### **Passions Fortune The Story Of Mills And Boon:**

*Passion's Fortune* Joseph McAleer, 1999-10-28 This is the first history of Mills Boon the British publishing phenomenon which has become a household name synonymous with romantic fiction On the firm's 90th anniversary Joseph McAleer has written the first history of Mills Boon drawing upon a long lost archive of over 50 000 letters which reveal the intricate relationship between editorial policy social attitudes and sales McAleer examines the dictates of the Mills Boon formula and demonstrates how novels were managed by the firm to ensure maximum sales and to nurture a cadre of loyal readers in Britain and throughout the Commonwealth The result is a cultural phenomenon whose product reflected the attitudes and morals of the age while offering women an addictive escape from everyday life It's a fascinating read for anyone who's ever wondered about writing a Mills Boon or wants to understand the story behind one of the most successful British firms of the twentieth century

**Desert Passions** Hsu-Ming Teo, 2012-11-15 The Sheikh E M Hull's best selling novel that became a wildly popular film starring Rudolph Valentino kindled sheik fever across the Western world in the 1920s A craze for all things romantically Oriental swept through fashion film and literature spawning imitations and parodies without number While that fervor has largely subsided tales of passion between Western women and Arab men continue to enthrall readers of today's mass market romance novels In this groundbreaking cultural history Hsu Ming Teo traces the literary lineage of these desert romances and historical bodice rippers from the twelfth to the twenty first century and explores the gendered cultural and political purposes that they have served at various historical moments Drawing on high literature erotica and popular romance fiction and films Teo examines the changing meanings of Orientalist tropes such as crusades and conversion abduction by Barbary pirates sexual slavery the fear of renegades the Oriental despot and his harem the figure of the powerful Western concubine and fantasies of escape from the harem She analyzes the impact of imperialism decolonization sexual liberation feminism and American involvement in the Middle East on women's Orientalist fiction Teo suggests that the rise of female authored romance novels dramatically transformed the nature of Orientalism because it feminized the discourse made white women central as producers consumers and imagined actors and revised reversed or collapsed the binaries inherent in traditional analyses of Orientalism

**After the Imperial Turn** Antoinette Burton, 2003-05-29 From a variety of historically grounded perspectives *After the Imperial Turn* assesses the fate of the nation as a subject of disciplinary inquiry In light of the turn toward scholarship focused on imperialism and postcolonialism this provocative collection investigates whether the nation remains central adequate or even possible as an analytical category for studying history These twenty essays primarily by historians exemplify cultural approaches to histories of nationalism and imperialism even as they critically examine the implications of such approaches While most of the contributors discuss British imperialism and its repercussions the volume also includes as counterpoints essays on the history and historiography of France Germany Spain and the United States Whether looking at the history of the passport or the

teaching of history from a postnational perspective this collection explores such vexed issues as how historians might resist the seduction of national narratives what if anything might replace the nation's hegemony and how even history writing that interrogates the idea of the nation remains ideologically and methodologically indebted to national narratives Placing nation based studies in international and interdisciplinary contexts After the Imperial Turn points toward ways of writing history and analyzing culture attentive both to the inadequacies and endurance of the nation as an organizing rubric Contributors Tony Ballantyne Antoinette Burton Ann Curthoys Augusto Espiritu Karen Fang Ian Christopher Fletcher Robert Gregg Terri Hasseler Clement Hawes Douglas M Haynes Kristin Hoganson Paula Krebs Lara Kriegel Radhika Viyas Mongia Susan Pennybacker John Plotz Christopher Schmidt Nowara Heather Streets Hsu Ming Teo Stuart Ward Lora Wildenthal Gary Wilder

**Margins of Desire** Lynne Hapgood, 2005-05-06 Who said that the suburbs are boring? The suburban trick is to look ordinary and be extraordinary as Lynne Hapgood's absorbing discussion of the suburbs in fiction from 1880-1925 reveals.

*Virgin Envy* Jonathan A. Allan, Cristina Santos, Adriana Spahr, 2016-11-15 Virginity is of concern here that is its utter messiness. At once valuable and detrimental, normative and deviant, undesirable and enviable, virginity and its loss hold tremendous cultural significance. For many, female virginity is still a universally accepted condition, something that is somehow bound to the hymen, whereas male virginity is almost as elusive as the G-spot; we know it's there, it's just we have a harder time finding it. Of course, boys are virgins, queers are virgins, some people reclaim their virginities and others reject virginity from the get-go. So what if we agree to forget the hymen all together? Might we start to see the instability of terms like untouched, pure, or innocent? Might we question the act of sex, the very notion of relational sexuality? After all, for many people, it is the sexual acts they don't do or don't want to do that carry the most abundant emotional clout. *Virgin Envy* is a collection of essays that look past the vestal virgins and beyond Joan of Arc. From medieval to present-day literature, the output of HBO, Bollywood, and the films of Abdellah Taïa or Derek Jarman to the virginity testing of politically active women in Tahrir Square, the writers here explore the concept of virginity in today's world to show that ultimately virginity is a site around which our most basic beliefs about sexuality are confronted and from which we can come to understand some of our most basic anxieties, paranoias, fears, and desires.

**Making Books** David Carter, Anne Galligan, 2007 A MUST HAVE FOR ANYONE INVOLVED OR INTERESTED IN THE PUBLISHING INDUSTRY A wide-ranging study of contemporary publishing in Australia, specifically focusing on the period from 1990 onwards and looking towards the future. The Australian publishing industry turns over almost 2 billion dollars a year. This collection of essays analyses the structure and dynamics of the industry in the context of social, cultural, and legal forces. *Making Books* presents a sophisticated introduction to the structure and dynamics of the contemporary publishing industry. Chapters focus on topics such as the structure of the Australian publishing industry, the culture of the publishing house, editorial practice and policy, publishing and cultural policy, the decline of literary publishing, Books, the impact of new technologies on the industry, and much, much more.

*The Historical Novel* Jerome De Groot, 2009-09-10 The historical novel is an enduringly popular genre that raises crucial questions about key literary concepts: fact and fiction, identity, history, reading and writing. In this comprehensive, focused guide, Jerome de Groot offers an accessible introduction to the genre and critical debates that surround it, including the development of the historical novel from early eighteenth-century works through to postmodern and contemporary historical fiction, different genres such as sensational or low fiction, crime novels, literary works, counterfactual writing, and related issues of audience, value, and

authenticity the many functions of historical fiction particularly the challenges it poses to accepted histories and postmodern questioning of grand narratives the relationship of the historical novel to the wider cultural sphere with reference to historical theory the internet television and film key theoretical concepts such as the authentic fallacy postcolonialism Marxism queer and feminist reading Drawing on a wide range of examples from across the centuries and around the globe The Historical Novel is essential reading for students exploring the interface of history and fiction     *The Pleasures of Reading* Catherine Sheldrick Ross,2014-06-27 Based on years of ground breaking research this book supplies a look at the unique relationship between each text and the individual reader that results in a satisfying pleasurable and even life changing reading experience Following up on her critically acclaimed Reading Matters What the Research Reveals about Reading Libraries and Community Catherine Sheldrick Ross takes a new look at pleasure reading through 30 thought provoking essays based on themes arranged from A to Z In short lively chapters she discusses topics ranging from Alexia Bad Reading and Changing Lives to Romance Fiction Self help Titles Vampires and Year of Reading Drawing on her own research as well as other published sources Ross comments on the significance of each theme provides examples of the phenomenon and develops the topic chronologically through further examples or through reversals The essays are unified by an underlying theory of reading that views readers as sense makers actively engaged in reading themselves into the text and reading the texts back into their own lives It gives educators and librarians insights into their roles with readers and offers a message about the importance of pleasure reading A short list of resources for further reading is supplied with each topic

**Heartthrobs** Carol Dyhouse,2017-02-09 From dreams of Prince Charming or dashing military heroes to the lure of dark strangers and vampire lovers from rock stars and rebels to soulmates dependable family types or simply good companions female fantasies about men tell us a great deal about the history of women In Heartthrobs Carol Dyhouse draws upon literature cinema and popular romance to show how the changing cultural and economic position of women has shaped their dreams about men When girls were supposed to be shrinking violets passionate females risked being seen as unbridled or dangerously out of control Change came slowly and young women remained trapped in a double bind you may have needed a husband in order to survive but you had to avoid looking like a gold digger Show attraction too openly and you might be judged fast and undesirable Education and wage earning brought independence and a widening of horizons for women These new economic beings showed a sustained appetite for novel reading cinema going and the dancehall They sighed over Rudolph Valentino's screen performances as tango dancer or Arab tribesman and desert lover Women may have been ridiculed for these obsessions but as consumers they had new clout This book reveals changing patterns of desire and looks at men through the eyes of women     *Public Indecency in England 1857-1960* David J. Cox,Kim Stevenson,Candida Harris,Judith Rowbotham,2015-06-12 Throughout the nineteenth century and twentieth century various attempts were made to define and control problematic behaviour in public by legal and legislative means through the use of a somewhat nebulous

concept of indecency Remarkably however public indecency remains a much under researched aspect of English legal social and criminal justice history Covering a period of just over a century from 1857 the date of the passing of the first Obscene Publications Act to 1960 the date of the famous trial of Penguin Books over their publication of Lady Chatterley s Lover following the introduction of a new Obscene Publications Act in the previous year Public Indecency in England investigates the social and cultural obsession with various forms of indecency and how public perceptions of different types of indecent behaviour led to legal definitions of such behaviour in both common law and statute This truly interdisciplinary book utilises socio legal historical and criminological research to discuss the practical response of both the police and the judiciary to those caught engaging in public indecency as well as to highlight the increasing problems faced by moralists during a period of unprecedented technological developments in the fields of visual and aural mass entertainment It is written in a lively and approachable style and as such is of interest to academics and students engaged in the study of deviance law criminology sociology criminal justice socio legal studies and history It will also be of interest to the general reader

*End of empire and the English novel since 1945* Rachael Gilmour,Bill Schwarz,2015-07-01 Available in paperback for the first time this first book length study explores the history of postwar England during the end of empire through a reading of novels which appeared at the time moving from George Orwell and William Golding to Penelope Lively Alan Hollinghurst and Ian McEwan Particular genres are also discussed including the family saga travel writing detective fiction and popular romances All included reflect on the predicament of an England which no longer lies at the centre of imperial power arriving at a fascinating diversity of conclusions about the meaning and consequences of the end of empire and the privileged location of the novel for discussing what decolonization meant for the domestic English population of the metropole The book is written in an easy style unburdened by large sections of abstract reflection It endeavours to bring alive in a new way the traditions of the English novel

*The Oxford Handbook of Jack London* James W. Williams,2017 With his novels journalism short stories political activism and travel writing Jack London established himself as one of the most prolific and diverse authors of the twentieth century Covering London s biography cultural context and the various genres in which he wrote The Oxford Handbook of Jack London is the definitive reference work on the author

**Australian Books and Authors in the American Marketplace 1840s-1940s** David Carter,Roger Osborne,2018-07-02 Australian Books and Authors in the American Marketplace 1840s 1940s explores how Australian writers and their works were present in the United States before the mid twentieth century to a much greater degree than previously acknowledged Drawing on fresh archival research and combining the approaches of literary criticism print culture studies and book history David Carter and Roger Osborne demonstrate that Australian writing was transnational long before the contemporary period In mapping Australian literature s connections to British and US markets their research challenges established understandings of national imperial and world literatures Carter and Osborne examine how Australian authors editors and publishers engaged productively with

their American counterparts and how American readers and reviewers responded to Australian works They consider the role played by British publishers and agents in taking Australian writing to America and how the international circulation of new literary genres created new opportunities for novelists to move between markets Some of these writers such as Christina Stead and Patrick White remain household names others who once enjoyed international fame such as Dale Collins and Alice Grant Rosman have been largely forgotten The story of their books in America reveals how culture commerce and copyright law interacted to create both opportunities and obstacles for Australian writers The Look of Love Jennifer

McKnight-Trontz,2002-02 Swashbuckling sailors dashing dukes naughty nurses and sexy stewardesses caught in webs of love passion betrayal and intrigue these are the raw materials of the romance novel and the lusty covers that advertise them In The Look of Love Jennifer McKnight Trontz provides a rollicking history of the covers and stories that have captivated millions of readers worldwide More than 150 of the most sensational covers from this venerable if venal literary form are shown in glorious color focusing on the period from 1940 to 1970 romance design's most fertile era The Look of Love features artwork and excerpts from titles such as *Passion Flower* *Kept Woman* *Rendezvous in Lisbon* and *Jungle Nurse* Along the way it brings attention to the pioneers of the romance novel cover artists such as Barye Phillips and Robert Maguire who helped define the look of paperbacks in general and Harlequin the grand dame of romance publishers with more than 100 million novels sold each year McKnight Trontz reveals the themes that typify both the story lines and the covers hospital romance the rich and raunchy royalty tropical paradises Westerns taboo relationships pirates and warriors and love triangles resulting in this definitive compendium of camp A book for romance lovers everywhere *Romance Fiction and American*

*Culture* William A. Gleason, Eric Murphy Selinger,2017-05-15 Since the 1970s romance novels have surpassed all other genres in terms of popularity in the United States accounting for half of all mass market paperbacks sold and driving the digital publishing revolution *Romance Fiction and American Culture* brings together scholars from the humanities social sciences and publishing to explore American romance fiction from the late eighteenth to the early twenty first century Essays on interracial inspirational and LGBTQ romance attend to the diversity of the genre while new areas of inquiry are suggested in contextual and interdisciplinary examinations of romance authorship readership and publishing history of pleasure and respectability in African American romance fiction and of the dynamic tension between the genre and second wave feminism As it situates romance fiction among other instances of American love culture from Civil War diaries to Bob Dylan's *Blood on the Tracks* *Romance Fiction and American Culture* confirms the complexity and enduring importance of this most contested of genres *The Routledge Companion to Australian Literature* Jessica Gildersleeve,2020-12-22 In recent years Australian literature has experienced a revival of interest both domestically and internationally The increasing prominence of work by writers like Christos Tsiolkas heightened through television and film adaptation as well as the award of major international prizes to writers like Richard Flanagan and the development of new high profile prizes like the Stella Prize have all

reinvigorated interest in Australian literature both at home and abroad This Companion emerges as a part of that reinvigoration considering anew the history and development of Australian literature and its key themes as well as tracing the transition of the field through those critical debates It considers works of Australian literature on their own terms as well as positioning them in their critical and historical context and their ethical and interactive position in the public and private spheres With an emphasis on literature's responsibilities this book claims Australian literary studies as a field uniquely positioned to expose the ways in which literature engages with produces and is produced by its context provoking a critical re evaluation of the concept of the relationship between national literatures cultures and histories and the social function of literary texts
