Past Lives, Present Dreams Denise Linn, 1997 As we approach the beginning of a new millennium huge and exciting changes will occur And as powerful planetary shifts increase we have a unique opportunity to release our limitations Past Lives Present Dreams teaches us how to best take advantage of the energies available for growth and personal expansion In this wise and thorough guide to past life therapy renowned healer Denise Linn shows you how to address persistent conditions that havent responded to other types of therapy You will come to understand The concepts of reincarnation soul mates and karma Techniques that can be used for past life regression How past life therapy can improve your health relationships and prosperity How fears phobias and blockages can be released through regression Dreams and how they provide a vital connection to your past lives Spirit guides animal guides and angels that can assist you in past life exploration With many examples of past life regressions and her comprehensive knowledge of mystical traditions around the world Linn teaches you to rewrite the past to improve your present and future The Past Life Perspective Ann Barham, 2016-06-07 Previously published as Nine lives and counting Past Lives, Present Miracles Denise Linn, 2008-03-01 The best selling author of If I Can Forgive So Can You Miracles can occur in your life easily and effortlessly It s simply a matter of remembering who you are and to do this it s necessary to clear the blockages that stand between you and your soul Almost all of these obstacles have their roots in your distant past so it s valuable to travel back in time to release them However most of us are so caught up in limiting beliefs about who we are that it s almost impossible to take that journey In this book you ll learn how to travel back to your previous incarnations to release buried obstructions so you can create the miracles in your life that you deserve It s safe easy and fun and anyone can do it You ll learn how to discover your past lives without ever doing a regression remove limitations regarding your relationships abundance and health that came from your past lives uncover the symptoms of past life traumas and how to clear them even if you don t believe in reincarnation understand the roles that loved ones played in your previous incarnations find your personal guides spirit guardians and angels and receive their help and much much more Past Lives and Present Relationships John Van Auken, 1985 *Past Life Regression And Reincarnation* Prajna Narandani, 2021 Between the two concepts of past life regression and reincarnation most people are probably more familiar with the latter However what few realize is that these two concepts are essentially linked with each

other Reincarnation has to do with the rebirth of a soul If you believe that you will be reincarnated then death is nothing to be afraid of After all if reincarnation exists for you it only means that life is but one cycle after another and death is just a transition from a previous life to the next Get all the info you need here      **Akhand Shiv Bhushan Sharma,2003      *Past Lives for Beginners*** Douglas De Long,2013 Helps you explore your previous lifetimes embrace your wondrous past and recognize that you as a human soul are eternal This title describes different types of past life recall experiences and shares favoured techniques of meditation and visualization used to gain access to those memories      **Seeking Soul Mates, Spirit Guides, Past Lives** Richard C. Scheinberg,2009 Consider for a moment that life is not a random event or an accident of circumstance and that the essence of who we are continues even beyond death In Seeking Soul Mates Spirit Guides and Past Lives we can discover new meaning to our lives and garner valuable insights into our experiences With an artful blend of scientific research and heartrending narratives this book demonstrates how we can recognize and embrace the spiritual relationships that determine our life s path Taking us on a journey illustrated by his professional and personal experiences Scheinberg offers us a fresh and intimate glimpse of the fascinating unseen world of eternal love and the enduring soul And in so doing he encourages and inspires us to embark on a soul searching expedition of our own      *Astrology & Past Lives* Mary Devlin,1997 Astrology Past Lives is the first book to examine birth charts for previous incarnations Author Mary Devlin shows you how to interpret past life charts and compare them to your present one By studying astrological patterns that repeat in chart after chart lifetime after lifetime you ll discover that many of your current experiences relationships and behaviors are rooted in past existences This unique and original book is the result of ten years of painstaking research and hundreds of case studies More than sixty charts and corresponding case histories are included here as examples Some are of ordinary people others are famous personalities from the past and present      Reliving Past Lives: The Evidence Under Hypnosis Helen Wambach,2021-04-06 In Reliving Past Lives psychologist Helen Wambach PhD shares the fascinating results of her large scale past life group hypnotherapy sessions In an effort to rule out false memory fantasy and wishful thinking often associated with past life hypnosis Wambach devised a protocol where she chose time specific periods from 2000 BC to the twentieth century and asked respondents where they were and what they were doing during that specific period Race social class occupation types of money used and gender were all explored Mundane questions were asked such as What types of utensils are being used Describe weaving techniques that are being used What foodstuffs are commonly in use during this time What color is the brickwork of the houses As expected when taken to a specific period some respondents reported experiences while others reported nothing prompting the question did they report nothing because they were between lives Wambach reasoned that if she asked a large number of subjects questions about a specific time and place and received a sizable percentage of similar answers from subjects who weren t consciously aware of the information they were reporting that was something worth investigating further Together with her book Life before Life the data is compelling reading for
