Passions Between Women British Lesbian Culture 1668 1801

Marianne Legault

Passions Between Women British Lesbian Culture 1668 1801:

Passions Between Women Emma Donoghue,1993 Through an examination of a wealth of new medical legal and erotic source material together with re readings of classics of English literature Emma Donoghue uncovers the astonishing range of lesbian and bisexual identities described in British texts between 1668 and 1801

Passions Between Women Emma Donoghue,1993 Through an examination of a wealth of new medical legal and erotic source material together with re readings of classics of English literature Emma Donoghue uncovers the astonishing range of lesbian and bisexual identities described in British texts between 1668 and 1801

Encyclopedia of Lesbian Histories and Cultures Bonnie Zimmerman,2013-08-21 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

The Female Figure in Contemporary Historical Fiction K. Cooper,E. Short,2012-10-29 From *The Other Boleyn Girl* to *Fingersmith* this collection explores the popularity of female centred historical novels in recent years It asks how these representations are influenced by contemporary gender politics and whether they can be seen as part of a wider feminist project to recover women s history

Reader's Guide to Lesbian and Gay Studies Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report

The Sexuality of History Susan S. Lanser,2014-12-05 During the 17th and 18th centuries as European cultures grappled with the challenges of emergent modernity ideas about female same sex relations became a flash point for contests about authority and liberty power and difference desire and duty mobility and change order and governance Exploring a wide range of texts from more than two centuries and multiple language cultures this book argues for the significance of relations between women to the early

modern social imaginary Sex, Politics and Society ,2014-05-22 A pioneering study which has become an established classic in its field Sex Politics and Society provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of social conservatism Now fully revised and updated and with a new chapter bringing the story right up to date this new edition considers the transformation of the sexual world through globalization and the internet the changing impact of the AIDS pandemic over the last thirty years the influence of new currents in social and cultural theory on the study of sexuality the gradual depoliticization and mainstreaming of sexuality within historical study Combining rich empirical detail with innovative theoretical insights Sex Politics and Society remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history sociology social policy and the study of sexuality *Thamyris Mythmaking from the Past to Present* Nanny M. W. de Vries, Jan Best, *Writing Women's History Since the Renaissance* Mary Spongberg,2017-03-08 The complaint of Catherine Morland in Jane Austen's *Northanger Abbey* that history has hardly any women at all is not an uncommon one Yet there is evidence to suggest that women have engaged in historical writing since ancient times This study traces the history of women's historical writing reclaiming the lives of individual women historians recovering women's historical writings from the past and focusing on how gender has shaped the genre of history Mary Spongberg brings together for the first time an extensive survey of the progress of women's historical writing from the Renaissance to the present demonstrating the continuities between women's historical writings in the past and the development of a distinctly woman-centred historiography *Writing Women's History since the Renaissance* also examines the relationship between women's history and the development of feminist consciousness suggesting that the study of history has alerted women to their unequal status and enabled them to use history to achieve women's rights Whether feminist or anti feminist women who have had their historical writings published have served as role models for women seeking a voice in the public sphere and have been instrumental in encouraging the growth of a feminist discourse **Novel Approaches to Lesbian History** Linda Garber,2022-01-01 *Novel Approaches to Lesbian History* tells a tale about history and community in our allegedly post identity era examining contemporary novels that depict lesbian characters in recognizable historical situations These imaginative stories provide a politically vital speculative past in the face of a sketchy problematic archive Among the memorable characters in some 200 novels are pirates cowgirls and famous artists ghosts and time travellers immigrants and lovers The best lesbian historical novels are conscientious and buoyant as they engage critical historiographical questions but *Novel Approaches* also discusses the class and race biases that weigh on the genre Some lesbian historical novels are based on archival evidence others on conjecture or fantasy but all convey the true fact that identity is elusive without a past

without which its future is nearly impossible

The Lesbian History Sourcebook Alison Oram, Annmarie

Turnbull, 2013-10-18 This groundbreaking critical anthology gathers together a wide range of primary source material on lesbian lives in the past The material here is drawn from a diverse range of sources including court records newspaper reports literary sources writings on lesbianism from psychologists doctors anthropologists as well as personal letters and journals The sources are arranged into thematic chapters covering topics such as archetypes of lesbians cross dressing women and romantic friends the making of lesbianism in culture professional discourse on lesbians public perceptions of lesbianism and women's own experiences This book will be a milestone in the publishing of lesbian history and is set to provoke the impetus for fresh research

Female Intimacies in Seventeenth-Century French Literature Marianne

Legault, 2016-04-15 Examining literary discourses on female friendship and intimacy in seventeenth century France this study takes as its premise the view that unlike men women have been denied for centuries the possibility of same sex friendship The author explores the effect of this homosocial and homoprivileged heritage on the deployment and constructions of female friendship and homoerotic relationships as thematic narratives in works by male and female writers in seventeenth century France The book consists of three parts the first surveys the history of male thinkers denial of female friendship concluding with a synopsis of the cultural representations of female same sex practices The second analyzes female intimacy and homoeroticism as imagined appropriated and finally repudiated by Honoré d'Urfé's pastoral novel *L'Astrée* and Isaac de Benserade's seemingly lesbian friendly comedy *Iphis et Iante* The third turns to unprecedented depictions of female intimate and homoerotic bonds in Madeleine de Scudéry's novel *Mathilde* and Charlotte Rose de Caumont de La Force's fairy tale *Plus Belle que Fée* This study reveals a female literary genealogy of intimacies between women in seventeenth century France and adds to the research in lesbian and queer studies fields in which pre eighteenth century French literary texts are rare

Sisters and Rivals in British Women's Fiction, 1914-39 D. Wallace, 2000-06-21

What happens when two women love the same man This is the first book to examine female rivalry as a distinctive theme in women's fiction and to analyze the female identified erotic triangle where two women are rivals for the same man as a narrative pattern which has a special resonance for inter war women writers Focusing on five key writers Diana Wallace offers a reconsideration of inter war women's writing and an examination of the links and rivalries between women writers themselves

Space and Irish Lesbian Fiction Amy Jeffrey, 2022-06-15

Space and Irish Lesbian Fiction offers an original and much needed study of Irish Lesbian fiction Evaluating a wide body of Irish lesbian fiction ranging from the Victorian era to the contemporary age this book advocates for women writers who have been largely ignored in Irish literary history and criticism This volume examines the use and applications of space in Irish lesbian fiction In recent years it can be argued that Irish society has created a new space for LGBT or queer people The concept of space is thus important both symbolically and physically for lesbian literature In asking if Irish women writers have moved out of the shadows so to speak what space is open to the Irish

lesbian author How is spatiality reflected in lesbian representation throughout Irish literary history Space and Irish Lesbian Fiction examines a diverse range of writers from the nineteenth century to the contemporary age evaluating the contributions of largely unknown authors who have been overlooked alongside more established voices within Irish literature The concept of liminality that this volume takes as its theme and focus engage with notions of intersectionality thresholds crossings and transitions In suggesting the overlap between the indeterminate threshold of the liminal space and its ambiguously queer potentiality to examine the dynamics of space and its relationship to lesbianism this ground breaking project both locates and charts spaces of queer liminality in Irish lesbian fiction

Worldwide Perspectives on Lesbians, Gays, and Bisexuals Paula Gerber Ph.D.,2021-01-26 This three volume set is a rich resource for readers in any discipline interested in understanding the global regional and domestic experiences of LGB people This interdisciplinary set makes a vital contribution to understanding how LGB rights are progressing and in some cases regressing around the globe The three volumes look at the lived experiences of LGB people from varied perspectives and provide comprehensive coverage on a wide variety of topics ranging from LGB youth and LGB aging to the approaches to LGB people of different religions including Islam Judaism and Christianity Chapters focus on topics including the ongoing criminalization of same sex sexual conduct and how international human rights law can be used to improve the lives of LGB people Particular attention is paid to the rights of bisexuals a group often ignored in works focusing on sexual orientation Volume 1 focuses on history politics and culture relating to LGB people Volume 2 focuses on the laws domestic and international governing LGB people and Volume 3 provides snapshots of the current state of LGB experience in countries worldwide presented by geographical region Europe the Americas Africa the Middle East and the Asia Pacific region

Queer Ink: A Blotted History Towards Liberation Katherine Hubbard,2019-06-26 This historical interdisciplinary book contextualises the Rorschach ink blot test and embeds it within feminist action and queer liberation What do you see when you look at an ink blot The Rorschach ink blot test is one of the most famous psychological tests and it has a surprisingly queer history In mapping this history this book explores how this test once used to detect and diagnose homosexuality was later used by some psychologists and activists to fight for gay liberation In this book the author uses the test in yet another way as a lens through which we can reveal a queer feminist history of Psychology By looking closely at the lives and work of some women psychologists and activists it becomes clear that their work was influenced by their own often queer lives By tracing the lives and actions of women who used were tested with or influenced by the Rorschach a new kind of understanding of gay and lesbian history in Britain is revealed Pushing at the borders between Psychology Sociology and activism the book utilises the Rorschach to show how influential the social world is on scientific practice This is fascinating reading for anyone interested in the history of sexuality and Psychology

A History of Feminist Literary Criticism Gill Plain,Susan Sellers,2007-08-30 Feminism has transformed the academic study of literature fundamentally altering the canon of what is taught and setting new agendas for literary analysis In this

authoritative history of feminist literary criticism leading scholars chart the development of the practice from the Middle Ages to the present The first section of the book explores protofeminist thought from the Middle Ages onwards and analyses the work of pioneers such as Wollstonecraft and Woolf The second section examines the rise of second wave feminism and maps its interventions across the twentieth century A final section examines the impact of postmodernism on feminist thought and practice This book offers a comprehensive guide to the history and development of feminist literary criticism and a lively reassessment of the main issues and authors in the field It is essential reading for all students and scholars of feminist writing and literary criticism

Memory and Enlightenment James Ward, 2018-11-11 This book illuminates how the long eighteenth century 1660 1800 persists in our present through screen and performance media writing and visual art Tracing the afterlives of the period from the 1980s to the present it argues that these emerging and changing forms stage the period as a point of origin for the grounding of individual identity in personal memory and as a site of foundational traumas that shape cultural memory

The Gendering of Men, 1600-1750 Thomas Alan King, 2004 Taking on nothing less than the formation of modern sexual and gender identities King examines the way masculinity in the 17th and 18th centuries was reconfigured and how heterosexuality in turn became naturalized This is a crucial work by one of the field's leading scholars The Gendering of Men 1600 1750 traces the transition from a society based on alliance which had subordinated all men women and boys to higher ranked males to one founded in sexuality through which men have embodied their claims to personal and political privacy King proposes that the male body is a performative production marking men's resistance to their subjection within patriarchy and sovereignty Emphasizing that categories of gender must come under historical analysis The Gendering of Men explores men's participation in an ongoing struggle for access to a universal manliness transcending other biological and social differentials

Mad and Bad Bea Koch, 2020-09-01 Discover a feminist pop history that looks beyond the Ton and Jane Austen to highlight the Regency women who succeeded on their own terms and were largely lost to history until now Regency England is a world immortalized by Jane Austen and Lord Byron in their beloved novels and poems The popular image of the Regency continues to be mythologized by the hundreds of romance novels set in the period which focus almost exclusively on wealthy white Christian members of the upper classes But there are hundreds of fascinating women who don't fit history books limited perception of what was historically accurate for early 19th century England Women like Dido Elizabeth Belle whose mother was a slave but was raised by her white father's family in England Caroline Herschel who acted as her brother's assistant as he hunted the heavens for comets and ended up discovering eight on her own Anne Lister who lived on her own terms with her common law wife at Shibden Hall and Judith Montefiore a Jewish woman who wrote the first English language Kosher cookbook As one of the owners of the successful romance only bookstore The Ripped Bodice Bea Koch has had a front row seat to controversies surrounding what is accepted as historically accurate for the wildly popular Regency period Following in the popular footsteps of books like Ann Shen's *Bad Girls Throughout*

History Koch takes the Regency one of the most loved and idealized historical time periods and a huge inspiration for American pop culture and reveals the independent minded standard breaking real historical women who lived life on their terms She also examines broader questions of culture in chapters that focus on the LGBTQ and Jewish communities the lives of women of color in the Regency and women who broke barriers in fields like astronomy and paleontology In Mad and Bad we look beyond popular perception of the Regency into the even more vibrant diverse and fascinating historical truth

Whispering the Techniques of Language: An Emotional Quest through **Passions Between Women British Lesbian Culture 1668 1801**

In a digitally-driven world where monitors reign great and instant conversation drowns out the subtleties of language, the profound techniques and emotional subtleties concealed within phrases usually move unheard. Passions Between Women British Lesbian Culture 1668 1801 Introduction

In today's digital age, the availability of Passions Between Women British Lesbian Culture 1668 1801 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Passions Between Women British Lesbian Culture 1668 1801 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Passions Between Women British Lesbian Culture 1668 1801 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Passions Between Women British Lesbian Culture 1668 1801 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Passions Between Women British Lesbian Culture 1668 1801 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Passions Between Women British Lesbian Culture 1668 1801 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Passions Between Women British Lesbian Culture 1668 1801 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Passions Between Women British Lesbian Culture 1668 1801 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Passions Between Women British Lesbian Culture 1668 1801 books and manuals for download and embark on your journey of knowledge?

FAQs About Passions Between Women British Lesbian Culture 1668 1801 Books

1. Where can I buy Passions Between Women British Lesbian Culture 1668 1801 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Passions Between Women British Lesbian Culture 1668 1801 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
