings of passion in Western culture and then examines how passion is expressed in the works of two medieval women mystics Hildegard of Bingen and Hadewijch of Brabant and in the lives of contemporary Christians seeking to deepen their own spiritual journeys Too often the term passion is associated only with steamy films sexual sin and emotional excess cutting off the breadth of its meaning and expression for positive good But the great mystics succeed precisely because they hold together both the affective and the intellectual aspects of the spiritual life in creative and convincing ways Their accounts of their mystical experience are important resources for information and understanding about how to talk about God more formally and for what it means to be passionately in love with God and the world
