*Charlotte Brontë* Claire Harman,2016-03-01 A groundbreaking biography that places an obsessive unrequited love at the heart of the writer's life story transforming her from the tragic figure we have previously known into a smoldering Jane Eyre Famed for her beloved novels Charlotte Brontë has been known as well for her insular tragic family life The genius of this biography is that it delves behind this image to reveal a life in which loss and heartache existed alongside rebellion and fierce ambition Harman seizes on a crucial moment in the 1840s when Charlotte worked at a girls school in Brussels and fell hopelessly in love with the husband of the school's headmistress Her torment spawned her first attempts at writing for publication and he haunts the pages of every one of her

novels he is Rochester in Jane Eyre Paul Emanuel in Villette Another unrequited love for her publisher paved the way for Charlotte to enter a marriage that ultimately made her happier than she ever imagined Drawing on correspondence unavailable to previous biographers Claire Harman establishes Brontë as the heroine of her own story one as dramatic and triumphant as one of her own novels *The Secret Diaries of Charlotte Brontë* Syrie James, 2009-06-30 I have written about the joys of love I have in my secret heart long dreamt of an intimate connection with a man every Jane I believe deserves her Rochester Though poor plain and unconnected Charlotte Brontë possesses a deeply passionate side which she reveals only in her writings creating Jane Eyre and other novels that stand among literature's most beloved works Living a secluded life in the wilds of Yorkshire with her sisters Emily and Anne their drug addicted brother and an eccentric father who is going blind Charlotte Brontë dreams of a real love story as fiery as the ones she creates But it is in the pages of her diary where Charlotte exposes her deepest feelings and desires and the truth about her life its triumphs and shattering disappointments her family the inspiration behind her work her scandalous secret passion for the man she can never have and her intense dramatic relationship with the man she comes to love the enigmatic Arthur Bell Nicholls Who is this man who has dared to ask for my hand Why is my father so dead set against him Why are half the residents of Haworth determined to lynch him or shoot him From Syrie James the acclaimed bestselling author of *The Lost Memoirs of Jane Austen* comes a powerfully compelling intensely researched literary feat that blends historical fact and fiction to explore the passionate heart and unquiet soul of Charlotte Brontë It is Charlotte's story just as she might have written it herself **Charlotte Brontë** S. N. Singh, 1987-01-01 *Aunt Branwell and the Brontë Legacy* Nick Holland, 2018-09-30 Elizabeth Branwell was born in Penzance in 1770 a member of a large and influential Cornish family of merchants and property owners In 1821 her life changed forever when her sister Maria fell dangerously ill Leaving her comfortable life behind Elizabeth made the long journey north to a remote moorland village in Yorkshire to nurse her sister After the death of Maria Elizabeth assumed the role of second mother to her nephew and five nieces She would never see Cornwall again but instead dedicated her life to her new family the Brontës of Haworth to whom she was known as Aunt Branwell In this first ever biography of Elizabeth Branwell we see at last the huge impact she had on Charlotte Emily and Anne Brontë as well as on her nephew Branwell Brontë who spiralled out of control away from her calming influence It was a legacy in Aunt Branwell's will that led directly to the Brontë books we love today but her influence on their lives and characters was equally important As opposed to the stern aunt portrayed by Mrs Gaskell in her biography of Charlotte Brontë we find a kind hearted woman who sacrificed everything for the children she came to love This revealing book also looks at the Branwell family and how their misfortunes mirrored that of the Brontës and we find out what happened to the Brontë cousin who emigrated to America and in doing so uncover the closest living relatives to the Brontë sisters today *A Brontë Companion* F.
