The Shooting Star Shivya Nath, 2018-09-14 Shivya Nath quit her corporate job at age twenty three to travel the world She gave up her home and the need for a permanent address sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador Along the way she lived with an indigenous Mayan community in Guatemala hiked alone in the Ecuadorian Andes got mugged in Costa Rica swam across the border from Costa Rica to Panama slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears With its vivid descriptions cinematic landscapes moving encounters and uplifting adventures *The Shooting Star* is a travel memoir that maps not just the world but the human spirit *Turkey* Paul Strathern, 1995

**Planning a Trip Abroad** Blair Jaekel, 1912 Passport's Trip Planner and Travel Diary Mike Urban, 1990-07 *Passport's Trip Planner and Travel Diary* is a handy take along companion that helps you plan your travels before you go and recall your journey once you're home again *Bruised Passports* Savi Munjal, Vidit Taneja, 2022-02-20 As young kids SAVI and VID as they are popularly known to their followers dreamt of travelling the world together In 2013 they turned this dream into reality with the launch of their travel blog BRUISED PASSPORTS And now countless flights dreamy destinations and beautiful pictures later the OG couple of travel has decided to reveal the secret of their carefree and footloose life But this isn't just a book filled with dreamy stories of travel people and culture in these pages Savi and Vid share their insights on how you too can live a life full of memories adventure and the excitement of discovering a new place With tips plans and advice inspired by the hurdles and successes they have faced Savi and Vid tell you how to be successful digital nomads in a post pandemic world From financial planning to risk analysis to taking that leap of faith to how to create a brand of your own BRUISED PASSPORTS promises to be a treasure trove for anyone who wants to take the plunge and set off on a journey to live life on their own terms **The American Passport in Turkey** Özlem Altan-Olcay, Evren Balta, 2020-05-15 An ethnographic exploration of the meaning of national citizenship in the context of globalization *The American Passport in Turkey* explores the diverse meanings and values that people outside of the United States attribute to U S citizenship specifically those who possess or seek to obtain U S citizenship while residing in Turkey zlem Altan Olcay and Evren Balta interviewed more than one hundred individuals and families and through their narratives shed light on how U S citizenship is imagined experienced and practiced in a setting where everyday life is marked by numerous uncertainties and unequal opportunities When a Turkish mother wants to protect her daughter's modern secular upbringing through U S citizenship U S citizenship for her is a form of insurance for her daughter given Turkey's unknown political future When a Turkish American citizen describes how he can make a credible claim of national belonging because he returned to Turkey yet can also claim a cosmopolitan Western identity because of his U S citizenship he represents the popular identification of the West with the United States And when a natural born U S citizen describes with enthusiasm the upward mobility she has

experienced since moving to Turkey she reveals how the status of U S citizenship and Americanness become valuable assets outside of the States Offering a corrective to citizenship studies where discussions of inequality are largely limited to domestic frames Altan Olcay and Balta argue that the relationship between inequality and citizenship regimes can only be fully understood if considered transnationally Additionally The American Passport in Turkey demonstrates that U S global power not only reveals itself in terms of foreign policy but also manifests in the active desires people have for U S citizenship even when they do not intend to live in the United States These citizens according to the authors create a new kind of empire with borders and citizen state relations that do not map onto recognizable political territories *Citizenship and how to*
