

SHE ENDURED HIS TOUCH

To the network known as the Underground Railroad, she was known simply as "the Guardian Angel." In reality she was Gillian Kendrick, a young Philadelphia beauty with useful connections. And the most useful of all might be Lt. Shane Greyson, who carried vital papers back and forth to Washington. For the sake of her secret mission, she'd endure his kiss, suffer his caress—and hope she could resist the passion that flowed in her own veins at his every touch!

HE PROVOKED HER PASSION

Shane had never been so captivated by a woman as he was by flame-haired Gillian. So he was doubly furious to discover her deceit. He'd been played for a fool, but he'd make her pay for her treachery. He'd kiss those lying lips until she was helpless in his arms, stroke those traitorous curves until she was mindless with wanting him, then take her on his own terms—nothing less than her complete surrender to

Passion Marks Lee Hayes, 2007-05-01 From the outside it looked like a perfect world of an exclusive neighborhood fancy cars and wealth if only they knew On the outside Kevin Davis s life leaves nothing to be desired Living in a world of luxury comfort and money it seems he has everything he could ever want and need But on the inside Kevin hides the verbal physical and sexual abuse he endures at the hands of his perfect man James Lancaster the ambitious CEO of a rising Houston software firm Entangled in a dark web of love violence depravity and torment at the hands of his lover the only way Kevin can free himself is to overcome his personal demons In a psychological battle of wills who will be the ultimate victor

An American Passion Len Blanchard, 2001-09 An historical narrative of epic scope An American Passion is a story of adventure political intrigue war and romance set on the Northern Plains during the last several decades of the Nineteenth Century While faithfully adhering to the sketchy and often contradictory historical record the epic offers a vivid imaginatively realized account of the life of the mysterious Crazy Horse legendary war chief of the Lakota Sioux A man who typically let his actions do his speaking for him and who died young assassinated at the hands of the U S Government in his mid thirties Crazy Horse s story is related by five different narrators An American Passion opens with a prologue spoken by the Missouri River the mighty river of the Great Plains With the historical context established Crazy Horse s life from his birth to his death little more than a year following his great victory

over George Armstrong Custer at the Little Big Horn is related retrospectively by his grieving father Worm a notable medicine man of the tribe The net major section of the epic is narrated by the woman for whom Crazy Horse risked his life and the welfare of his people Black Buffalo Woman s tale is a tragedy in the vein of Romeo and Juliet s Unlike the story of Shakespeare s fallen lovers however the love story of Crazy Horse and Black Buffalo Woman has never been related in its full gripping complexity as it is in *An American Passion* Amazingly after his nearly fatal attempt to take Black Buffalo Woman as his wife Crazy Horse went on to marry and the third major narration of *An American Passion* is that of Black Shawl his fiercely loyal and devoted widow and the mother of his only known child Telling her story at about the time Sitting Bull was returning to the reservation after having been released from prison by the U S Government a bitter but not a hopeless woman Black Shawl focuses on the early death of her daughter by Crazy Horse and on her final days in captivity with Crazy Horse The epic concludes with the account of He Dog a loyal friend of Crazy Horse having fought beside him throughout his days as the greatest warrior among the Sioux He Dog lived to be nearly a hundred years old and served as a respected judge in the Indian courts on the reservation Told from the vantage point of 1910 some 33 years after the killing of Crazy Horse He Dog s narration is largely a tribute to his friend a consideration of the differences in character and temperament between himself and Crazy Horse and an elegy to what might have been and perhaps may some day yet be In the depth and breadth of its portrayal of major figures in Crazy Horse s life who are little more than footnotes in the historical record and in the insight it offers into the heart and mind of a great and complicated man a man who lived and died ultimately as an enigma even to the people who revered and revere him *An American Passion* is a unique emotionally engaging account of the final days of the resistance of the Native Americans of the Northern Plains to that juggernaut of forces which having achieved its objective destroyed a culture though not a people

The Passion of Infinity Daniel Greenspan, 2008-11-03 *The Passion of Infinity* generates a historical narrative surrounding the concept of the irrational as a threat which rational culture has made a series of attempts to understand and relieve It begins with a reading of Sophocles Oedipus as the paradigmatic figure of a reason that having transgressed its mortal limit becomes catastrophically reversed It then moves through Aristotle s ethics psychology and theory of tragedy which redefine reason s collapses in moral psychological rather than religious terms By changing the way in which the irrational is conceived and the nature of its relation to reason Aristotle eliminates the concept of an irrationality which reason cannot in principle dissolve The book culminates in an extensive reading of Kierkegaard s pseudonyms who in a critical retrieval of both Greek tragedy and Aristotle prescribe their apparently pathological age a paradoxical task develop a finite form of subjectivity willing to undergo an unthinkable thought allow the transcendence of a god to enter into the mind as well as the marrow to make a tragic appearance in which a limit to the immanence of human reason can again be established

Thesaurus of English Words and Phrases Peter Mark Roget,1875 **My Passion in Pursuit of God** Cornel Bedward,2024-10-28 In writing this book My Passion in Pursuit of God my focus was to bring together the importance of having God s love well ingrained in every aspect of our lives as we grow My intent was not just to write about my life but also to provide a presentation that would simplify our understanding of our relationship with God My goal and intent were to use my life as an example and to intertwine my life journey from childhood to becoming an adult I wanted to show how my relationship with God had such a profound impact on my life My great asset was having a conscious belief in the presence of a supernatural force outside myself I could sense he wanted to become a part of my life journey and I had the faith to let him This book contains biblical references and verses to help in our life to follow and for consultation In this book there is an understanding that God does not reveal every step we make or keep us from stepping outside his will and desires for our lives There is such a thing as free will and God will not override our choices in our journey However in Christ we have the Holy Spirit and he will guide us into all truth My Passion in Pursuit of God is a captivating book that offers a comprehensive guide on how to deliver a life journey with a spiritual connection to God It is also a testament to the transformative power of personal stories and a deeper connection to the divine Writing this book allows me to take an introspective look at self discovery and the way God sees us through his grace and mercy

Mosenthal, 1875 **A Devotional on Our Savior's Death and Passion** Charles Herle, C. Matthew McMahon, 2022-02-24

Every true Christian longs to be closer in their relationship to Jesus Christ and obtain a more intimate communion with God This is the point of this puritan devotional Herle has taken the role of a preacher and presented the preaching of the Gospel particularly the passion and death of Christ in a devotional manner What is a devotional A devotional is akin to the meditative aspects of a sermon direct application to the self and how the text launches the reader into their own meditations how it applies to me personally as directly applied to the soul Devotionals like this one do this step by step one day at a time Each chapter is a respective day's meditation In this work there are 41 devotionals on the passion and death of Christ with a concluding meditation on the resurrection that Christ is a dying and rising Savior In addition Herle thought it important to add into each devotional a kind of ending prayer Each day there are two or three prayers linked to the devotionals that allow you to become more thoughtful about these important biblical points as they relate to what happened to Jesus what he did for his people and how they can be prayed back to him for the soul's edification and benefit The goal in this devotional is to meditate and consider the passion of the Lord Jesus from the Garden of Gethsemane to his death at Golgotha and then consider what happened on the cross as he is nailed there dying for sinners These devotionals work themselves out daily Readers would draw the most virtue from this work and from Jesus Christ if they deal with one chapter each day for 41 days But they are only as helpful as they are thoughtful and dedicated about considering them Devotionals are not about simply flexing one's theological muscles each day It is primarily to gain the real blessing of the Spirit further conformity to the image of Jesus Christ and a deeper fellowship with the Father as you come to understand the passion of Christ and his death on the cross in redeeming sinners **The Watches of the Sacred Passion** Peter Gallwey, 1896 **Emmanuel's Garden**
