Passover Murder:

Blood Passover The Jews of Europe and Ritual Murder [PAPERBACK] Ariel Toaff, 2020-03-19 For centuries there have been rumors that various Jewish groups or individuals engaged in human sacrifices or ritual murder for religious purposes This book analyzes the cultural and historical background to a notorious 1475 murder trial in Italy A group of Jews were accused of murdering a young boy later known as Simon of Trent and using his blood for Passover rites The accused were tortured and confessed to killing the boy who was informally venerated as a saint by the Roman Catholic Church until the 1960s Here for the first time in several decades the reader is presented this infamous case in a scholarly manner that aims to draw out facts and leave speculation behind The use of a medieval case study helps to illuminate much needed scholarly scrutiny on a topic that has for too long been obfuscated or dismissed out of hand without serious inquiry Students of Renaissance Italy medieval Jewish history and the Catholic Church will be well served by this book *The Passover Murder* Lee Harris, 2010-12-29 FINAL QUESTIONS Until someone killed her the only mystery about adorable Iris Grodnik was why she had never married But for fifteen years her strange disappearance and murder during a Passover seder has remained a troubling piece of family history So when Iris s relatives ask ex nun Chris Bennett now the wife of a New York City cop to make one last attempt to learn the truth she reluctantly consents Iris s old friends and suitors have scattered and Chris soon suspects that some of the relatives are not telling her all they know about Iris s life and death Then in the dusty depths of a hall closet she finds an old leather purse and her worst forebodings about Iris Grodnik s haunting murder begin to be fulfilled

Bell, Book, and Murder Rosemary Edghill, 2014-08-12 Rosemary Edghill cast a keenly observant friendly yet faintly amused eye on an intriguing American micro culture The Bast novels offer a very new view of the practitioners of a very old faith Edghill allows that there s still magic in the air Rosemary Edghill s Bast novels are a real treat Bell Book and Murder contains all three Bast novels Speak Daggers to Her Book of Moons and The Bowl of Night excerpted in USA Today At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *The Valentine's Day Murder* Lee Harris, 2010-12-29 THE BIG CHILL What really happened that tragic Valentine s night on Lake Erie No one knows Three old buddies reckless Matty successful Clark clever Val decided to cap Val s birthday celebration with a stroll across the frozen lake They never returned Matty s scarf was found snagged on broken ice After the thaw only the bodies of Clark and Matty are recovered the latter with a bullet in it Val remains missing now a murder suspect His desperate wife pleads with ex nun investigator Christine Bennett to find him and prove his innocence A tall order especially when Chris starts hunting for clues in the lives of these respectable suburbanites and their wives And when she closes in on a truth that chills her to the bone she suddenly finds herself skating on very thin ice **Leo Frank Case** Leonard Dinnerstein, 1999-03 A account of the trial and lynching of Leo Frank the Jewish factory manager accused of the brutal murder of Mary Phagan The author places Frank s trial and lynching in the context of a rapidly changing southern United States society **The Happy**

Birthday Murder Lee Harris, 2015-09-16 IT S PARTY TIME FOR A KILLER Suburban sleuth Christine Bennett is moved and intrigued by two poignant mementos treasured by her late Aunt May The first is a sad little note mourning the death of a young man lost in a Connecticut wood the other an obituary honoring a wealthy local manufacturer who committed suicide just after his splendid fiftieth birthday celebration Why did her aunt never mention these virtually simultaneous tragedies Chris s investigative instincts are irresistibly whetted especially by the bizarre discovery that the victims though strangers were found wearing each other s sneakers And as she slices through the layers of the past she uncovers the horrible truth that murder was just the icing on the cake *The Accusation: Blood Libel in an American Town* Edward

Berenson, 2019-09-10 A chilling investigation of America s only alleged case of blood libel and what it reveals about antisemitism in the United States and Europe On Saturday September 22 1928 Barbara Griffiths age four strayed into the woods surrounding the upstate village of Massena New York Hundreds of people looked everywhere for the child but could not find her At one point someone suggested that Barbara had been kidnapped and killed by Jews and as the search continued policemen and townspeople alike gave credence to the quickly spreading rumors The allegation of ritual murder known to Jews as blood libel took hold To believe in the accusation seems bizarre at first glance blood libel was essentially unknown in the United States But a great many of Massena s inhabitants both Christians and Jews had emigrated recently from Central and Eastern Europe where it was all too common Historian Edward Berenson himself a native of Massena sheds light on the cross cultural forces that ignited America s only known instance of blood libel and traces its roots in Old World prejudice homegrown antisemitism and the resurgence of the Ku Klux Klan in the 1920s Residues of all three have persisted until the present day More than just the disturbing story of one town s embrace of an insidious anti Jewish myth *The Accusation* is a shocking and perceptive exploration of American and European responses to antisemitism **Legacy of**

[The Murder of Willie Lincoln](#) Burt Solomon, 2017-02-21 The Murder of Willie Lincoln is an exciting historical fiction debut by award winning political journalist Burt Solomon Washington City 1862 The United States lies in tatters and there seems no end to the war Abraham Lincoln the legitimate President of the United States is using all his will to keep his beloved land together But Lincoln's will and soul are tested when tragedy strikes the White House as Willie Lincoln the love and shining light in the president's heart is taken by typhoid fever But was this really the cause of his death A message arrives suggesting otherwise Lincoln asks John Hay his trusted aide and almost a son to investigate Willie's death Some see Hay as a gadfly adventurous incisive lusty reflective skeptical even cynical but he loves the president and so seeks the truth behind the boy's death And so as we follow Hay in his investigation we are shown the loftiest and lowest corners of Washington City from the president's office and the gentleman's dining room at Willard's Hotel to the alley hovels wartime hospitals and the dome less Capitol's vermin infested subbasement We see the unfamiliar sides of a grief stricken president his hellcat of a wife and their two surviving and suffering sons and Hay matches wits with such luminaries as General McClellan William Seward and the indomitable detective Allan Pinkerton What Hay discovers has the potential of not only destroying Lincoln but a nation At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

[The Butcher's Tale: Murder and Anti-Semitism in a German Town](#) Helmut Walser Smith, 2003-10-28 In 1900 in a small country town of the German Empire a German boy is found murdered in a crime which

resembles traditional blood libel accusation against the Jews When the Jewish butcher is accused the town explodes in an anti Semitic fervour Professor Smith pieces the story together **Blood Passover** Ariel Toaff,2016 **Two Nations in Your Womb** Israel Jacob Yuval,2008-08-19 Since it was first published in Hebrew in 2000 this provocative book has been garnering acclaim and stirring controversy for its bold reinterpretation of the relationship between Judaism and Christianity in the Middle Ages especially in medieval Europe Looking at a remarkably wide array of source material Israel Jacob Yuval argues that the inter religious polemic between Judaism and Christianity served as a substantial component in the mutual formation of each of the two religions He investigates ancient Jewish Passover rituals Jewish martyrs in the Rhineland who in 1096 killed their own children Christian perceptions of those ritual killings and events of the year 1240 when Jews in northern France and Germany expected the Messiah to arrive Looking below the surface of these key moments Yuval finds that among other things the impact of Christianity on Talmudic and medieval Judaism was much stronger than previously assumed and that a rejection of Christianity became a focal point of early Jewish identity *Two Nations in Your Womb* will reshape our understanding of Jewish and Christian life in late antiquity and over the centuries ***Murder in Hell's Kitchen*** Lee Harris,2003 Just months from retirement Detective Jane Bauer takes a job working for a special unit that tackles unsolved crimes and becomes caught up in the investigation into the four year old murder of Arlen Quill but when she decides to interview Quill s old neighbors she discovers that every occupant of Quill s apartment house at the time of the killing has disappeared **Original Perpetrating the Holocaust** Paul R. Bartrop,Eve E. Grimm,2019-01-11 Weaving together a number of disparate themes relating to Holocaust perpetrators this book shows how Nazi Germany propelled a vast number of Europeans to try to re engineer the population base of the continent through mass murder A comprehensive introductory essay along with a detailed chronology reference entries primary sources images and a bibliography provide crucial information that readers need in order to understand Hitler s plan as carried out through legislation and armed violence The book also demonstrates that both within Nazi Germany and in other parts of Europe all sectors of society played a role in planning facilitating and executing the Final Solution In addition to entries on nearly 150 perpetrators the book includes 25 primary source documents ranging from government memoranda to first hand observations of Nazi killing activities to field reports from senior officers on the scene of Holocaust killing sites Also included are excerpts from literary memoirs Students and researchers will find these documents to be fascinating statements as well as excellent source material for further research **Murder, Motherhood, and Miraculous Grace** Debra Moerke,2019 When Debra Moerke and her husband decided to become foster parents they never imagined how their lives would change Debra became especially close to one little girl four year old Hannah She loved her and did everything she could to help Hannah learn to trust and teach her to feel safe But when Hannah went back to her birth mother Karen it wasn t long before one of Debra s worst fears came true Overwhelmed with horror and grief Debra didn t think she could take anymore but then she received a
