

# Passport In International Law

**E. Lauterpacht, C. J. Greenwood**

## **Passport In International Law:**

**Nationality and Statelessness in International Law** Paul Weis, 1979-12-13 This second revised edition takes into account the decision of the International Court of Justice in the *Nottebohm Case* which was published just as the first edition was going to press and therefore received only cursory treatment It also of course includes an analysis of international legislation adopted since 1955 including the 1961 UN Convention on the Reduction of Statelessness the 1957 UN Convention on the Nationality of Married Women and the 1966 International Covenant on Civil and Political Rights The decisions of international tribunals and in particular of the Italian Conciliation Commissions are analysed Finally the author presents legislative judicial and governmental practice during the twenty two years After beginning with a clear definition of terms the author analyses the functions of nationality in international law the relationship between municipal and international law and then the public international law of nationality In this latter part he examines international conventions international custom and the principles of law generally recognized with regard to nationality The book ends with a summary and conclusions dealing with the existing law and future developments *The Passport in International Law* Daniel C. Turack, 1972 *The Passport* Martin Lloyd, 2008 *International Law's Objects* Jessie Hohmann, Daniel Joyce, 2018 International law's rich existence in the world can be illuminated by its objects International law is often developed conveyed and authorized through its objects and or their representation From the symbolic the regalia of the head of state and the symbols of sovereignty to the mundane a can of dolphin safe tuna certified as complying with international trade standards international legal authority can be found in the objects around us Similarly the practice of international law often relies on material objects or their image both as evidence satellite images bones of the victims of mass atrocities and to found authority for instance maps and charts This volume considers these questions firstly what might the study of international law through objects reveal What might objects rather than texts tell us about sources recognition of states construction of territory law of the sea or international human rights law Secondly what might this scholarly undertaking reveal about the objects as aims or projects of international law How do objects reveal or perhaps mask these aims and what does this tell us about the reasons some physical or material objects are foregrounded and others hidden or ignored Thirdly what objects icons and symbols preoccupy the profession and academy The personal selection of these objects by leading and emerging scholars worldwide will illuminate the contemporary and historical fascinations of international lawyers By considering international law in the context of its material culture the authors offer a new and exciting theoretical perspective on the subject With an image of each object reproduced in full colour the book will make an engaging and interesting read for scholars practitioners and students alike **Nationals Abroad** Christopher A. Casey, 2020-07-02 A broad ranging and ambitious study of the changing relationships between countries and their nationals abroad and the impact that mass migration played in shaping modern international law and politics *Handbook of International Law* Anthony Aust, 2010-04-01 To the new student of

international law the subject can appear extremely complex a system of laws created by states international courts and tribunals operating at the national and global level A clear guide to the subject is essential to ensure understanding This handbook provides exactly that written by an expert who both teaches and practises in the field it focuses on what the law is how it is created and how it is applied to solve day to day problems It offers a practical approach to the subject giving it relevance and immediacy The new edition retains a concise user friendly format allowing central principles such as jurisdiction and the law of treaties to be understood In addition it explores more specialised topics such as human rights terrorism and the environment This handbook is the ideal introduction for students new to international law

**International Law Reports** E. Lauterpacht, C. J. Greenwood, 1987 International Law Reports is the only publication in the world wholly devoted to the regular and systematic reporting in English of courts and arbitrators as well as judgements of national courts

**Unrecognized Entities**, 2021-12-28 The book which covers contributions from leading international and European law scholars and analyzes the legal and political status quo of non recognized entities comprises three parts The first and the second part focus on contemporary trends of legal theory and practice concerning issues pertaining to secession and non recognized entities in international and European law respectively Additionally it touches upon EU policies the issue of EU citizenship in light of secessionist movements in Europe and the phenomenon of extraterritorial naturalization within non recognized entities The third part scrutinizes the legal systems of non recognized entities in the post Soviet area covering Eastern Ukraine Abkhazia South Ossetia Transnistria and Nagorno Karabakh

*International Law's Objects* Jessie Hohmann, Daniel Joyce, 2018-12-20 International law's rich existence in the world can be illuminated by its objects International law is often developed conveyed and authorized through its objects and or their representation From the symbolic the regalia of the head of state and the symbols of sovereignty to the mundane a can of dolphin safe tuna certified as complying with international trade standards international legal authority can be found in the objects around us Similarly the practice of international law often relies on material objects or their image both as evidence satellite images bones of the victims of mass atrocities and to found authority for instance maps and charts This volume considers these questions firstly what might the study of international law through objects reveal What might objects rather than texts tell us about sources recognition of states construction of territory law of the sea or international human rights law Secondly what might this scholarly undertaking reveal about the objects as aims or projects of international law How do objects reveal or perhaps mask these aims and what does this tell us about the reasons some physical or material objects are foregrounded and others hidden or ignored Thirdly what objects icons and symbols preoccupy the profession and academy The personal selection of these objects by leading and emerging scholars worldwide will illuminate the contemporary and historical fascinations of international lawyers As a result the volume will be an important artefact itself an object in its own right capturing the mood of international law in a given moment and providing opportunity for reflection on these preoccupations By considering

international law in the context of its material culture the authors offer a new theoretical perspective on the subject The Invention of the Passport John Torpey, 2018-07-26 The definitive history of the passport and why it became so important for controlling movement in the modern world The Passport in America Craig Robertson, 2010-07-02 In today's world of constant identification checks it's difficult to recall that there was ever a time when proof of identity was not a part of everyday life And as anyone knows who has ever lost a passport or let one expire on the eve of international travel the passport has become an indispensable document But how and why did this form of identification take on such a crucial role In the first history of the passport in the United States Craig Robertson offers an illuminating account of how this document above all others came to be considered a reliable answer to the question who are you Historically the passport originated as an official letter of introduction addressed to foreign governments on behalf of American travelers but as Robertson shows it became entangled in contemporary negotiations over citizenship and other forms of identity documentation Prior to World War I passports were not required to cross American borders and while some people struggled to understand how a passport could accurately identify a person others took advantage of this new document to advance claims for citizenship From the strategic use of passport applications by freed slaves and a campaign to allow married women to get passports in their maiden names to the passport nuisance of the 1920s and the contested addition of photographs and other identification technologies on the passport Robertson sheds new light on issues of individual and national identity in modern U S history In this age of heightened security especially at international borders Robertson's *The Passport in America* provides anyone interested in questions of identification and surveillance with a richly detailed and often surprising history of this uniquely important document **Elements of International Law** Henry Wheaton, 1866 **Encyclopedia of Public International Law** Ezio Biglieri, G. Prati, 2014-06-28 Digital Communications *The Passport in International Law* Daniel C. Turack, 1972

**Nationality and Statelessness under International Law** Alice Edwards, Laura van Waas, 2014-09-18 This book identifies the rights of stateless people and outlines the major legal obstacles preventing the eradication of statelessness

**At Home in Two Countries** Peter J Spiro, 2016-06-07 Read Peter's Op ed on Trump's Immigration Ban in The New York Times The rise of dual citizenship could hardly have been imaginable to a time traveler from a hundred or even fifty years ago Dual nationality was once considered an offense to nature an abomination on the order of bigamy It was the stuff of titanic battles between the United States and European sovereigns As those conflicts dissipated dual citizenship continued to be an oddity a condition that if not quite freakish was nonetheless vaguely disreputable a status one could hold but not advertise Even today some Americans mistakenly understand dual citizenship to somehow be illegal when in fact it is completely tolerated Only recently has the status largely shed the opprobrium to which it was once attached *At Home in Two Countries* charts the history of dual citizenship from strong disfavor to general acceptance The status has touched many there are few Americans who do not have someone in their past or present who has held the status if only unknowingly The

history reflects on the course of the state as an institution at the level of the individual The state was once a jealous institution justifiably demanding an exclusive relationship with its members Today the state lacks both the capacity and the incentive to suppress the status as citizenship becomes more like other forms of membership Dual citizenship allows many to formalize sentimental attachments For others it s a new way to game the international system This book explains why dual citizenship was once so reviled why it is a fact of life after globalization and why it should be embraced today

*International Law* William Edward Hall,1880      **Nationality and Statelessness in International Law** P Weiss,1979-12      A Digest of International Law as Embodied in Diplomatic Discussions, Treaties and Other International Agreements John Bassett Moore,1906      **International Law Chiefly as Interpreted and Applied by the United States** Charles Cheney Hyde,1922

## Passport In International Law Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Passport In International Law PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Passport In International Law PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Passport In International Law free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Passport In International Law Books

**What is a Passport In International Law PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Passport In International Law PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Passport In International Law PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Passport In International Law PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Passport In International Law PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such

as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
