Passover Plot:

The Passover Plot Hugh Schonfield, 2004-04-01 Finally back in print this special 40th anniversary edition of Dr Schonfield's international multimillion copy bestseller is set to rock the establishment view of the life of Jesus all over again. There is probably no other figure in modern Jewish historical research who is more controversial or famous than Hugh J. Schonfield who once said 'The scholars deplore that I have spilled the beans to the public. Several of them have said to me: You ought to have kept this just among ourselves, you know.' What he did to spill the beans was present historical evidence suggesting that Jesus was a mortal man, a young genius who believed himself to be the Messiah and deliberately and brilliantly planned his entire ministry according to the Old Testament prophecies even to the extent of plotting his own arrest, crucifixion and resurrection. Since Schonfield's death in 1988, his popularity and the interest in his prodigious work, which included over 40 books, has drawn increasing attention, particularly outside Judaism. In fact, it is probably fair to say that his contribution to the Gentile understanding of Jewish aspirations among those within the Christian cultural framework has been without parallel. In true Christian tradition, he has also been the cause of much contention. In the wake of resurgent interest in religious history spurred by Mel Gibson's *The Passion of the Christ* and Dan Brown's *The Da Vinci Code*, this 40th anniversary edition of *The Passover Plot* is set to engage a completely new generation of readers searching for truth. *The Passover Plot* Hugh J. Schonfield, 2021-12-16 This is the new official Schonfield Trust edition of *The Passover Plot*, which is probably one of the most controversial books on the role of Jesus the Messiah. Yet to say that might detract from its scholarly attention to detail and its furnishing of new insights into the character of the Man who changed the world so radically. Thus it is a must-read for those seeking a better understanding. Schonfield's aim in life was to build a bridge between peoples and he hoped that by digging into the facts behind the origins of Christianity, he would be able to uncover the real Messiah misrepresented since time immemorial. His sincere desire was that this understanding would bring together those who had so long been divided. Whilst his thesis that Jesus plotted his own crucifixion may seem far-fetched or even offensive at first seen in the light of John's Gospel and the thinking of the times, it provides food for thought to those with an open mind. **The Passover Plot** Hugh J. Schonfield, 2004-04-01 Explores the theory that Jesus planned his ministry, crucifixion and resurrection in accordance with Hebrew Messianic prophecies. *THE PASSOVER PLOT*, 1965 **The Politics of God** Hugh J. Schonfield, In *The Politics of God*, Hugh Schonfield builds upon his controversial best-seller *The Passover Plot* to reveal the vision which had been driving him most of his life. In searching for the common roots of Judaism and Christianity, he uncovers Jesus the Jew and the Messiah for all people. Calling on a wide range of thinkers as well as his extensive historical and biblical research, he exposes Jesus the Messiah as the founder not of a religion but of a nation set apart to the service of Mankind. This renowned historian seeks an answer to the difficulties in discovering a solution in today's religions as well as the disillusionment with state politics' inability to find an answer to peace in the world. Hugh Schonfield uncovers

an ancient idea which he believes to be the only possible solution to Humankind's dilemma the Politics of God The Sacred Mushroom and the Cross John M. John M. Allegro, 2014-12-10 This book is the first published statement of the fruits of some years work of a largely philological nature It presents a new appreciation of the relationship of the languages of the ancient world and the implication of this advance for our understanding of the Bible and of the origins of Christianity The Jesus Papers Michael Baigent, 2009-03-17 In this New York Times bestselling study the co author of Holy Blood Holy Grail explores further mysteries surrounding Jesus Christ What if everything we have been told about the origins of Christianity is a lie What if a small group had always known the truth and had kept it hidden until now What if there is evidence that Jesus Christ survived the crucifixion In Holy Blood Holy Grail Michael Baigent and his co authors Henry Lincoln and Richard Leigh stunned the world with a controversial theory that Jesus Christ and Mary Magdalene married and founded a holy bloodline The book became an international publishing phenomenon and was one of the sources for Dan Brown's novel The Da Vinci Code Now with two additional decades of research behind him Baigent's The Jesus Papers presents explosive new evidence that challenges everything we know about the life and death of Jesus Praise for The Jesus Papers An explosive book The Today Show Fascinating CNN's American Morning *Jesus: A Biography* Hugh J. Schonfield, 2021-12-17 It is somewhat surprising and illuminating to discover for how many people the Prophet of Nazareth has been little more than a theological concept with a semblance of humanity I have chosen the ambitious description of biography for this life of Jesus because that is the class of writing to which it is intended to belong My book is not designed to serve any theological or propagandist purpose whatsoever I have attempted to take the subject out of the domain of purely religious literature though I know how difficult it is and has been for myself to acquire the unbiased and detached viewpoint which is vital to such an experiment I cannot pretend that I have always succeeded but I believe that I have gone further in this direction than any of my predecessors The name of Jesus is so intimately bound up with an exalted faith which is daily operative for thousands that the task of him who would remember only that his function is to relate the story of a Galilean Jew who lived nearly two millennia ago and claimed to be his people's Messiah is no enviable one *Paul and Jesus* James D. Tabor, 2013-11-26 Draws on St Paul's letters and other early sources to reveal the apostles sharply competing ideas about the significance of Jesus and his teachings while demonstrating how St Paul independently shaped Christianity as it is known today The Passover Plot , **The Passover Plot** Hugh Joseph Schonfield, 1996 *The Jesus Party* Hugh Joseph Schonfield, 1974 Cities evidence from the Dead Sea Scrolls and archaeological resources to reveal that the early Jesus movement was comprised of loyal Jewish nationalists We Were the Lucky Ones Georgia Hunter, 2023-11-28 The New York Times bestseller with more than 1 million copies sold worldwide Now a Hulu limited series starring Joey King and Logan Lerman Inspired by the incredible true story of one Jewish family separated at the start of World War II determined to survive and to reunite We Were the Lucky Ones is a tribute to the triumph of hope and love against all odds Love in the face of global adversity It

couldn't be more timely Glamour It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives even as the shadow of war grows closer The talk around the family Seder table is of new babies and budding romance not of the increasing hardships threatening Jews in their hometown of Radom Poland But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world each desperately trying to navigate his or her own path to safety As one sibling is forced into exile another attempts to flee the continent while others struggle to escape certain death either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight Driven by an unwavering will to survive and by the fear that they may never see one another again the Kurcs must rely on hope ingenuity and inner strength to persevere An extraordinary propulsive novel *We Were the Lucky Ones* demonstrates how in the face of the twentieth century's darkest moment the human spirit can endure and even thrive

The Authentic New Testament Hugh Joseph Schonfield, 1958 Rich insight into the spiritual and historical meaning of the New Testament distinguishes this brilliant new translation edited by an eminent Jewish scholar Hugh J Schonfield who worked for thirty years on his modern version of the original Greek text has created a vivid and readable translation that captures the character mood and style of each individual author Dr Schonfield has provided a comprehensive introduction covering the historical and geographical background as well as helpful notes on social and religious customs Included too for reference use are maps illustrations and an index of persons and places This incisive translation offers the modern reader a clear understanding of the original meaning of the New Testament and a dramatic picture of Biblical times

The Role of Jewish Feasts in John's Gospel Gerry Wheaton, 2015-02-26 This study elucidates the role of the Jewish feasts of Passover Tabernacles and Dedication in John's presentation of Jesus Gerry Wheaton examines the Fourth Gospel in relation to contemporary Jewish sources and applies his findings to the larger debate surrounding the alleged anti Jewish posture of the Gospel as a whole

The Passover Plot Hugh J. Schonfield, 1996 Traditional Christian belief firmly based on the divinity of Jesus is now being challenged both by the discoveries of modern science and the research of biblical scholars In this book Dr Hugh Schonfield provides a new interpretation of Jesus an interpretation which in no way detracts from his greatness or uniqueness He argues that as master of his own destiny Jesus directed his life deliberately plotting his actions which were to culminate in his crucifixion and resurrection in order to fulfil the Messianic prophecies

Moshkeleh the Thief Sholom Aleichem, 2021-09 This first English translation of Sholom Aleichem's rediscovered novel *Moshkeleh the Thief* has a riveting plot an unusual love story and a keenly observed portrayal of an underclass Jew replete with characters never before seen in Yiddish literature The eponymous hero Moshkeleh is a robust chap and horse thief When Tsireleh daughter of a tavern keeper flees to a monastery with the man she loves a non Jew she met at the tavern the humiliated tavern keeper's family turns to Moshkeleh for help not knowing he too is in love with her For some unknown reason this innovative novel does not appear in the standard twenty eight volume edition of Sholom Aleichem's collected works

published after his death Strikingly Moshkeleh the Thief shows Jews interacting with non Jews in the Russian Pale of Settlement a groundbreaking theme in modern Yiddish literature This novel is also important for Sholom Aleichem s approach to his material Yiddish literature had long maintained a tradition of edelkeyt refinement Authors eschewed violence the darker side of life and people on the fringe of respectability Moshkeleh thus enters a Jewish arena not hitherto explored in a novel
