#### **Passions Of Andrew Jackson:**

The Passions of Andrew Jackson Andrew Burstein, 2004-04-13 Most people vaguely imagine Andrew Jackson as a iaunty warrior and a man of the people but he was much more a man just as complex and controversial as Jefferson or Lincoln Now with the first major reinterpretation of his life in a generation historian Andrew Burstein brings back Jackson with all his audacity and hot tempered rhetoric The unabashedly aggressive Jackson came of age in the Carolinas during the American Revolution migrating to Tennessee after he was orphaned at the age of fourteen Little more than a poorly educated frontier bully when he first opened his public career he was possessed of a controlling sense of honor that would lead him into more than one duel As a lover he fled to Spanish Mississippi with his wife to be before she was divorced Yet when he was declared a national hero upon his stunning victory at the Battle of New Orleans Jackson suddenly found the presidency within his grasp How this brash frontiersman took Washington by storm makes a fascinating story and Burstein tells it thoughtfully and expertly In the process he reveals why Jackson was so fiercely loved and fiercely hated by the American people and how his presidency came to shape the young country's character The Passions of Andrew Jackson Andrew Burstein, 2007-12-18 Most people vaguely imagine Andrew Jackson as a jaunty warrior and a man of the people but he was much more a man just as complex and controversial as Jefferson or Lincoln Now with the first major reinterpretation of his life in a generation historian Andrew Burstein brings back Jackson with all his audacity and hot tempered rhetoric The unabashedly aggressive Jackson came of age in the Carolinas during the American Revolution migrating to Tennessee after he was orphaned at the age of fourteen Little more than a poorly educated frontier bully when he first opened his public career he was possessed of a controlling sense of honor that would lead him into more than one duel As a lover he fled to Spanish Mississippi with his wife to be before she was divorced Yet when he was declared a national hero upon his stunning victory at the Battle of New Orleans Jackson suddenly found the presidency within his grasp How this brash frontiersman took Washington by storm makes a fascinating story and Burstein tells it thoughtfully and expertly In the process he reveals why Jackson was so fiercely loved and fiercely hated by the American people and how his presidency came to shape the young country s character **Passions of Andrew Jackson** Andrew Burstein, 2004-04 Andrew Jackson H. W. Brands, 2006-10-10 NATIONAL BESTSELLER From the two time Pulitzer Prize finalist and New York Times bestselling author of The First American comes the first major single volume biography in a decade of the president who defined American democracy A big rich biography The Boston Globe H W Brands reshapes our understanding of this fascinating man and of the Age of Democracy that he ushered in An orphan at a young age and without formal education or the family lineage of the Founding Fathers Jackson showed that the presidency was not the exclusive province of the wealthy and the well born but could truly be held by a man of the people On a majestic sweeping scale Brands re creates Jackson s rise from his hardscrabble roots to his days as frontier lawyer then on to his heroic victory in the Battle of New Orleans and finally to the

White House Capturing Jackson's outsized life and deep impact on American history Brands also explores his controversial actions from his unapologetic expansionism to the disgraceful Trail of Tears Look for H W Brands s other biographies THE FIRST AMERICAN Benjamin Franklin THE MAN WHO SAVED THE UNION Ulysses S Grant TRAITOR TO HIS CLASS **Andrew Jackson** Sean Wilentz, 2005-12-27 Examines the life and presidency of Andrew Franklin Roosevelt and REAGAN Jackson including his early days in South Carolina his military exploits and his contributions to the cause of democracy and The Fire and the Ashes Andrew Jackson, 2021-05-31 In The Fire and the Ashes long time union economist and policy analyst Andrew Jackson looks back on a fascinating career in the labour movement the NDP and left politics combining keen historical analysis with a political manifesto for today As one of the few trade union economists in Canada Jackson brings a unique insider perspective and decades of experience to bear on his critical reflections on the history and changing fortunes of the NDP the failures of neoliberalism and the waning and recent renewal of the democratic socialist tradition What plays out is a battle of ideas fought by Jackson and the wider left one meant to rekindle both political veterans and a new generation of activists who believe that a true democracy cannot exist with great inequalities of wealth and political power and that social ownership and public investment must be brought squarely into the mainstream The Life of Andrew Jackson Robert V. Remini, 2011-09-13 The classic one volume abridgement of the National Book Award winning biography of the 7th U S president from an esteemed historian A wonderful portrait rich in detail of a fascinating and important man and an authoritative account of his role in American History New York Times Book Review Robert V Remini s acclaimed three volume biography The Life of Andrew Jackson won the National Book Award on its completion in 1984 In this meticulously crafted single volume abridgment Remini captures the essence of the life and career of the seventh president of the United States As president from 1829 1837 Jackson was a significant force in the nation s expansion the growth of presidential power and the transition from republicanism to democracy Jackson is a highly controversial figure who is undergoing historical reconsideration today He is known as spurring the emergence of the modern American political division of Republican and Democratic parties for the infamous Indian removal on the Trail of Tears and for his brave victory against the British as Major General at the Battle of New Orleans Never an apologist Remini portrays Jackson as a forceful sometimes tragic hero a man whose strength and flaws were larger than life a president whose conviction provided the nation with one of the most influential colorful and controversial administrations in our history A superb condensation that incorporates the results of recent research A vivid biography Publishers Weekly Andrew Jackson, Southerner Mark R. Cheathem, 2015-09-28 Winner of the 2013 Tennessee History Award Many Americans view Andrew Jackson as a frontiersman who fought duels killed Indians and stole another man s wife Historians have traditionally presented Jackson as a man who struggled to overcome the obstacles of his backwoods upbringing and helped create a more democratic United States In his compelling new biography of Jackson Mark R Cheathem argues for a reassessment of these long held views suggesting that

in fact Old Hickory lived as an elite southern gentleman Jackson grew up along the border between North Carolina and South Carolina a district tied to Charleston where the city's gentry engaged in the transatlantic marketplace Jackson then moved to North Carolina where he joined various political and kinship networks that provided him with entre into society In fact Cheathem contends Jackson had already started to assume the characteristics of a southern gentleman by the time he arrived in Middle Tennessee in 1788 After moving to Nashville Jackson further ensconced himself in an exclusive social order by marrying the daughter of one of the city's cofounders engaging in land speculation and leading the state militia Cheathem notes that through these ventures Jackson grew to own multiple plantations and cultivated them with the labor of almost two hundred slaves His status also enabled him to build a military career focused on eradicating the nation s enemies including Indians residing on land desired by white southerners Jackson's military success eventually propelled him onto the national political stage in the 1820s where he won two terms as president Jackson's years as chief executive demonstrated the complexity of the expectations of elite white southern men as he earned the approval of many white southerners by continuing to pursue Manifest Destiny and opposing the spread of abolitionism yet earned their ire because of his efforts to fight nullification and the Second Bank of the United States By emphasizing Jackson's southern identity characterized by violence honor kinship slavery and Manifest Destiny Cheathem's narrative offers a bold new perspective on one of the nineteenth century s most renowned and controversial presidents Madison and Jefferson Andrew Burstein, Nancy Isenberg, 2013-01-29 A monumental dual biography a distinguished work combining deep research a pleasing narrative style and an abundance of fresh insights a rare combination The Dallas Morning News The third and fourth presidents have long been considered proper gentlemen with Thomas Jefferson's genius overshadowing James Madison's judgment and common sense But in this revelatory book about their crucial partnership both are seen as men of their times hardboiled operatives in a gritty world of primal politics where they struggled for supremacy for more than fifty years With a thrilling and unprecedented account of early America as its backdrop Madison and Jefferson reveals these founding fathers as privileged young men in a land marked by tribal identities rather than a united national personality Esteemed historians Andrew Burstein and Nancy Isenberg capture Madison's hidden role he acted in effect as a campaign manager in Jefferson's career In riveting detail the authors chart the courses of two very different presidencies Jefferson's driven by force of personality Madison's sustained by a militancy that history has been reluctant to ascribe to him Supported by a wealth of original sources newspapers letters diaries pamphlets Madison and Jefferson is a watershed account of the most important political friendship in American history Enough colorful characters for a miniseries loaded with backstabbing and frontstabbing too Newsday An important thoughtful and gracefully written political history Publishers Weekly starred review The **Presidency of Andrew Jackson** Donald B. Cole,1993 In 1829 Andrew Jackson arrived in Washington in a carriage Eight years and two turbulent presidential terms later he left on a train Those years among the most prosperous in American

history saw America transformed not only by growth in transportation but by the expansion of the market economy and the formation of the mass political party Jackson's ambivalence and that of his followers toward the new politics and the new economy is the story of this book Historians have often depicted the Old Hero or Old Hickory as bigger than life so prominent that his name was wed to an era Donald Cole presents a different Jackson one not always sure of himself and more controlled by than in control of the political and economic forces of his age He portrays Jackson as a leader who yearned for the agrarian past but was also entranced by the future of a growing market economy The dominant theme of Jackson s presidency Cole argues was his inconsistent and unsuccessful battle to resist market revolution Elected by a broad coalition of interest groups Jackson battled constantly not only his opponents but also his supporters He spent most of his first term rearranging his administration and contending with Congress His accomplishments were mostly negative relocating Indians vetoing road bills and the Bank bill and opposing nullification The greatest achievement of his administration the rise of the mass political party was more the work of advisers than of Jackson himself He did however make a lasting imprint Cole contends Through his strength passions and especially his anxiety Jackson symbolized the ambivalence of his fellow Americans at a decisive moment a time when the country was struggling with the conflict between the ideals of the Revolution and the realities of nineteenth century capitalism **The Original Knickerbocker** Andrew Burstein, 2008-02-26 Washington Irving author ambassador and Manhattanite has largely slipped from America's memory and yet his creations are well known Acclaimed historian Andrew Burstein returns Irving to the context of his native nineteenth century where he was an international celebrity both a comic genius and the first American to earn his living as an author Irving traveled through Europe and America excavating tales and writing popular social satire beloved children's stories gothic drama and picturesque history He gave his voung nation such enduring tales as The Legend of Sleepy Hollow and Rip Van Winkle His 1809 burlesque A History of New York popularized the figure of jolly old St Nicholas and gave birth to the modern American Christmas Irving was the original Knickerbocker he also coined Gotham as the name for New York By showing Irving as a leading architect of the American personality Burstein has managed to reinvigorate the legacy of one our nation s most outsized literary talents as well as to help us better understand the country we live in **Iefferson's Secrets** Andrew Burstein, 2005 A powerful portrait of Thomas Jefferson focuses on Jefferson's final days and uncovers the president's thoughts about his own legacy his predictions for American democracy and his feelings regarding women and children 50 The Problem of Democracy Nancy Isenberg, Andrew Burstein, 2020-04-14 Told with authority and 000 first printing style Crisply summarizing the Adamses legacy the authors stress principle over partisanship The Wall Street Journal How the father and son presidents foresaw the rise of the cult of personality and fought those who sought to abuse the weaknesses inherent in our democracy Until now no one has properly dissected the intertwined lives of the second and sixth father and son presidents John and John Quincy Adams were brilliant prickly politicians and arguably the most independently minded

among leaders of the founding generation Distrustful of blind allegiance to a political party they brought a healthy skepticism of a brand new system of government to the country s first 50 years They were unpopular for their fears of the potential for demagoguery lurking in democracy and in a twist that predicted the turn of twenty first century politics they warned against but were unable to stop the seductive appeal of political celebrities Thomas Jefferson and Andrew Jackson In a bold recasting of the Adamses historical roles The Problem of Democracy is a major critique of the ways in which their prophetic warnings have been systematically ignored over the centuries It's also an intimate family drama that brings out the torment and personal hurt caused by the gritty conduct of early American politics Burstein and Isenberg make sense of the presidents somewhat iconoclastic highly creative engagement with America's political and social realities By taking the temperature of American democracy from its heated origins through multiple upheavals the authors reveal the dangers and weaknesses that have been present since the beginning They provide a clear eyed look at a decoy democracy that masks the reality of elite rule while remaining open since the days of George Washington to a very undemocratic result in the formation of a cult surrounding the person of an elected leader Olive Branch and Sword Merrill D. Peterson, 1999-03-01 Dominated by the personalities of three towering figures of the nation s middle period Henry Clay John C Calhoun and President Andrew Jackson Olive Branch and Sword The Compromise of 1833 tells of the political and rhetorical dueling that brought about the Compromise of 1833 resolving the crisis of the Union caused by South Carolina's nullification of the protective tariff In 1832 South Carolina's John C Calhoun denounced the entire protectionist system as unconstitutional unequal and founded on selfish sectional interests Opposing him was Henry Clay the Kentucky senator and champion of the protectionists Both Calhoun and Clay had presidential ambitions and neither could agree on any issue save their common opposition to President Jackson who seemed to favor a military solution to the South Carolina problem It was only when Clay after the most complicated maneuverings produced the Compromise of 1833 that he Calhoun and Jackson could agree to coexist peaceably within the Union The compromise consisted of two key parts The Compromise Tariff written by Clay and approved by Calhoun provided for the gradual reduction of duties to the revenue level of 20 percent The Force Bill enacted at the request of President Jackson authorized the use of military force if necessary to put down nullification in South Carolina The two acts became respectively the olive branch and the sword of the compromise that preserved the peace the Union and the Constitution in 1833 A careful study of what has become a neglected event in American political history Merrill D Peterson s work spans a period of over thirty years sketching the background of national policy out of which nullification arose detailing the explosive events of 1832 and 1833 and then tracing the consequences of the compromise through the dozen or so years that it remained in public controversy Considering as well the larger question of decision making and policy making in the Jacksonian republic Peterson nonetheless never loses sight of the crucial role played by the ambitions whims and passions of such men as Calhoun Clay and Jackson in determining the course of history **Andrew Jackson** Robert Vincent

Remini,1977 The Rise of Andrew Jackson David S Heidler, Jeanne T. Heidler, 2018-10-23 The story of Andrew Jackson s improbable ascent to the White House centered on the handlers and propagandists who made it possible Andrew Jackson was volatile and prone to violence and well into his forties his sole claim on the public s affections derived from his victory in a thirty minute battle at New Orleans in early 1815 Yet those in his immediate circle believed he was a great man who should be president of the United States Jackson s election in 1828 is usually viewed as a result of the expansion of democracy Historians David and Jeanne Heidler argue that he actually owed his victory to his closest supporters who wrote hagiographies of him founded newspapers to savage his enemies and built a political network that was always on message In transforming a difficult man into a paragon of republican virtue the Jacksonites exploded the old order and created a mode of electioneering that has been mimicked ever since

The Reign of Andrew Jackson Frederic Austin Ogg, 1919

**Jacksonland** Steve Inskeep, 2016-05-17 The story of the Cherokee removal has been told many times but never before has a single book given us such a sense of how it happened and what it meant not only for Indians but also for the future and soul of America The Washington Post Five decades after the Revolutionary War the United States approached a constitutional crisis At its center stood two former military comrades locked in a struggle that tested the boundaries of our fledgling democracy One man we recognize Andrew Jackson war hero populist and exemplar of the expanding South whose first major initiative as president instigated the massive expulsion of Native Americans known as the Trail of Tears The other is a half forgotten figure John Ross a mixed race Cherokee politician and diplomat who used the United States own legal system and democratic ideals to oppose Jackson Representing one of the Five Civilized Tribes who had adopted the ways of white settlers Ross championed the tribes cause all the way to the Supreme Court gaining allies like Senator Henry Clay Chief Justice John Marshall and even Davy Crockett Ross and his allies made their case in the media committed civil disobedience and benefited from the first mass political action by American women Their struggle contained ominous overtures of later events like the Civil War and defined the political culture for much that followed Jacksonland is the work of renowned journalist Steve Inskeep cohost of NPR s Morning Edition who offers a heart stopping narrative masterpiece a tragedy of American history that feels ripped from the headlines in its immediacy drama and relevance to our lives Jacksonland is the story of America at a moment of transition when the fate of states and nations was decided by the actions of two heroic yet tragically opposed men **Orthodox Passions** Maram Epstein, 2021-02-01 In this groundbreaking interdisciplinary study Maram Epstein identifies filial piety as the dominant expression of love in Qing dynasty texts At a time when Manchu regulations made chastity the primary metaphor for obedience and social duty filial discourse increasingly embraced the dramatic and passionate excesses associated with late Ming chastity narratives Qing texts especially those from the Jiangnan region celebrate modes of filial piety that conflicted with the interests of the patriarchal family and the state Analyzing filial narratives from a wide range of primary texts including local gazetteers autobiographical and

biographical nianpu records and fiction Epstein shows the diversity of acts constituting exemplary filial piety This context Orthodox Passions argues enables a radical rereading of the great novel of manners The Story of the Stone ca 1760 whose absence of filial affections and themes make it an outlier in the eighteenth century sentimental landscape By decentering romantic feeling as the dominant expression of love during the High Qing Orthodox Passions calls for a new understanding of the affective landscape of late imperial China 

The Petticoat Affair John F. Marszalek,2000-10-01 In The Petticoat Affair prize winning historian John F Marszalek offers the first in depth investigation of the earliest and perhaps greatest political sex scandal in American history During Andrew Jackson's first term in office Margaret Eaton the wife of Secretary of State John Henry Eaton was branded a loose woman for her unconventional public life The brash outgoing and beautiful daughter of a Washington innkeeper Margaret had socialized with her father's guests and married Eaton very soon after the death of her first husband shocking genteel society Jackson saw attacks on Eaton as part of a conspiracy to topple his administration and his strong defense of her character dominated the first two years of his term and led to the resignation of his entire cabinet

# **Passions Of Andrew Jackson Introduction**

In todays digital age, the availability of Passions Of Andrew Jackson books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Passions Of Andrew Jackson books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Passions Of Andrew Jackson books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Passions Of Andrew Jackson versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Passions Of Andrew Jackson books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Passions Of Andrew Jackson books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Passions Of Andrew Jackson books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Passions Of Andrew Jackson books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Passions Of Andrew Jackson books and manuals for download and embark on your journey of knowledge?
