**Program and Abstracts** American Folklore Society. Annual Meeting,1997      **Program** Organization of American Historians. Meeting,1998      **Forthcoming Books** Rose Arny,1998-04      *History Comes Alive* M. J. Rymsza-Pawlowska,2017-10-03 During the 1976 Bicentennial celebration millions of Americans engaged with the past in brand new ways They became absorbed by historical miniseries like Roots visited museums with new exhibits that immersed them in the past propelled works of historical fiction onto the bestseller list and participated in living history events across the nation While many of these activities were sparked by the Bicentennial M J Rymsza Pawlowska shows that in fact they were symptomatic of a fundamental shift in Americans relationship to history during the 1960s and 1970s For the majority of the twentieth century Americans thought of the past as foundational to but separate from the present and they learned and thought about history in informational terms But Rymsza Pawlowska argues that the popular culture of the 1970s reflected an emerging desire to engage and enact the past on a more emotional level to consider the feelings and motivations of historic individuals and most importantly to use this in reevaluating both the past and the present This thought provoking book charts the era s shifting feeling for history and explores how it serves as a foundation for the experience and practice of history making today      Living History in the Classroom Lisa L. Heuvel,2020-10-19 Many educators want to use historic characters in the classroom but lack strategies and resources The types of questions they ask are answered in Living History in the Classroom Performance and Pedagogy by outstanding content experts with practical insights into performance public history and education      **Reading the Past** Ian Hodder,Scott Hutson,2003-12-04 Table of contents      **Living History** David B. Allison,2016-05-13 Here David Allison who has worked at several museums known for effective enactments provides the fascinating stories of three large living history museums as they adapt to changing audience expectations a solid overview of the types of interpretation that living history museums use best practices and practices for you to avoid from the intersection of public history individual agency and business imperatives at museums and historic sites Living History Effective Costumed Interpretation and Enactment at Museums and Historic Sites looks at the history of these compelling techniques provides best practices and strategies for implementing them today and provides a roadmap for the future of costumed interpretation      Current Trends in New Testament Study Robert E. Van Voorst,2020-01-15 This book focuses on seven of the most important formal methods used to interpret the New Testament today Several of the chapters also touch on Old Testament Hebrew Bible interpretation In line with the multiplicity of methods for interpretation of texts in the humanities in general New Testament study has never before seen so many different methods This situation poses both opportunities and challenges for scholars and students alike The articles in this book introduce the latest methods and give examples of these methods at work The seven methods are as follows post colonial narrative historical performance mathematical analysis of style womanist and ecological      Time Travel Alan Gordon,2016-04-15 In the 1960s Canadians

could step through time to eighteenth century trading posts or nineteenth century pioneer towns These living history museums promised authentic reconstructions of the past but as Time Travel shows they revealed more about mid twentieth century interests and perceptions of history than they reflected historical fact An appetite for commercial tourism led to the rise of living history museums They became important components of economic growth especially as part of government policy to promote regional economic diversity and employment Alan Gordon explores how these museums were shaped by post war pressures personality conflicts funding challenges and the need to balance education and entertainment Ultimately the rise of the living history museum is linked to the struggle to establish a pan Canadian identity in the context of multiculturalism competing anglophone and francophone nationalisms First Nations resistance and the growth of the state
