Past Forgetting My Love Affair With Dwig:

Past forgetting Kay Summersby Morgan,1976 The author tells of her love affair with General Dwight D Eisenhower during World War II **Ike and Kay** James MacManus,2018-06-05 A historical novel based on the true story of the secret love affair at the heart of World War II amidst the Blitz in London In 1942 Kay Summersby's life is changed forever when she is conscripted to drive General Eisenhower on his fact finding visit to wartime London Despite Eisenhower's marriage to Mamie the pair takes an immediate liking to each other and he buys Kay a rare wartime luxury a box of chocolates So begins a tumultuous relationship that against all military regulation sees Kay traveling with Eisenhower on missions to far flung places before the final assault on Nazi Germany The general does dangerously little to conceal his affair with the woman widely known as Ike's shadow and in letters Mamie bemoans his new obsession with Ireland That does not stop him from using his influence to grant Kay citizenship and rank in the U S Army drawing her closer still when he returns to America When officials discover Eisenhower's plans to divorce from his wife they threaten the fragile but passionate affair and Kay is forced to take desperate measures to hold onto the man she loves Based on the scandalous true story of General Eisenhower's secret World War II love affair Ike and Kay is a compelling story of love duty sacrifice and heartbreak set against the backdrop of the most tumultuous period of the twentieth century Praise for Ike and Kay Ike and Kay sets the backdrop for an important time in history and brings to life controversial romances and characters that shaped world history during the twentieth century Buzzfeed This poignant novel recreates the war years and explores how a relationship can alter lives and history Anyone interested in WWII history will savor this beautifully written love story that displays another side to Eisenhower and the war RT Book Reviews With keen eye for historical detail and strong narrative voice MacManus has expertly and artfully painted an intimate authentic portrait of love duty and sacrifice against the backdrop of the greatest events of the 20th century Masterful Pam Jenoff New York Times bestselling author of The Orphan's Tale Past Forgetting Kay Summersby Morgan,1976 *Letters to Mamie* Dwight David Eisenhower,1978 This book contains a selection from the more than 300 letters written by Dwight D Eisenhower to his wife Mamie Eisenhower during World War II Included are Eisenhower's impressions of Franklin Roosevelt Winston Churchill Harry S Truman and George Patton and details of the planning of Operation OVERLORD and the Battle of the Bulge *My Past Forgetting* Kay S. Morgan,1984-11

Eisenhower Was My Boss Kay Summersby,2007-03-01 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Bury My Heart in a Free Land** Hettie V. Williams,2017-12-01 Covering the history and contributions of black women intellectuals from the late 19th century to the present this book highlights individuals who are often overlooked in the study of the American intellectual tradition This edited volume of essays on black women intellectuals in modern U S history illuminates the relevance of these women in the

development of U S society and culture The collection traces the development of black women s voices from the late 19th century to the present day Covering both well known and lesser known individuals *Bury My Heart in a Free Land* gives voice to the passion and clarity of thought of black women intellectuals on various arenas in American life from the social sciences history and literature to politics education religion and art The essays address a broad range of outstanding black women that include preachers abolitionists writers civil rights activists and artists A section entitled *Black Women Intellectuals in the New Negro Era* highlights black women intellectuals such as Jessie Redmon Fauset and Elizabeth Catlett and offers new insights on black women who have been significantly overlooked in American intellectual history **Presidential Wives**

Paul F. Boller,1998 At once funny and poignant dramatic and illuminating this anecdotal history covers every First Lady from Martha Washington to Hillary Rodham Clinton A marvelously entertaining work *Newsday* *The Secret Coalition* Gary A.

Donaldson,2014-09-30 The politics of the 1950s revolved around two primary leaders one Republican and one Democrat both moderate and both willing to compromise to move the nation forward The Republican leader was President Dwight

Eisenhower His two administrations changed American politics Ike s desire to be president of all the people to run his administration down the middle of the road to be a modern Republican set the stage for what the Republican Party would be for decades to come His politics of moderation triggered a backlash from the party s right wing that eventually grew into a

conservative surge that reached fruition in the following decades Standing astride the opposition was the Democratic leader in the Senate Lyndon Johnson At age 44 Johnson was the youngest leader in Senate history His willingness to join forces with

Eisenhower in the president s battles against isolationism and reaction in his own party along with the willingness of both men to compromise rather than engage in a politics of search and destroy turned the 1950s into an era of political

moderation In *The Secret Coalition* Gary A Donaldson insightfully explores a period in U S history that many Americans regard as an Era of Good Feeling when the two parties got along and the nation achieved some sort of equilibrium and

cooperation *Field Marshal Bernard Law Montgomery, 1887-1976* Colin F. Baxter,1999-10-30 In the desperate summer of 1942 Hitler seemed to be on the verge of victory in Russia and the Middle East With Rommel nearing Cairo a little known

lieutenant general Bernard Montgomery took charge of what Churchill called a baffled and bewildered British 8th Army Assuming command Montgomery issued his famous order Here we will stand and fight If we can t stay here alive then let us

stay here dead and led the Army to one of the Allies greatest victories El Alamein Monty became an instantly recognizable Allied leader but as a man with strong views unbending principles and outspoken frankness he was both loved and disliked

praised and criticized This bibliography presents and evaluates the extensive body of literature that has grown up around the controversial Field Marshal Any serious study of World War II military campaigns must confront Field Marshal Bernard

Montgomery an individualist with both admirers and detractors This book provides an extensive historiographical overview of the literature in Part I and a bibliography of significant works in Part II It is a basic reference and research guide for the

student scholar and general reader **White House Confidential** Gregg Stebben, Austin Hill, 2016-07-19 An irreverent look at Presidential foibles follies fibs and moral failures Were past presidents smarter more honest and better behaved than those we elect today Don't bet on it White House Confidential shows that commanders in chief have been lying cheating stealing and womanizing from the days of the Founding Fathers Focusing on the qualities that never made it into White House press releases the authors look at their sexual misdeeds and strange family relationships scandals that engulfed administrations fights with enemies and questionable money matters Dip into these pages to find out Which president was famous for being the richest man alive because of all his brilliant real estate deals Which president was born in Canada and was ineligible to hold the office of president Which president caused some problems by trying to grow strange herbs in the White House garden Which president often ordered White House staff to rub Vaseline into his scalp while he ate breakfast in bed Which president often called his deputy chief of staff Turd Blossom Updated with new material about many presidents including George W Bush and Barack Obama White House Confidential will have you laughing and sometimes cursing as you take a second look at the next occupant of the Oval Office The Age of Eisenhower William I Hitchcock, 2018-03-20 A New York Times bestseller this is the outstanding The Atlantic insightful and authoritative account of Dwight Eisenhower's presidency Drawing on newly declassified documents and thousands of pages of unpublished material The Age of Eisenhower tells the story of a masterful president guiding the nation through the great crises of the 1950s from McCarthyism and the Korean War through civil rights turmoil and Cold War conflicts This is a portrait of a skilled leader who despite his conservative inclinations found a middle path through the bitter partisanship of his era At home Eisenhower affirmed the central elements of the New Deal such as Social Security fought the demagoguery of Senator Joseph McCarthy and advanced the agenda of civil rights for African Americans Abroad he ended the Korean War and avoided a new quagmire in Vietnam Yet he also charted a significant expansion of America's missile technology and deployed a vast array of covert operations around the world to confront the challenge of communism As he left office he cautioned Americans to remain alert to the dangers of a powerful military industrial complex that could threaten their liberties Today presidential historians rank Eisenhower fifth on the list of great presidents and William Hitchcock's rich narrative The Wall Street Journal shows us why Ike's stock has risen so high He was a gifted leader a decent man of humble origins who used his powers to advance the welfare of all Americans Now more than ever with this complete and persuasive assessment Booklist starred review Americans have much to learn from Dwight Eisenhower Comparative Analysis Of The Military Leadership Styles Of George C. Marshall And Dwight D. Eisenhower Major James R. Hill, 2014-08-15 In a constantly changing world threatened by ever increasing terrorist acts American interests both at home and abroad require protection provided by great military leaders In order to produce military leaders who can successfully meet the future challenges America faces it is important to develop and refine them early and help them understand how to create and refine a successful leadership style The process of developing leadership

styles however is not easy and it requires a prodigious amount of determination time planning training mentoring and refinement One way to help develop leaders is to show them examples of previously successful leaders leaders such as George C Marshall and Dwight D Ike Eisenhower Marshall and Eisenhower were two talented and exceptional leaders and are great examples of American military leadership Their leadership styles were indispensable during World War II and it is important for leaders today to examine why their leadership styles were so successful

Eisenhower in War and Peace
Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America's thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike's maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower's superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike's finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world Unmatched in insight Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for Eisenhower in War and Peace A fine new biography Eisenhower's White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year's Eisenhower in War and Peace by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America's greatest living biographer shows why now more than ever Americans should like Ike George F Will

Eisenhower P G. Boyle, 2015-11-17 Eisenhower is the president who established America as a superpower He had already launched his reputation as the leading US military figure in the Second World War and then as supreme commander of the land forces of the newly created NATO This book looks at how

Eisenhower held power in the political field and to what extent his political career was a success This text is ideal for undergraduate courses in 20th Century American History and American Studies *The Western European and Mediterranean Theaters in World War II* Donal Sexton,2011-10-06 The Western European and Mediterranean Theaters in World War II is a concise comprehensive guide for students teachers and history buffs of the Second World War With an emphasis on the American forces in these theaters each entry is accompanied by a brief annotation that will allow researchers to navigate through the vast amount of literature on the campaigns fought in these regions with ease Focusing on all aspects surrounding the U S involvement in the Western European and Mediterranean theaters including politics religion biography strategy intelligence and operations this bibliography will be a welcome addition to the collection of any academic or research library Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian **The A to Z of Sexspionage** Nigel West,2009-09-16 In the realm of human behavior sex can be the catalyst for risky or reckless conduct The A to Z of Sexspionage explores this behavior through a chronology an introduction a bibliography and hundreds of cross referenced dictionary entries on the secret agencies operations and events From Delilah s seduction of Samson in 1161 BC to State Department official Donald Keyser s conviction of passing secrets to Isabelle Cheng a Taiwanese intelligence officer in 2007 Nigel West recounts the history of sexspionage **Historical Dictionary of Sexspionage** Nigel West,2009-01-22 In the realm of human behavior sex can be the catalyst for risky or reckless conduct The Historical Dictionary of Sexspionage explores this behavior through a chronology an introduction a bibliography and hundreds of cross referenced dictionary entries on the secret agencies operations and events From Delilah s seduction of Samson in 1161 BC to State Department official Donald Keyser s conviction of passing secrets to Isabelle Cheng a Taiwanese intelligence officer in 2007 Nigel West recounts the history of sexspionage Intimacy A. Kakabadse,2004-09-21 Sixty per cent of people at work admit to one or more intimate relationship A recently completed international workplace survey highlights that many people intermingle their private and work lives Time spent on tasks the intensity of team relationships and the sharing of common interests make work a multi purpose site satisfying personal needs as well as ambitions and career drives Are managers prepared to face such challenges No However through understanding workplace intimacy practices firm guidance for managers is provided to better prepare them to address such sensitive encounters **Faith and the Presidency From George Washington to George W. Bush** Gary Scott Smith,2006-10-12 In the wake of the 2004 election pundits were shocked at exit polling that showed that 22% of voters thought moral values was the most important issue at stake People on both sides of the political divide believed this

was the key to victory for George W Bush who professes a deep and abiding faith in God While some fervent Bush supporters see him as a man chosen by God for the White House opponents see his overt commitment to Christianity as a dangerous and unprecedented bridging of the gap between church and state In fact Gary Scott Smith shows none of this is new Religion has been a major part of the presidency since George Washington s first inaugural address Despite the mounting interest in the role of religion in American public life we actually know remarkably little about the faith of our presidents Was Thomas Jefferson an atheist as his political opponents charged What role did Lincoln s religious views play in his handling of slavery and the Civil War How did born again Southern Baptist Jimmy Carter lose the support of many evangelicals Was George W Bush as his critics often claimed a captive of the religious right In this fascinating book Smith answers these questions and many more He takes a sweeping look at the role religion has played in presidential politics and policies Drawing on extensive archival research Smith paints compelling portraits of the religious lives and presidencies of eleven chief executives for whom religion was particularly important Faith and the Presidency meticulously examines what each of its subjects believed and how those beliefs shaped their presidencies and in turn the course of our history
