The Rapture Exposed Barbara R. Rossing,2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In The Rapture Exposed Barbara Rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God s healing love for the world The Rapture Exposed reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God s beloved community

Rapture Carol Ann Duffy,2016-05-03 Winner of the T S Eliot Prize essential reading for the broken hearted of all ages The Guardian The effortless virtuosity drama and humanity

of Carol Ann Duffy's verse have made her much admired among contemporary poets. *Rapture* is a book-length love poem and a moving act of personal testimony. But what sets these poems apart from other treatments of the subject is Duffy's refusal to simplify the contradictions of love and read its transformations: infatuation, longing, passion, commitment, rancor, separation and grief as either redemptive or destructive. This is a map of real love in all its churning complexity, simultaneously direct and subtle, showing us that a song can be made of even the most painful episodes in our lives. With poems that will find deep resonance in the experience of most readers, it is a collection that can and does speak for us all. *Rapture's Slave* Becky Lee Weyrich, 2014-07-22

An emperor's concubine and a courageous gladiator succumb to forbidden passion in a historical romance from the author of *Captive of Desire*. When the virile young Nero first spots the exquisite Acte, illegitimate daughter of Emperor Claudius and a royal household slave, he knows he must have her. But even as Acte finds her deepest desires awakened by the magnificent Nero, she fears his sadistic nature. Though she has been fated to serve as Nero's carnal playmate when he becomes emperor of Rome, Acte finds the true love she dreams of in Sergio, a handsome gladiator. But in a loveless world where lust and power rule side by side, her secret obsession with Sergio might cost Acte her heart and both of their lives. One of the finest and most gifted writers, a master storyteller. *Romantic Times* **Rapture** J.R. Ward, 2012-09-25

Out of the wickedly inventive imagination of 1 New York Times bestselling author J.R. Ward comes a world where sin and salvation collide in a battle for the future of mankind, where a cynical fallen angel struggles against the seven deadly sins and a demon's lure over seven chosen souls. Mels Carmichael, reporter for the *Caldwell Courier Journal*, gets the shock of her life when a man stumbles in front of her car outside the local cemetery. After the accident, his amnesia is just the kind of mystery she likes to solve, but she soon discovers they're in over their heads with his past. Over their heads with passion, too. As shadows walk the line between reality and another realm and her lover's memory begins to come back, the two of them learn that nothing is truly dead and buried. Especially when you're trapped in a no-holds-barred war between angels and demons. With a soul on the line and Mels's heart at risk, what in Heaven or in Hell will it take to save them both. **remembered**

rapture bell hooks, 1999-01-11

Drawing on her experiences as a professor of English and the author of sixteen highly acclaimed books, critic bell hooks presents an insightful collection of essays on the process and politics of writing. Centrally, many of the essays raise provocative questions about the feminist movement and women's writing: the kinds of voices women have established in the wake of the demand for more writing by women; the politics of confession and the type of standards being set for women writers by critics. Several essays explore hooks's personal relationship to publishing, explaining the impact success has had on her work as she highlights her movement from writing in relative isolation to writing in New York City amidst the publishing industry in a world full of writers. Other essays focus on the dearth of nonfiction writing by Black women, contrasting that with the rise in their published fiction. More general essays focus on writing as healing, raising issues about the function of writing, the extent to which readers inspire writers, and how race, gender, and class can determine one's
